Passion Robert Neumann,1973-01-01 **Passion. Six Literary Marriages ... Translated ... by Brian W. Downs**
Robert Neumann,Brian Westerdale DOWNS,1933 **Passion : six literary marriages** Robert Neumann,1932 **Catalog**
of Copyright Entries. New Series Library of Congress. Copyright Office,1933 **The Faces of Janus** Nicole
Brunnhuber,2005 The author offers an interdisciplinary examination of the German speaking exile experience in Great
Britain from the beginnings of the Nazi regime to the end of the Second World War The book examines the contingencies of
cultural production for German and Austrian exiles against the historical context of British immigration and internment
policies By investigating the influence and manipulation of trends in popular British culture in the English language exile
fiction by Ernest Borneman Robert Neumann Ruth Feiner Lilo Linke and George Tabori the author illustrates how a suspect
minority voiced their socio political concerns in the dominant culture and presents a strong case for the facilities of
polylingualism in literature The book reconstructs biographical and cultural histories of authors whose remarkable success
as English language writers may otherwise risk lingering in obscurity Since the author traces the interaction of historical
events and the personal experience of a range of writers themes of gender based national and religious identities are
addressed Flexible and accessible the book extracts meaning from the politics of popular culture and cultural exchange in the
twentieth century during a period of nationalism acute jingoism and war **An International Annotated Bibliography of**
Strindberg Studies 1870-2005: Autobiographies, novels, poetry, letters, historical works, natural history and
science, linguistics, painting and the other arts, politics, psychopathology, biography, miscellaneous,
dissertations Michael Robinson,2008 This copiously annotated bibliography documents and examines the whole range of
commentary on Strindberg s works and activity in many fields besides the plays for which he is internationally best known
These include his prose fiction and poetry his work as an historian and natural historian and his relationship to the other arts
most notably his painting It is concerned with both lasting works of literary and dramatic criticism as well as reviews of his
books and plays in the theatre and some more ephemeral material all of this in several languages Organised generically and
by subject and individual work the bibliography enables the reader to trace the changing impact of Strindberg and his works
in various countries and during different periods It is thus very much a study in reception as well as a bibliographical record
of published material It traces the developing image of Strindberg and his writing both during his lifetime and in subsequent
years and with frequent cross reference offers a comprehensive overview of a literary and existential project that has rarely
been matched for its multifaceted diversity The bibliography is published in three parts Volume 1 General Studies 978 0
947623 81 4 and Volume 2 The Plays 978 0 947623 82 1 are also now available Michael Robinson is Emeritus Professor of
