Rempson, 2016-03-12 The African American Male School Adaptability Crisis AMSAC cannot be solved by the school alone It is a race problem which can only be solved if we black males provide the leadership in tackling our three major demons which now mainly account for the problem IQ lag fatherless families crime AMSAC had its origin about 100 years ago when after the death of Washington DuBois gained ascendancy in our African American Garden of Eden and replaced Washington's brains property and character gospel with a civil rights agenda That agenda has led to a civil rights fixation and our second bondage Victimology wherein being the victim has become part of our core identity and made us psychological slaves Rather than being proud and self-reliant disproportionately we have come to see ourselves as victims who are entitled to system help and special treatment This bondage and it is a bondage vitiates our manhood and the energy and drive required to pursue the adaptation pathway paved by Washington but demonized by DuBois Return to that pathway and we can confront and conquer AMSAC and our three major demons Guided by history and the research evidence this book details how Its 20 chapters make for long reading but just by reading the first and last chapters you can get the message The motto of the proposed evidence-based experimental program the African American Male Career Pathway Program AMCAP A special appeal is made to black athletes and entertainers to help propagate this motto and support the proposed high school student clubs Student AMCAPs in its implementation *Health of the Human Spirit* Brian Luke Seaward, 2012-02 *Health of the Human Spirit* Second Edition *Spiritual Dimensions for Personal Health* is a thoughtful examination of the ageless topic of human spirituality It addresses the need to acknowledge spiritual wellness as a vital dimension of the general health and well-being of the individual and examines the dynamic balance between mind body spirit health and the roadblocks and distractions on the spiritual path Dr Seaward includes many behavioral suggestions to enhance the health of the human spirit He presents the material in an approachable user-friendly manner by engaging the reader and carefully distinguishing the
