A Life-Long Passion Paul van de Velde, 2021-11-01 Anyone who is not astonished at Professor Veth's knowledge knows nothing about knowledge Thus spoke Multatuli one of the most important anti colonial writers Max Havelaar of modern Dutch history P J Veth was the man who discovered Multatuli and he himself was a remarkable pamphleteer With his great knowledge of the Dutch Indies Veth played an influential role in shaping the Dutch identity without the Dutch Indies the 19th century Netherlands would be unthinkable Paul van der Velde describes the turbulent life of Veth and his passion to get the Dutch Indies accepted as an adult partner He was the scourge of the conservative Netherlands and his role in the literary

and political circles of his time was quite remarkable. He was one of the most eminent Dutch scholars with an international reputation. A Life long Passion gives a vivid insight into the life of this exceptional 19th century man. **The Passion of Max Von Oppenheim** Lionel Gossman, 2013. Born into a prominent German Jewish banking family, Baron Max von Oppenheim 1860-1946 was a keen amateur archaeologist and ethnologist. His discovery and excavation of Tell Halaf in Syria marked an important contribution to knowledge of the ancient Middle East while his massive study of the Bedouins is still consulted by scholars today. He was also an ardent German patriot eager to support his country's pursuit of its place in the sun. Excluded by his part Jewish ancestry from the regular diplomatic service, Oppenheim earned a reputation as the Kaiser's spy because of his intriguing against the British in Cairo as well as his plan at the start of the First World War to incite Muslims under British, French and Russian rule to a jihad against the colonial powers. After 1933, despite being half Jewish according to the Nuremberg Laws, Oppenheim was not persecuted by the Nazis. In fact, he placed his knowledge of the Middle East and his connections with Muslim leaders at the service of the regime. Ranging widely over many fields from war studies to archaeology and banking history, *The Passion of Max von Oppenheim* tells the gripping and at times unsettling story of one part Jewish man's passion for his country in the face of persistent and in his later years genocidal anti-Semitism.
