Passion Of Letty Fox:

The Passion of Letty Fox Diana Saunders,1986 **The Passion of Letty Fox** Diana Saunders,1988-08 **Letty Fox** Christina Stead,2012-10-23 From Paris to London to wartime New York a young woman comes of age and comes apart in this witty novel by the author of *The Man Who Loved Children* When Letty Fox first arrives in Manhattan her goal is to escape her chaotic upbringing in London and Paris and the cynicism of her family and create a fresh new start This will be the existence she dreamed of flitting from affair to affair debating social issues over martinis and finishing that novel about Robespierre that will make her envied by all the right people Yet Letty is at odds with both the city and herself sexually adventurous yet fidgety for lasting romance radically independent yet conservative as likely to be betrayed by friends as she is to betray And when Letty runs through the streets of Greenwich Village it s as much to unleash her glorious appetite for life as it is to suppress the black moods that always threaten to derail it No wonder Christina Stead s work has reminded many of Tolstoy Ibsen Joyce said the *New York Times Book Review* When this poisonously funny satire of the American bourgeoisie was first published in 1947 it was banned in the author s native Australia and met with alarm by stateside critics for its moral ambiguity Ahead of its time with its vibrant and furious heroine it is destined for rediscovery From an author Saul Bellow called really marvelous *Letty Fox* is a merciless cruel and magnificently unforgiving comedy of manners *Angela Carter London Review of Books* **Letty Fox** Christina Stead,2011 In this classic novel by Christina Stead published here with an introduction by Carmen Callil Letty Fox tells her story as a self styled woman in New York s world of passion love and sexual bargaining [The Biography Book](#) Daniel S. Burt,2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals **Enigmatic Christina Stead** Teresa Petersen,2016-10-18 This is a remarkably stimulating new approach to Stead s fiction and to her psyche In this very strong reading often against the grain the author illuminates Stead s fiction in a way that has never been done before Chris Wallace Crabbe Christina Stead is arguably Australia s greatest female novelist Born and educated in Sydney she spent the greater part of her life abroad having left in 1928 to satisfy a wandering impulse The most famous of her thirteen novels *The Man Who Loved Children* 1940 is an acknowledged masterpiece of twentieth century fiction Stead s concentrated emotional intensity her interest in extraordinary passion and her keen sense of fantasy and the grotesque have led to comparisons with D H Lawrence

Dostoevsky and Dickens Immediately striking are her strong imaginative power and range her verbal brilliance and her acute penetration of character The enigma identified and skilfully unravelled by Teresa Petersen surprisingly has hitherto been unexamined Overtly Stead presents the heterosexual norm as the paradigm par excellence yet she portrays no happy heterosexual relationships or marriages only miserable compromises More covertly lesbian eroticism pervades her fiction Usually shrouded in silence it imperceptibly surfaces and disappears sliding in and out of the narrative Petersen argues compellingly that although Stead's texts appear on the surface to be saturated with the heterosexual norm this is a façade that masks both lesbian and male homosexual desire By elucidating Stead's subtextual preoccupation with homosexuality Petersen challenges conventional scholarship and shifts our view of both Stead's work and her life **Act of Passion**

He has an ear for dialogue and an eye for nature and a grasp of character that have established *The Land Breakers* as one of the great fictional reckonings with the making of America **Anti-Education** Friedrich Nietzsche, 2015-12-15 AN NYRB Classics Original In 1869 at the age of twenty four the precociously brilliant Friedrich Nietzsche was appointed to a professorship of classical philology at the University of Basel He seemed marked for a successful and conventional academic career Then the philosophy of Schopenhauer and the music of Wagner transformed his ambitions The genius of such thinkers and makers the kind of genius that had emerged in ancient Greece this alone was the touchstone for true understanding But how was education to serve genius especially in a modern society marked more and more by an unholy alliance between academic specialization mass market journalism and the militarized state Something more than sturdy scholarship was called for A new way of teaching and questioning a new philosophy What that new way might be was the question Nietzsche broached in five vivid popular public lectures in Basel in 1872 *Anti Education* presents a provocative and timely reckoning with what remains one of the central challenges of the modern world *Fighting for Life* S. Josephine Baker, 2013-09-24 An engaging and thought provoking memoir of battling public health crises in early 20th century New York City from the pioneering female physician and children s health advocate who caught Typhoid Mary The New York Times New York s Lower East Side was said to be the most densely populated square mile on earth in the 1890s Health inspectors called the neighborhood the suicide ward Diarrhea epidemics raged each summer killing thousands of children Sweatshop babies with smallpox and typhus dozed in garment heaps destined for fashionable shops Desperate mothers paced the streets to soothe their feverish children and white mourning cloths hung from every building A third of the children living there died before their fifth birthday By 1911 the child death rate had fallen sharply and The New York Times hailed the city as the healthiest on earth In this witty and highly personal autobiography public health crusader Dr S Josephine Baker explains how this transformation was achieved By the time she retired in 1923 Baker was famous worldwide for saving the lives of 90 000 children The programs she developed many still in use today have saved the lives of millions more She fought for women s suffrage toured Russia in the 1930s and captured Typhoid Mary Mallon twice She was also an astute observer of her times and *Fighting for Life* is one of the most honest compassionate memoirs of American medicine ever written **Slow Days, Fast Company** Eve Babitz, 2016-08-30 No one burned hotter than Eve Babitz Possessing skin that radiated its own kind of moral laws spectacular teeth and a figure that was the stuff of legend she seduced seemingly everyone who was anyone in Los Angeles for a long stretch of the 1960s and 70s One man proved elusive however and so Babitz did what she did best she wrote him a book *Slow Days Fast Company* is a full fledged and full bodied evocation of a bygone Southern California that far exceeds its mash note premise In ten sun baked Santa Ana wind swept sketches Babitz re creates a Los Angeles of movie stars distraught over their success socialites on three day drug binges holed up in the Chateau Marmont soap opera actors worried that tomorrow s script will kill them off Italian femmes fatales even more fatal than Babitz And she even leaves LA

now and then spending an afternoon at the house of flawless Orange County suburbanites a day among the grape pickers of the Central Valley a weekend in Palm Springs where her dreams of romance fizzle and her only solace is Virginia Woolf In the end it doesn't matter if Babitz ever gets the guy she seduces us *The Green Man* Kingsley Amis, 2013-05-07 The owner of a haunted country inn contends with death fatherhood romantic woes and alcoholism in this humorous rattling good ghost story from a Booker Prize winning author The New York Times Maurice Allington has reached middle age and is haunted by death As he says I honestly can't see why everybody who isn't a child everybody who's theoretically old enough to have understood what death means doesn't spend all his time thinking about it It's a pretty arresting thought He also happens to own and run a country inn that is haunted The Green Man opens as Maurice's father drops dead had he seen something in the room and continues as friends and family convene for the funeral Maurice's problems are many and increasing How to deal with his own declining health How to reach out to a teenage daughter who watches TV all the time How to get his best friend's wife in the sack How to find another drink And another And then there is always death The Green Man is a ghost story that hits a live nerve a very black comedy with an uncannily happy ending in other words Kingsley Amis at his best
