Passage To Eden:

On Hunting Lt. Col. Dave Grossman, Linda K. Miller, Capt. Keith A. Cunningham, 2023-03-07 Hunting is our heritage our heart and our future Where does hunting fit in the modern world To many it can seem outdated or even cruel but as *On Hunting* affirms hunting is holistic honest and continually relevant Authors Grossman Miller and Cunningham dive deep into the ancient past of hunting and examine its position today demonstrating that we cannot understand humanity without first understanding hunting Readers will discover how hunting formed us examine hunting ethics and their adaptation to modernity understand the challenges traditions and reverence of today s hunter identify hunting skills and their many applications outside the field learn why hunting is critical to ecological restoration and preservation and gain inspiration to share hunting with others Drawing from ecology philosophy and anthropology and sprinkled with campfire stories this wide ranging examination has rich depths for both nonhunters and hunters alike *On Hunting* shows that we need hunting still and so does the wild earth we inhabit

Close Reading without Readings Stephen Booth, 2015-12-14 Dealing mainly with the works of William Shakespeare the essays in *Close Readings without Readings* reflect Stephen Booth s lifelong interest in uncovering the ways great literature works upon readers As the book s title suggests the author does not aim to create new or novel interpretations or to uncover the political agendas of literary works but to notice language patterns repetitions analogies correspondences echoes overtones and other ways in which the choice and the arrangement of words affect readers For Booth close reading is a practice of attentiveness He notices how why and in what ways Shakespeare s works affect his readers Whether readers agree with the premises of a literary work or not they subject themselves knowingly or not to its effects For Booth what we value in literature is the experience He has devoted his own work to recognizing the nature process and functions of reading literature and to teaching others to do the same Recent years have seen Booth s efforts recognized by volumes dedicated both to close reading and to his achievements as editor scholar critic and teacher
