Michel Foucault and the Politics of Freedom Thomas L. Dumm,2002 This edition of a 1995 book Sage Publications contains a new introduction by the series editor and a new preface Readers familiar with Foucault s work will appreciate the difficulty in critically studying its arresting paradoxical nature Dumm political science Amherst College negotiates the problem by creating a thematic framework the idea of being free in a modern Western capitalist democracy and examining it through a Foucaultian lens He focuses on the politics of freedom negative freedom the disciplinary society ethics seduction governments and provides an enlightening companion to Foucault s postmodern philosophy Annotation copyrighted by Book News Inc Portland OR

[The Cambridge Companion to Foucault](#) Gary Gutting,2005-07-18 For Michel Foucault philosophy was a way of questioning the allegedly necessary truths that underpin the practices and institutions of modern society He carried this out in a series of deeply original and strikingly controversial studies on the origins of modern medical and social scientific disciplines These studies have raised fundamental questions about the nature of human knowledge and its relation to power structures and have become major topics of discussion throughout the humanities and social sciences The essays in this volume provide a comprehensive overview of Foucault s major themes and texts from his early work on madness through his history of sexuality Special attention is also paid to thinkers and movements from Kant through current feminist theory that are particularly important for understanding his work and its impact This revised edition contains five new essays and revisions of many others and the extensive bibliography has been updated

Foucault and Theology Jonathan Tran,2011-08-18 **A Primer on Postmodernism** Stanley J. Grenz,1996-02-06 Grenz examines the topography of postmodernism a phenomenon everyone acknowledges but has difficulty describing with precision Of particular significance is his discussion of the challenges this cultural shift presents to the church

The Death of Humanity Richard Weikart,2016-04-04 A book to challenge the status quo spark a debate and get people talking about the issues and questions we face as a country

Foucault and the Kamasutra Sanjay K. Gautam,2016-06-22 The Kamasutra is best known in the West for its scandalous celebration of unbridled sensuality Yet there is much much more to it embedded in the text is a vision of the city founded on art and aesthetic pleasure In *Foucault and the Kamasutra* Sanjay K Gautam lays out the nature and origin of this iconic Indian text and engages in the first serious reading of its relationship with Foucault Gautam shows how closely intertwined the history of erotics in Indian culture is with the history of theater aesthetics grounded in the discourse of love and Foucault provides the framework for opening up an

intellectual horizon of Indian thought To do this Gautam looks to the history of three inglorious characters in classical India the courtesan and her two closest male companions her patron the dandy consort and her teacher and advisor the dandy guru Foucault's distinction between erotic arts and the science of sexuality drives Gautam's exploration of the courtesan as a symbol of both sexual erotic and aesthetic pleasure In the end by entwining together Foucault's works on the history of sexuality in the West and the classical Indian texts on eros Gautam transforms our understanding of both even as he opens up new ways of investigating erotics aesthetics gender relations and subjectivity

The Idea of Decline in Western History Arthur Herman,2010-06-15 Historian Arthur Herman traces the roots of declinism and shows how major thinkers past and present have contributed to its development as a coherent ideology of cultural pessimism From Nazism to the Sixties counterculture from Britain's Fabian socialists to America's multiculturalists and from Dracula and Freud to Robert Bly and Madonna this work examines the idea of decline in Western history and sets out to explain how the conviction of civilization's inevitable end has become a fixed part of the modern Western imagination Through a series of biographical portraits spanning the 19th and 20th centuries the author traces the roots of declinism and aims to show how major thinkers of the past and present including Nietzsche DuBois Sartre and Foucault have contributed to its development as a coherent ideology of cultural pessimism

Sweet Dreams in America Sharon D. Welch,2016-04-22 What does it mean to be an American during this time of ongoing challenges of race and sex discrimination of violence and gross disparities in economic opportunity And where are the activists who traditionally rallied against the ills of America the democrats progressives and leftists to seize upon these enemies In Sweet Dreams in America Sharon Welch charts a way for people in power to inspire others and themselves even if the goals of a gradually improving society and of achieving social justice seem illusory The author links political work to spirituality showing how we can channel the sense of being connected to forces outside ourselves to a larger good

Christopher Marlowe Richard Wilson,2014-07-15 Christopher Marlowe has provoked some of the most radical criticism of recent years There is an elective affinity it seems between this pre modern dramatist and the post modern critics whose best work has been inspired by his plays The reason suggested by this collection of essays is that Marlowe shares the post modern preoccupation with the language of power and the power of language itself As Richard Wilson shows in his introduction it is no accident that the founding essays of New Historicism were on Marlowe nor that current Queer Theorists focus so much on his images of gender and homosexuality Marlowe staged both the birth of the modern author and the origin of modern sexual desire and it is this unique conjunction that makes his drama a key to contemporary debates about the state and the self from pornography to gays in the military Gay Studies Cultural Materialism New Historicism and Reader Response Criticism are all represented in this selection which the introduction places in the light not only of theorists like Althusser Bataille and Bakhtin but also of artists and writers such as Jean Genet and Robert Mapplethorpe Many of the essays take off from Marlowe's extreme dramatisations of arson cruelty and aggression

suggesting why it is that the thinker who has been most convincingly applied to his theatre is the philosopher of punishment and pain Michel Foucault Others explore the exclusiveness of this all male universe and reveal why it remains so offensive and impenetrable to feminism For what they all make disturbingly clear is Marlowe s violent untamed difference from the clichés and correctness of normative society

Postmodernism & a Sociology...(c) , In the fifth volume in the Studies in American Sociology Series Stanford M Lyman offers commentaries on and critiques of postmodernism poststructuralism and deconstruction posing questions concerning theoretical and epistemological problems arising from what appears to be a nouvelle vague Postmodernism poststructuralism and deconstructionism are interrelated aspects of the newest theoretical development in sociology and the social sciences This new wave of thought challenges virtually all paradigms currently in use In this his fifth volume in the Studies in American Sociology Series Stanford M Lyman offers commentaries on and critiques of this new perspective posing questions concerning theoretical and epistemological problems arising from what appears to be a nouvelle vague Among the basic themes and issues explored are the allegation that modernity has defaulted on the promise of the Enlightenment the question of whether the rational basis for knowledge and action is still valid the controversy over the place of metanarratives and macrosociological outlooks and newer concerns over race gender sexual preferences the self and the Other Professor Lyman provides empirically based and historically specific analyses of the relation of the race question to the problem of otherness and to the legal construction of racial identity in American court proceedings Focusing on the issues of citizenship affecting European Middle Eastern and Asian immigrants African Americans and the special cases of the Chinese and Native Americans he relates major public problems to the modern as well as the postmodern perspectives on justice The debate over assimilation and multiculturalism the dynamics of gender specific emotions as expressed in six decades of Hollywood films and the postmodern approach to deviance are each examined He also offers proposals for a social science attuned to but critical of postmodernism and poststructuralism Such a sociology might offer a perspective that treats the drama of social relations in the routine as well as the remarkable aspects of everyday life Professor Lyman provides not only a new understanding of postmodernism but also a program of how to proceed with respect to its challenges

Political Thinking, Political Theory, and Civil Society Steven M. DeLue, Timothy M. Dale, 2021-04-28 This new edition of Political Thinking Political Theory and Civil Society presents a comprehensive overview of the Western tradition of political thought that approaches concepts with the aim of helping readers develop their own political thinking and critical thinking skills This text is uniquely organized around the theme of civil society What is the nature of a civil society Why is it important that will engage students and help make the material relevant Major thinkers discussed in the text are explored not only with the goal of understanding their views but also with an interest in understanding the relationship of their ideas to the notion of a civil society New to this edition Visual aids and pedagogy New chapter on black political theory and civil society including a discussion of protest and BlackLivesMatter in political theory

The Limits of Ferocity Daniel Fuchs, 2011-05-30 A powerful critique of the revolutionary mentality and sexual aggression represented in the works of authors including D H Lawrence Georges Bataille Henry Miller and Norman Mailer

United in Hate Jamie Glazov, 2009 United in Hate analyzes the Left s contemporary romance with militant Islam as a continuation of the Left s love affair with communist totalitarianism in the twentieth century Just as the Left was drawn to the communist killing machines of Lenin Stalin Mao Pol Pot and Castro so too it is now attracted to radical Islam Both the radical Left and radical Islam possess a profound hatred for Western culture for a capitalist economic structure that recognizes individual achievement and for the Judeo Christian heritage of the United States Both seek to establish a new world order leftists in the form of a classless communist society and Islamists in the form of a caliphate ruled by Sharia law To achieve these goals both are willing to wipe the slate clean by means of limitless carnage with the ultimate goal of erecting their utopia upon the ruins of the system they have destroyed

The Palgrave Handbook of Philosophy and Psychoactive Drug Use Rob Lovering, 2024-10-14 In this Handbook philosophers from around the world address the metaphysics epistemology and value of psychoactive mind altering drug use In so doing they attempt to answer questions such as What does the fact of drug induced mind altering experiences tell us about natures of the mind free will and God What does it tell us about what and how we can know Are drug induced mind altering experiences valuable morally aesthetically or otherwise Is the acquisition of drug induced mind altering experiences ever immoral Should the acquisition of drug induced mind altering experiences ever be legally prohibited The Handbook gives an overview of the current research and sets the stage for future directions in philosophical thought relating to psychoactive drug use

Foucault, Christianity and Interfaith Dialogue Henrique Pinto, 2020-11-25 Foucault Christianity and Interfaith Dialogue develops a new model for interfaith dialogue using the work of the French historian of ideas Michel Foucault The author argues that it is the injustice done to the Other by Roman Catholic Protestant and other centred and unitary models of religious pluralism that allows the introduction of Foucault s de centring of transcendence and human reason as an alternative model for understanding religious diversity and the role it ought to play in

the constitution of the self and the making of society This Foucaultian approach provides a new direction for interfaith dialogue in the modern world and leads to an ethical rather than a nihilistic position while fostering a non unitary theology of religious pluralism and an open textured process of self transformation The author s original and imaginative application and expansion of Foucault s concept of the More from The Archaeology of Knowledge 1969 makes important and original contributions to academic work on Foucault and contemporary theology
