The Passionate Sightseer. From the Diaries 1947 to 1956, Etc. [With Illustrations.]. Bernhard BERENSON,1960 **The Passionate Sightseer** Bernard Berenson,1960 **The Passionate Sightseer** Bernard Berenson,2003-01-01 **The Passionate Sightseer** Bernard Berenson,1961 **The Passionate Sightseer** Richard Berenson,1969 *The Passionate Sightseer* Bernard Berenson (Historien d'art),1960 **The Passionate Sightseer** Bernard Berenson,1966 *The Passionate Sightseer* Bernard Berenson,1960 *The Passionate Sightseer from the Diaries 1947 to 1956. Preface by Raymond Mortimer* Bernart Berenson,Raymond Mortimer,1960 *Bernard Berenson: The Passionate Sightseer* Bernard Berenson,1960 **The passionate sightseer** Bernard Berenson,1960 **The Passionate Sightseer** ,1960 Diaries written to record the art critic s journeys to North Africa Sicily and Italy during the post war period presenting some of his last thoughts on life and art **Botticelli's Secret: The Lost Drawings and the Rediscovery of the Renaissance** Joseph Luzzi,2022-10-25 One of The New Yorker s Best Books of the Year A lively book Luzzi brilliantly sets the operatic stage of vibrant violent Renaissance Florence and brings to life the characters who helped resurrect Botticelli Max Norman Wall Street Journal Some five hundred years ago Sandro Botticelli a painter of humble origin created works of unearthly beauty A star of Florence s art world he was commissioned by a member of the city s powerful Medici family to execute a near impossible project to illustrate all one hundred cantos of The Divine Comedy by Dante Alighieri the ultimate visual homage to that divine poet This sparked a gripping encounter between poet and artist between the religious and the secular between the earthly and the evanescent recorded in exquisite drawings by Botticelli that now enchant audiences worldwide Yet after a lifetime of creating masterpieces including Primavera and The Birth of Venus Botticelli declined into poverty and obscurity His Dante project remained unfinished Then the drawings vanished for over four hundred years The once famous Botticelli himself was forgotten The nineteenth century rediscovery of Botticelli s Dante drawings brought scholars and art lovers to their knees this work embodied everything the Renaissance had come to mean From Botticelli s metaphorical rise from the dead in Victorian England to the emergence of eagle eyed connoisseurs like Bernard Berenson and Herbert Horne in the early twentieth century and even the rescue of precious art during World War II and the fall of the Berlin Wall in 1989 the posthumous story of Botticelli s Dante drawings is if anything even more dramatic than their creation A combination of artistic detective story and rich intellectual history Botticelli s Secret shows not only how the Renaissance came to life but also how Botticelli s art helped bring it about and most important why we need the Renaissance and all that it stands for today *Jews in an Illusion of Paradise* Norman Simms,2017-03-07 The focus of this volume is on essential themes images and generic patterns beginning with a Talmudic legend about four scholars They by means of daring mystical interpretations of Scripture entered a Paradise representing different means of imaginative reading perception memory and application of the law One of them died one went mad another became a heretic and the other came back as a traditional exegete and

teacher Based on that legend this book examines a small group of late 19th and early 20th century European Jewish intellectuals and artists in the light of their dreams writings and moments of crisis These men and women comedians in both the sense of stage actors and clowns or witty performers believed they had entered a new secular and tolerant society but discovered that there was no escape from their Jewish heritage and way of seeing the world This monograph looks into the imperfect mirror of cultural experience discovers a hazy world of illusions dreams and nightmares on the other side of the looking glass and sometimes constructs a midrashic conceit of the comical and grotesque screen between them *The Reformation of the Twelfth Century* Giles Constable,1998-05-28 A study of the changes in religious thought and institutions c 1180 c 1280 **A Literary Companion to Rome** John Varriano,1995-05-15 Arranged as a series of walks through the city this book is both an illuminating guide for the visitor to Rome and a delight to read at home for those who love the city and want to enrich their knowledge of it Includes 10 walking tours illustrations **My Dear BB ...** Bernard Berenson,2015-01-01 In 1925 the 22 year old Kenneth Clark 1903 1983 and the legendary art critic and historian Bernard Berenson 1865 1959 met in Italy From that moment they began a correspondence that lasted until Berenson s death at age 94 This book makes available for the first time the complete correspondence between two of the most influential figures in the 20th century art world and gives a new and unique insight into their lives and motivations The letters are arranged into ten chronological sections each accompanied by biographical details and providing the context for the events and personalities referred to They were both talented letter writers informative spontaneous humorous gossipy and in their frequent letters they exchanged news and views about art and politics friends and family life collectors connoisseurship discoveries books read and written and travel Berenson advised Clark on his blossoming career warning against the museum and commercial art worlds while encouraging his promise as a writer and interpreter of the arts Above all these letters trace the development of a deep and intimate friendship *The Parables of Jesus and the Problems of the World* Richard Q. Ford,2016-09-09 Remarkable is how extensively in each parable Jesus provides a subtle but rich array of unexpected possibilities hidden within the hierarchies of power so commonplace in his world By doing so he profoundly addresses the perils inherent in the prerogatives of many of us living in today s world In these ancient interpersonal tragedies readers can discover modern global analogues where the powerful still control the powerless and where others of us immersed as we are in privilege are still willing to side with control *Nino Pirrotta* Anthony M. Cummings,2013-01-01 As a scholarly discipline and doctoral level univ course musicology the academic study of music in its historical and anthropological contexts is about a century old This is the first full scale portrait of one of musicology s most distinguished practitioners Nino Pirrotta 1908 98 was educated in Palermo and Florence but was not able to study music history systematically so he created his own distinctive vision of the discipline After appointments at the conservatories of Palermo and Rome Pirrotta was named head of the music library and Prof of Music at Harvard 1956 71 and thereafter Prof of Music History at the Univ of Rome 1972 78

Cummings analyzes and interprets Pirrotta's writings and identifies the features that characterize the celebrated humanist Illus
