Vixen Mary Elizabeth Braddon, 2011-10-01 Popular Victorian era author Mary Elizabeth Braddon rose to literary fame on the popularity of her so called sensation novels which were tales packed with intrigue plot twists and suspense This novel takes a look at the life of a woman who faced with circumstances beyond her control flouts a number of sacrosanct social conventions

The United States and Latin America Fredrick B. Pike, 2010-07-05 The lazy greaser asleep under a sombrero and the avaricious gringo with money stuffed pockets are only two of the negative stereotypes that North Americans and Latin Americans have cherished during several centuries of mutual misunderstanding This unique study probes the origins of these stereotypes and myths and explores how they have shaped North American impressions of Latin America from the time of the Pilgrims up to the end of the twentieth century Fredrick Pike's central thesis is that North Americans have identified themselves with civilization in all its manifestations while viewing Latin Americans as hopelessly trapped in primitivism the victims of nature rather than its masters He shows how this civilization nature duality arose from the first European settlers perception that nature and everything identified with it including American Indians African slaves all women and all children was something to be conquered and dominated This myth eventually came to color the North American establishment view of both immigrants to the United States and all our neighbors to the south

Alien Kind Rania Huntington, 2020-03-23 To discuss the supernatural in China is to talk of foxes and speak of ghosts Ming and Qing China were well populated with foxes shape changing creatures who transgressed the boundaries of species gender and the metaphysical realm In human form foxes were both immoral succubi and good wives good mothers both tricksters and Confucian paragons They were the most alien yet the most common of the strange creatures a human might encounter Rania Huntington investigates a conception of one kind of alien and attempts to establish the boundaries of the human As the most ambiguous alien in the late imperial Chinese imagination the fox reveals which boundaries around the human and the ordinary were most frequently violated and therefore most jealously guarded Each section of this book traces a particular boundary violated by the fox and examines how maneuvers across that boundary change over time the narrative boundaries of genre and texts domesticity and the outside world chaos and order the human and the non human class gender sexual relations and the progression from animal to monster to transcendent As middle creatures foxes were morally ambivalent endowed with superhuman but not quite divine powers like humans they occupied a middle space between the infernal and the celestial

Vixen Jane Feather, 2010-04-21 From bestselling award winning Jane Feather hailed as an author to treasure by Romantic Times comes this passionate tale of an iron willed nobleman who suddenly becomes the guardian of

a mischievous orphaned beauty Chloe Gresham wasn't expecting a warm welcome after all her new guardian was a total stranger But when Sir Hugo Lattimer strode into Denholm Manor after a night of carousing and discovered he'd been saddled with an irrepressible and beautiful young ward the handsome bachelor made it perfectly clear he wanted nothing to do with her Chloe however had ideas of her own Driven by dark memories to a tormenting despair the last thing Hugo needed was an irritating infuriating unpredictable schoolgirl especially one whose stunning beauty and natural sensuality challenged his self control Yet he owed it to the lass to turn her into a proper lady and marry her off to a wealthy young lord in London And by God he would do it if only he could resist the temptation to bring her to his bed and if only he could keep her safe from those who would use an innocent young woman for shameless revenge **Video Vixen** Elaine Raco Chase,2016-03-01 Meet Vixen Mallory the most downloaded fully clothed woman on the Internet Welcome to Sodom's Crossing just south of the equator well actually downtown Manhattan From her billboard in Times Square to her rare vertical photos in Playboy the world was finding it easy to be Vixen ized Shy actress Vicki Kirkland dazzled as cable television's most sexy unscrupulous siren on the world's leading soap opera When investigative journalist Dan Falkner appeared the entire cast of Always Tomorrow joined together to make sure he wouldn't find out their personal secrets Vixen Vikki was the bait to gaslight the journalist There was just one problem Vikki never imagined how easy it would be to enjoy being a vixen and take what she wanted And she wanted Dan Falkner **Vixen (Complete)** Mary Elizabeth Braddon,2020-09-28 Who could resist those little soft hands in doeskin Certainly not Rorie He resigned himself to the endurance of his mother's anger in the future as a price to be paid for the indulgence of his inclination in the present gave Vixen his arm and turned his face towards the Abbey House They walked through shrubberies that would have seemed a pathless wilderness to a stranger but every turn in which was familiar to these two The ground was undulating and vast thickets of rhododendron and azalea rose high above them or sank in green valleys below their path Here and there a group of tall firs towered skyward above the dark entanglement of shrubs or a great beech spread its wide limbs over the hollows here and there a pool of water reflected the pale moonshine The house lay low sheltered and shut in by those rhododendron thickets a long rambling pile of building which had been added to and altered and taken away from and added to again like that well known puzzle in mental arithmetic which used to amuse us in our childhood It was all gables and chimney stacks and odd angles and ivy mantled wall and richly mullioned windows or quaint little diamond paned lattices peeping like a watchful eye from under the shadow of a jutting cornice The stables had been added in Queen Elizabeth's time after the monks had been routed from their snug quarters and the Abbey had been bestowed upon one of the Tudor favourites These Elizabethan stables formed the four sides of a quadrangle stone paved with an old marble basin in the centre a basin which the Vicar pronounced to be an early Saxon font but which Squire Tempest refused to have removed from the place it had occupied ever since the stables were built There were curious carvings upon the six sides but so covered with mosses and lichens that nobody could tell what they

meant and the Squire forbade any scraping process by officious antiquarians which might lead to somebody's forcible appropriation of the ancient basin The Squire was not so modern in his ideas as to set up his own gasometer so the stables were lighted by lanterns with an oil lamp fixed here and there against the wall Into this dim uncertain light came Roderick and Vixen through the deep stone archway which opened from the shrubbery into the stable yard and which was solid enough for the gate of a fortified town Titmouse's stable was lighted better than the rest The door stood open and there was Titmouse with the neat little quilted doeskin saddle still on his back waiting to be fed and petted by his young mistress It was a pretty picture the old low ceiled stable with its wide stalls and roomy loose boxes and carpet of plaited straw golden against the deep brown of the woodwork

Confederate Vixen Teresa Howard, 1993-10-01 As a spy for President Jefferson Davis spirited patriot Kinsey Blake could fight for her beloved South and for the sake of her dead husband she would have her revenge If only the man she suspected of his murder Major Dr Chapman Turner weren't so handsome and charming No sooner had Kinsey set eyes on the virile Union officer than hunger for vengeance exploded in soul searing desire a passion that branded her soul and divided her heart Chap had seen enough blood to last a lifetime and the war was still far from over He needed to escape the chaos and destruction and exquisite emerald eyed Kinsey seemed to offer just such a haven Though he sensed that she harbored dangerous secrets fiery passion soon consumed all doubts Now all Chap wanted was this stormy beauty in his arms for endless nights of soaring rapture two lovers bound forever in a joyous union that knew no sides and took no prisoners
