**The Ante-Nicene Fathers** Alexander Roberts,2007-05-01 One of the first great events in Christian history was the Council of Nicaea in 325 AD convened to organize Christian sects and beliefs into a unified doctrine The great Christian clergymen who wrote before this famous event are referred to as the Ante Nicenes and the Apostolic Fathers and their writings are collected here in a ten volume set The Ante Nicenes lived so close to the time of Christ that their interpretations of the New Testament are considered more authentic than modern voices But they are also real and flawed men who are more like their fellow Christians than they are like the Apostles making their words echo in the ears of spiritual seekers In Volume I of the 10 volume collected works of the Ante Nicenes first published between 1885 and 1896 readers will find the writings of Clement of Rome the fourth pope who was supposedly martyred by being tied to an anchor and tossed overboard Mathetes an anonymous writer considered the first Christian apologist Polycarp a Christian bishop who was stabbed to death after he failed to burn at the stake Ignatius a student of John the Apostle who was Bishop of Antioch before he was killed Barnabas an anonymous writer given the name of Saint Barnabas Papias author of Interpretations of the Sayings of the Lord a textbook on quotes from Jesus Justin Martyr a Christian apologist and accomplished philosopher and Irenaeus disciple of Polycarp apologist and bishop of Lugdunum

**The End of the Timeless God** R. T. Mullins,2016-01-07 The claim that God is timeless has been the majority view

throughout church history However it is not obvious that divine timelessness is compatible with fundamental Christian doctrines such as creation and incarnation Theologians have long been aware of the conflict between divine timelessness and Christian doctrine and various solutions to these conflicts have been developed In contemporary thought it is widely agreed that new theories on the nature of time can further help solve these conflicts Do these solutions actually solve the conflict Can the Christian God be timeless The End of the Timeless God sets forth a thorough investigation into the Christian understanding of God and the God world relationship It argues that the Christian God cannot be timeless

**Hemingway's Passions** Nancy W. Sindelar, 2024-11-05 A provocative and unique look at how the women Hemingway loved shaped this literary legend Ernest Hemingway's passion was writing and he was inspired by a lifetime of daring adventures and encouraged by the many women in his life He nurtured his creativity by purposely seeking dangerous situations to test his own levels of courage and to create literary heroes who displayed grace under pressure His masculine adventurous spirit appealed to women of all ages including four wives and a long list of legendary actresses and he frequently transformed the women in his life into memorable fictional characters In 1950 Hemingway told Marlene Dietrich that he truly loved only five women Who were these women and why did he love them Some of them may have included his wives Hadley Richardson Pauline Pfeiffer Martha Gellhorn and Mary Welsh but there were others too among them Agnes von Kurowsky Through quotations from his works and personal letters as well as more than sixty photographs many of which have not been previously published Hemingway scholar Nancy W Sindelar captures Hemingway's life and romantic adventures revealing his own feelings about his romantic relationships and the ways his experiences with women appear in his literary works Much has been written about Hemingway but to date no book has linked the women he loved to his written work The stories of Hemingway's romantic relationships reveal not only the influence these women had on his writing but also his personal ambition heartbreak and literary triumphs and trials Sindelar's provocative analyses of Hemingway's literature give fresh insight into the life of a legendary author outdoorsman adventurer and lover Includes 60 photographs many never previously published

*Nicene and Post-Nicene Fathers* Philip Schaff, 2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume VI of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will find Saint Augustine's exegesis on the Gospels and the Sermon on the Mount which strove to interpret and draw meaning out of the text without incorporating the author's personal agenda or bias Also included in this volume are a selection of Augustine's sermons
