The Lord Is Near 2016 Brethren, Various,2016-01-01 An uplifting edifying deep daily devotional A wonderful counterweight against todays superficiality written by various authors Matthew to Acts Adam Clarke,1850 **Jesus Research** James H. Charlesworth,Jolyon G. R. Pruszinski,2019-02-07 Most experts who seek to understand the historical Jesus focus only on the Synoptic Gospels of Mark Matthew and Luke However the contributors of this volume come to an important consensus that the Gospel of John preserves traditions that are independent of the Synoptics and which are often as reliable as any known traditions for understanding the historical Jesus As such the contributors argue for the use of John s Gospel in Jesus research The volume contains various critical approaches to historical inquiry in the Gospel of John including new evaluations of the relationship between John and the Synoptics literary and rhetorical approaches comparative analysis of other early traditions the judicious use of archaeological data and historical interpretation of John s theological tendencies

Contributing scholars include Dale C Allison Jr Paul N Anderson Harold W Attridge James H Charlesworth R Alan Culpepper Michael A Daise Craig S Keener George L Parsenios Petr Pokorn Jan Roskovec and Urban C von Wahlde who help to reassess fully the historical study of John's gospel particularly with respect to the person of Jesus

The Lucan Journey Maria Yen Thi Do, 2010 This work investigates the Lucan journey motif from a literary and theological perspective It starts by examining the indications of movement in the narrative sequence of the Gospel Using the historical critical method the author continues with a study of the Transfiguration Luke 9 28 36 and the Ascension Acts 1 6 11 narratives and presents a comparison between them The work concludes with an investigation of the Lucan journey in the two volume work of Luke On the literary level the author suggests that the Transfiguration and the Ascension narratives are composed as an architectural pair and in turn serve as the respective starting points for the parallel journeys in Luke Acts On the theological level she shows that the two journeys are in fact two stages of the one unique journey namely the journey of the Salvific Message Thus the author provides a further confirmation of the unity of the two volume work of Luke
