## Passionate Miss Prudence:

The Passionate Miss Prudence Lisa Noeli, 2005 When a young lady at a library accuses a rakish lord of a scandalous prank he sets out to prove his innocence and teaches her not to judge a book by its cover Original Queenie's Whim Rosa Nouchette Carey, 1894 *Queenie's whim* Roša Nouchette Carey, 1881 Queenie's Whim: A Novel (Complete) Rosa Nouchette Carey, 1906-01-01 I have always thought the history of the ugly duckling one of the truest and most pathetic of all stories It commences in the sad minor key a long prelude of oppression of misunderstanding The unknown creature sombre of plumage makes no way among its companions its folded up beauties remain hidden The duck pond represents the world Amidst plenty of quackery and folly the weaker goes to the wall By and by the key changes the long neck arches above the weeds amid a burst of triumph the ugly duckling sails away into fairy land a beautiful swan After all there is a wonderful moral hidden under these quaint old stories Beauty and goodness always go together the ugly sister dropping toads instead of diamonds and roses is only the poetical incarnation of envy and discontent truth and mercy and kindness to the aged always unfold themselves under the garb of a beautiful young girl And so the children glean precious stones of wisdom odd shaped and many colored out of the fanciful borders of fairy land Queenie Marriott once compared herself and her little sister Emmie to the ugly duckling of the fable There must be two of them she said only it was dubious whether either of them would become swans No one at Granite Lodge understood them certainly not Miss Titheridge or the other teachers or the girls unless it were Cathy and even Cathy much as she loved them voted them peculiar Queenie was only speaking metaphorically when she made this droll simile the grave young teacher Madam Dignity as the other girls had nicknamed her was sufficiently alive to her own attractions not to fear unjust comparisons Without being handsome Queenie was woman enough to know that her clear brown complexion white teeth and brown velvety eyes would win a certain amount of commendation Queenie's eyes as she well knew were her strong point they were of singular depth and expression Some one once remarked that they reminded him of brown wells for they had no bottom Somebody was right but they were not mild eyes for all that But we must tell how Queenie Marriott became a teacher at Miss Titheridge's in the select establishment for young ladies at Granite Lodge where her little sister Emmie was a sort of foundation scholar or demi semi boarder as one witty young lady described her with reference to the somewhat scanty scholastic privileges eked out by Miss Titheridge in return for unmitigated drudgery on Queenie's part and a trifling stipend paid out of Queenie's poor little purse the contents of which barely sufficed to find them in decent clothing Her own and part of Emmie's board were all the wages Queenie received for her endurance and patient labor and half of the miserable little pittance of forty pounds a year left to her by her mother was paid quarterly into Miss Titheridge's hand invariably received by Miss Titheridge in the same stony manner and acknowledged in the same words I hope you and Emily will always be grateful to us Miss Marriott for the handsome and gratuitous manner in which my poor sister and myself have befriended you the second Miss Titheridge had been dead fifteen

years but it was Miss Titheridge's way always to associate the deceased as though she were still the partner of her labors. There would have been very few in this mercenary world who would have acted as generously but as Caroline always beautifully puts it we do it not to be seen of men. After which speech it was odd that the visitors to Granite Lodge when they were ushered into the school room always gazed curiously at the young teacher and then at a certain closely cropped head in the darkest corner and went out whispering to themselves of Miss Titheridge's Christianity and magnanimity of soul. In more than one case the story turned the scale in the mind of a dubious parent who after such a recital could not but trust their darlings under the care of so good a creature as Miss Titheridge. My dear she actually supports those two poor orphans she assured me that a few pounds are all she receives and that is pressed upon her. Can you conceive such generosity went on one warm-hearted visitor the mother of seven female hopes at least to Miss Titheridge a poor hard working school mistress and treats them as though they were her own daughters. **The Windsor Magazine**, 1922 The Shape of Fear Elia Wilkinson Peattie, 2022-08-01 **Mail Order Bride - Prudence's Destiny** Karla Gracey, 2017-05-01 Prudence Wimbourne is a ballet dancer but a terrible accident ends her career abruptly. Now all her hard work and the sacrifices made by her and her family feel as though they have been for nothing. She longs to escape and to find a new life with a man who understands how hard it is for her to leave everything behind. Matthew Carrington longs to find a place he might call home. Tired of never having a home and travelling from town to town as a member of a travelling troupe of actors he has saved his earnings but never knew what to do with them until he meets some of the townsfolk of Faith Creek and knows he could make a life there. But as he builds his own theater he realizes that there is still something missing. Selected Works of Elia Wilkinson Peattie Elia Wilkinson Peattie, 2020-09-28 ONE who enters Chicago unacquainted with it having no open sesame to its hospitable doors knowing the city only by its streets its hotels and its theatres is disturbed by an unpleasant emotion. If he comes from some well regulated cultivated and placid town of the eastern part of this country or from England or Germany he feels shaken out of poise and peace by a tremendous discord. He sees a city ankle deep in dirt swathed in smoke wild with noise and frantic with the stress of life. He sees confusion rampant and the fret and fume of the town rise and brood above it like hideous Afrits. But as time goes on and even supposing the man continues to remain a stranger among the two millions of his fellow men who make up the city he experiences a change of sentiment. He ceases to be shocked and becomes interested. It occurs to him that if commerce is ever epic it is so here. He feels the beat of the city like the vibration of mighty drums and the thing he thought a discord he discovers to be the rhythm of great movements. The drab sky the dirty streets the dusky air the dark clothed figures of the people are all in harmony and it seems dramatically fitting that a city in the throes of its toil should wear its working clothes. It is grimy with its labor and breathless and noisy forging its Balmung with mighty shouts. He who comes to Chicago to seek his fortune possessing delicate traditions having been brought up among persons of similar traditions is confused and angered by the treatment he receives. He discovers that he must be successful if he would be

noticed that he must be in need if he would be helped But if he makes his way in law abiding frugal and lonely fashion he will attract no attention And first and last in poverty and in riches in sickness and in health the town will roar at him if he is afraid it will roar twice as loud as it did before Its furnaces and forges its cable systems and syndicates its slaughterhouses and wheatpits its railroads and elevators its greedy breadwinners and greedy millionaires and the boats upon its filthy river will all roar So inevitably at last in a puny way he will roar back He will say Chicago has no peace no leisure no aspirations save those of a materialistic sort no religion no refinement Sometimes even after he has found he is mistaken in saying these things he will go on saying them because he cannot forgive Chicago for enticing him with her commercial allurements away from the home of his youth and the things to which he was born He lays to her account all the pangs of homesickness which he suffers and he misrepresents her as it is the fate of new cities to be misrepresented
