Passing Under Heaven:

Passing Under Heaven Justin Hill, 2004 An epic novel about the extraordinary true life of China's greatest woman poet

The End of the Ages Explained Terry Swift, 2022-11-09 The author of *Revelation Explained* has written a new book. The new book is a companion book to his first book. His first book *Revelation Explained* was a verse by verse commentary of the Book of Revelation. His second book started as the original research that the author Terry used to understand what the New Testament taught about that mysterious book of Revelation. Then Terry wrote *Revelation Explained*. This second book *The End of the Ages Explained* has 26 chapters covering 26 different topics that relate to things in Revelation. This book grew into an in depth study and explanation of things we often hear about Revelation. These topics are often tossed around in conversations in our world today. Imagine a book in which you can read an in depth study of topics such as Armageddon, Gog and Magog, the thousand years reign, the second coming of Christ, the judgment, the resurrection, Israel, 2 Pet 3, the end of the ages, and many more such topics. Can one really understand what he is reading in Revelation? Can the things that are mentioned in visions make sense? Is an understanding of Revelation attainable? The answer is yes. The parts of scripture all fit together perfectly. Can you know it? Yes, God can help you. Terry has tried to help by taking each topic and carefully explaining scripture with scripture. He goes into in depth explanations of the various topics. This book is not an easy chair read. It is intended for those who study diligently and want to know truly what God has meant by what he has revealed. What is the reward? More than anything, it is to understand God and to see with spiritual eyes the wonderful grandeur of the completion of God's plan in Christ Jesus. The end blessing is truly spiritually awesome, fantastic, and amazing beyond man's capability and imagination. But our wonderful God has indeed revealed himself to us. This new book *The End of the Ages Explained* is well worth the read. Every page is helpful. It is good for pastors, seminary students, elders, leaders, and every Christian. It will challenge everyone who reads it and can offer many insights into scripture. The goal of the author has always been to understand what one is reading. The wise man Solomon emphasized getting understanding to his son in Proverbs. There he said, "Trust in the Lord with all your heart and lean not on your own understanding. In all your ways acknowledge him, and he will make your paths straight." Prov 3:5-6 NIV. May your understanding greatly increase when you read this book and seek to know God better.

Fair Days in Heaven's Gate Jennifer Fowler, 2002-09-01 In the style of Jan Karon's Mitford characters, the ward members in Heaven's Gate go about their daily small town lives. Their struggles and imperfections, self discoveries, and triumphs will go straight to your heart.

Under Heaven's Brow Ward Hunt Goodenough, 2002 For the people of Chuuk and for students of religion and Micronesian culture, this book pulls together and makes available in English the somewhat scattered published accounts, largely in German, along with Goodenough's own as yet unpublished information about religious beliefs and ritual practices in pre-Christian Chuuk. The materials are presented in a way that seeks to document and illustrate a particular approach, a functional one, to understanding the kinds of human concerns that give rise to religious behavior.

Simply to describe traditional beliefs and rituals without the relevant social background information leaves the reader without any feeling for what were the emotional concerns engendered by life in Chuukese society that ritual practices helped people address Ward Goodenough offers a theoretical introduction the necessary background information about Chuuk and the ways in which members of Chuukese society experienced themselves and their fellows the world view and overall set of beliefs providing the intellectual framework within which ritual practices were formulated and understood and the various bodies of ritual practices He concludes the book with a summary that pulls together how the rituals described appear to related to the emotional concerns that growing up and living in Chuuk tended to create **Grasping the Heel of Heaven**
