The Trail Blazers Melina Druga, A pioneer An abolitionist A feminist Three generations of one family Three stories spanning 19th century Canada in this striking collection of novellas from the author of *Angel of Mercy* Book 1 *Journey of Hope* An idealistic young couple set out across country in search of a better life for themselves and their young son in this sweeping historical novella set against the rugged backdrop of early 19th century British North America When her drunken father in law showed up threatening to kill both her and her husband 19 year old Claire didn't need any more convincing to strike out west Together with their 1 year old son she and Harold leave New Brunswick behind on a 900 mile trek across Upper and Lower Canada At first the journey feels like the adventure that farm boy Harold has always wanted not to mention a way for Claire who was hired out at ten to finally move up in the world But the land is unyielding the weather harsh and it isn't long before the couple find themselves waylaid Soon every mile they put behind them feels like a step in the wrong direction As her previously happy marriage takes a turn toward estrangement Claire scrabbles for shreds of peace and stability seeking out what little work she can find to help pay for their mounting travel costs But tragedy lies right around the corner and these two young pioneers will be forced to lean on each other or risk losing everything they've sacrificed so much to build Book 2 *Rose's Assignment* When she's asked to care for a young Black woman fleeing bondage a white Ontarian must confront her privilege and the racism that pervades her community Rose Goodwin is proud of her charity work with the Simcoe County Vigilance Committee where she's responsible for gathering provisions to help formerly enslaved Americans start new lives in Canada Her entire life turns upside down with the arrival of Judith a critically ill Black refugee who grew feverish after she lost contact with her children during their border crossing Now practically immobile and still bearing the marks of brutality Judith needs someone to nurse her back to health before she can settle in the local Black village The assignment falls to Rose who quickly notices the cracks in her hometown's wholesome facade Her husband offers little support The town doctor refuses to treat Judith and even Rose's own mother and sisters act as if the refugee herself were the problem This Good Samaritan may be completely out of her element but her dedication to her patient increases to meet every ounce of resistance she encounters And still the question remains Will it be enough to save Judith Book 3 *The Unmarriable Kind* In 1880s Ontario the arrival of a new forward thinking headmaster forces a young teacher to wrestle with her heart's conflicting desires Lucretia Goodwin bucks centuries of tradition by refusing to take a husband She wants no part in the custom that has her best friend keen to marry a man who treats her poorly and whisked a beloved sister off to do missionary work in Barbados Besides women lose what few rights they have the moment they say I do When she suddenly finds herself teaching under a politically outspoken headmaster Lucretia isn't sure what to do or how to feel Mr Steward believes in women's suffrage and perhaps more shockingly wants to open all classes to students of both sexes But what do girls need to know about history or geography when they're fated to become keepers of hearth and home

Ozu International Wayne Stein, Marc DiPaolo, 2016-09-22 In Japan and much of

Europe Ozu is widely considered to be one of the finest film directors who ever lived While Ozu has a strong reputation in the West his films are not as well known or widely appreciated in the U S as they are elsewhere A notable exception to this trend is film critic Roger Ebert who recently wrote that Ozu is one of his three or four favorite directors Also moving beyond the view that Tokyo Story is a masterful exception in the Ozu canon Ebert sees Ozu s films as nearly always of the same high quality Ozu International will reflect on Ebert s view of Ozu by arguing that this director deserves broader recognition in the U S and that his entire canon is worthy of serious study With the recent release of more than 15 Ozu DVDs in the Criterion Collection covering every phase of his career at least in part including silent films black and white talkies and color films Ozu International helps to fill a lingering gap in English language scholarship on Ozu by giving this new generation of scholars a book length forum to explore new critical perspectives on an unfairly neglected director Contributions include specialists in Japanese culture academics from a range of disciplines and professional films critics
