Passages from the American Note-books ... Nathaniel Hawthorne, 1876 *Passages from the American Notebooks of Nathaniel Hawthorne* Nathaniel Hawthorne, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1900 edition Excerpt few of them have become visible to the world If ever I should have a biographer he ought to make great mention of this chamber in my memoirs because so much of my lonely youth was wasted here and here my mind and character were formed and here I have been glad and hopeful and here I have been despondent And here I sat a long long time waiting patiently for the world to know me and sometimes wondering why it did not know me sooner or whether it would ever know me at all at least till I were in my grave And sometimes it seemed as if I were already in the grave with only life enough to be chilled and benumbed But oftener I was happy at least as happy as I then knew how to be or was aware of the possibility of being By and by the world found me out in my lonely chamber and called me forth not indeed with a loud roar of acclamation but rather with a still small voice and forth I went but found nothing in the world that I thought preferable to my old solitude till now And now I begin to understand why I was imprisoned so many years in this lonely chamber and why I could never break through the viewless bolts and bars for if I had sooner made my escape into the world I should have grown hard and rough and been covered with earthly dust and my heart might have become callous by rude encounters with the multitude But living in solitude till the fullness of time was come I still kept the dew of my youth and the freshness of my heart I used to think I could imagine all passions all feelings and states of the heart and mind but how little did I know Indeed we are but shadows we are not endowed with real life and all that seems most real about us is but the thinnest substance o Passages from the American Note-books Nathaniel Hawthorne, 1900 **Passages from the American Notebooks** - Nathaniel Hawthorne, 2015-04-22 Passages from the American Notebooks Volume I from Nathaniel Hawthorne American novelist and short story writer 1804 1864 *Passages from the American notebooks* Nathaniel Hawthorne, 1900 Passages from the American Notebooks, Volume 2 Nathaniel Hawthorne, 2020-09-29 Nathaniel Hawthorne was an American novelist dark romantic and short story writer His works often focus on history morality and religion He was born in 1804 in Salem Massachusetts to Nathaniel Hawthorne and the former Elizabeth Clarke Manning *Passages from the American Notebooks* Nathaniel Hawthorne, 1992-06-01 Bonded Leather binding **Passages from the American Notebooks** Nathaniel Hawthorne, 2016-03-29 This volume contains selections from Hawthorne's journals from 1835 to 1853 shortly before his departure for England as well as some extracts from his letters within the same period They contain many initial ideas which were to become stories and parts of romances as well as meticulous observations of people and nature **Passages from the American Note-books** Nathaniel Hawthorne, 1868 *Passages from the American Note-books of Nathaniel Hawthorne* Nathaniel Hawthorne, 1968 **Passages from the French and Italian**
