House. Committee on the Judiciary. Subcommittee on Courts, the Internet, and Intellectual Property, 2006 *Judgment According to Works in Romans* Kevin W. McFadden, 2013-10-01 Kevin W. McFadden shows that Paul wrote the letter to remind Roman Christians of his gospel because of his vocation as apostle to the Gentiles. The letter simultaneously demonstrates the guilt of the world and calls Paul's audience to live out the implications of the gospel. The theme of judgment thus appears in two distinct ways: Paul opposes justification by works of law but simultaneously affirms as did most of the early Christian movement. McFadden argues a final judgment according to works. These are not contradictory observations but belong together in a cohesive understanding of Paul's theology and of his purpose in the letter.

**God of Love and God of Judgement** Stephen K. Moroney, 2009-07-06 How can a God of love also be a God of judgment? If God loves everyone, what is the point of judgment? Does God change from being wrathful in the Old Testament to loving in the New Testament? Can we discern God's judgments in current events such as hurricanes and personal tragedies? Is it ever right for humans to judge? These are not just daunting issues for theologians to ponder. They are urgent questions for everyone. Our answers profoundly affect how we relate to God and how we live with one another. Coming to grips with these issues is vital for our spiritual journeys. Many people today emphasize God's love and downplay his judgment. The problem with this approach is that God's judgment is taught in Scripture from the beginning of Genesis to the end of Revelation, and it is a core part of the gospel preached by Jesus and his apostles. There are problems at the other end of the spectrum too when we believe in a God of judgment who is not also a God of love. It is impossible for us to find spiritual peace when we live in constant dread of God pictured as a harsh judge whom we can never please. This book calls us to embrace a more full biblical image of God: one that joins his love and judgment together. Additionally, the book shows that as those who are made in God's image, we can fuse love and judgment together constructively in our own daily lives.

*Critique of Judgement* Immanuel Kant, 2008-09-11 Kant's *Critique of Judgement* analyses our experience of the beautiful and the sublime in relation to nature, morality, and theology. Meredith's classic translation is here lightly revised and supplemented with a bilingual glossary. The edition also includes the important First Introduction.

*Merciful Judgments and Contemporary Society* Austin Sarat, 2011-10-31 *Merciful Judgments and Contemporary Society* Legal Problems: Legal Possibilities explores the tension between law's need for and dependence on merciful judgments and suspicions that regularly accompany them. Rather than focusing primarily on definitional questions or the longstanding debate about the moral worth and importance of mercy, this book focuses on mercy as a part of and problem for law. This book is a product of the University of Alabama School of Law symposia series on Law, Knowledge, and Imagination. It explores the ways law is known and imagined in a diverse array of disciplines, including political science, history, cultural studies, philosophy, and science. In addition, books produced through the Alabama symposia explore various conjunctions of law, knowledge, and imagination as they play out in debates about theory and policy and speak to venerable questions as well as contemporary issues.
