Passion Of Jesus Life Of Jesus:

The Passion and the Death of Jesus Christ Saint Alfonso Maria de' Liguori, 1887 *The Early Life of Jesus and New Light on Passion Week* Peleg Spencer Whitman, 1914 **The Passion of Our Lord Jesus Christ** George R. Szewes, Gabe Huck, 1999 These books show how several readers can proclaim the Passion well Rather than simply dividing the Passion into the parts this book allows the evangelist's understanding of the Passion to be heard and pondered You'll also find proclamation tips and suggestions for musical refrains acclamations and hymns The cover is suitable for use in the liturgy and the type and the use of sense lines allow for ease of proclamation The text of the English version is that of the revised U.S. lectionary The text of the Spanish version corresponds to the Mexican lectionary *A Passion for Christ* Douglas D. Webster, 2001 In this excellent work on Christology Douglas Webster demonstrates what can be done when one takes evangelical theology from a purely defensive stance to a creative honest and forward looking criticism of modern theologies His biblical seriousness and his pastoral concern make the book readable stimulating and edifying *The Dolorous Passion of Our Lord Jesus Christ* Anne Catherine Emmerich, 2022-05-08 Reprint of the original first published in 1862 *Jesus and Mel Gibson's The Passion of the Christ* Kathleen E. Corley, Robert L. Webb, 2004-08-25 An exciting and engaging book that will appeal not only to academics but to the film viewing public educated lay persons and students Not only will the book aid this audience in a greater appreciation of the film *The Passion of the Christ* but perhaps more importantly it will enable the reader to distinguish between both the contents of the film and the contents of the Gospels and between the contents of the film and what may be historically reconstructed about Jesus Furthermore the book will aid the reader to appreciate the contributions that the study of the Gospels and the historical study of Jesus can make to the discussion of the film *The Passion of the Christ* Jesus and Mel Gibson's *The Passion of the Christ* is edited by Kathleen E. the University of Alberta **Passion of Christ, Passion of the World** Leonardo Boff,1987 The Passion of Jesus in the Gospel of Mark Donald Senior,1991 The passion is the climactic event in each of the gospels This volume elucidates the passion in its historical background and explores its theological breadth and depth With scholarly finesse and pastoral awareness the author sets the vibrant message of the passion speaking to our lives and times *The Passion of Jesus* Mark Moore,Jon Weece,2002-08 On the Passion of Christ Thomas A' Kempis,Joseph N. Tylanda,2010-09-13 A perfect complement to the movie The Passion of The Christ this book presents reflections that will enable the reader to focus deeply on the true meaning of the Passion In his famous spiritual classic The Imitation of Christ Thomas Kempis reminds the reader that in order to become a follower of Christ one must imitate his life and to accomplish this he adds Let it then be our main concern to meditate on the life of Jesus Christ It is impossible to imitate Christ without first knowing him and the best way of getting to know him is by meditating on his life as it is described in the four Gospels Thus in this wonderful meditation book perfect for Lent or any time of the year the great spiritual writer and monk gives profound short reflections on Gospel passages about the passion and death of Christ Each chapter focusing on a specific aspect of the Passion of Our Lord gives a prayer a meditation and spiritual advice and closes with another short prayer Very much in the same style as his The Imitation of Christ this book covers the entire Passion and makes great spiritual reading for anyone Illustrated **The Passion and Death of Our Lord Jesus Christ** Alban Goodier,Rev Alban Goodier Sj,Brother Hermenegild,2013-04-20 The details of the Passion the material surroundings and circumstances are accepted from others though tested most of them on the spot in regard to those details the author would only say that it is strange how great at times is the divergence of opinion amongst scholars even on matters about which it would seem at first sight that agreement should be easily reached It would almost appear that once we depart from or attempt to add to the story of the Passion as it is told by the Evangelists we are liable to say what is open to question Though for instance we may know the main streets in the Jerusalem of that time yet the actual sites of the palaces of Annas of Caiphas of Herod and of late even of Pilate are by no means agreed upon while the scourging the crowning the crucifixion have been given different descriptions founded all on some substantial evidence Frankly therefore the author has taken all these studies as secondary He has used them as he has needed them for the Passion cannot be described without them but for the first source of his information he has relied on the four Gospels themselves As in the study of the Public Life so here he has tried to keep his attention fixed on Jesus Christ Our Lord for whose sake alone the story of the Passion is worth telling refusing so far as he has been able to be turned aside by any controversial question or discussion whatsoever He has asked himself How does the Passion reveal Christ to us What manner of Man does He show Himself during that ordeal What were His thoughts and feelings What was His soul And hence knowing that He is yesterday and to day and the same for ever what is the meaning of Jesus crucified to me here and now We derive far more light for our purpose from the saints and from those who have written in the spirit of the saints such as S Augustine

Ludolph of Saxony Fra Thomas of Jesus and in another sense S Catherine of Siena Love real and objective and the insight and interpretation that come of love are the only key to the Passion certainly far more than learning for love alone opens our eyes that we may know Him who endured it and why whatever we may know or not know about Him The method therefore of this study has been to follow the Evangelists as closely as possible reading between the lines of their narrative the harmony used has been that of Tischendorf with but a few minor variations The streets of Jerusalem were very narrow indeed some of them scarcely admitting men to walk six abreast when a camel lurched down them with his load on his back there was little room for anyone else Though undoubtedly a crowd followed the Passion which grew in numbers as the day went on yet no less certainly there were other crowds which stood aloof There was at least one crowd of sympathisers which S Luke equally describes as a great multitude of people that followed Him there were many more who looked on from their doors and windows or squatting on their shop counters with that indifference which only the East can show If the procession from the Pretorium to Calvary as seems not unlikely passed through the bazaar of the city probably business went on as usual for crowds such as these were nothing very strange and the day the eve of the great Feast was an exceptionally busy day in Jerusalem We are tempted to compare the suddenness of the Passion and the success of its leaders to one of those sinister coups d etat which have captured nations and of which we have had examples in plenty in our own time All this we may assume and lay aside our main object is to study Him round whom the story is gathered that if we can we may know Him the better whatever may be our other mistakes and shortcomings *Passion of Christ, Passion of the World* Leonardo Boff,1993

The Passion and Death of Our Lord Jesus Christ Alban Goodier,2017-03-31 Archbishop Alban Goodier S J fills in the many blanks in the historical narratives about the Passion of Jesus Christ with a riveting account based on history culture and his own deep spiritual insights He brings to life and unifies the many observations emotions and subtle and not so subtle actions that revolve around the person of God the Son as he faces his most tragic and triumphant moment The author s unique approach intersperses Scripture accounts with the commentary of an incisive narrator who sifts and judges from the span of hundreds of years He draws from the obvious as well as the obscure and finds supernatural meaning in the most mundane actions that surround the suffering Christ In the hands of this writer the Lord s few words accompanied by the author s commentary challenge contemporary believers as much as they did those who first followed in the footsteps of Christ and his apostles The author was born in 1869 in Lancashire northern England and educated at the prominent Catholic college Stonyhurst which has been the source of many English Catholic politicians intellectuals and business people After a degree from the University of London he was ordained a Jesuit in 1903 He served as archbishop of Bombay from 1919 to 1926 and returned to England to write and serve as a chaplain until his death in 1939 **The Passion of the Christ** Neal King,2017-09-16 A study of controversies over The Passion of the Christ that shows how conservative Christians united in support of Mel Gibson and in opposition to liberal secular and Jewish critics King explores how the public battle in the USA

over the editing and rating of this film generated more controversy than any other in recent cinematic history On The Passion of the Christ Paula Fredriksen,2006-02-14 These essays are well informed interesting and written in an accessible style The perspectives represented raise unexpected and important issues eliciting the reader s engagement and creating an absorbing conversation Margaret R Miles author of Seeing and Believing Religion and Values in the Movies **Summa Theologiae: Volume 54, The Passion of Christ** Richard T. A.
