Passions Bargain:

The Passion Bargain Michelle Reid, 2010-08-01 Carlo Carlucci won't take no for an answer. The passionate Italian pursues tour guide Francesca Bernard who stirs him with her beauty and innocence more than any other woman. But Francesca is also an heiress and already engaged to a man whom Carlo believes is a gold digger. There's only one way he can protect Francesca and satisfy his desire and that's to claim her for himself as his wife. **Love in a Passion Without Discretion, Or The Young Merchants Sudden Bargain, and the Cook-maids Happy Fortune**, 1709 **The Latin Passion Play** Sandro Sticca, 1970-06-30 In this first comprehensive study of the Latin Passion play, Professor Sticca examines the medieval liturgical ceremonies commemorating the events in Christ's Passion and traces their gradual change in character from the contemplative to the dramatic. The author shows that while Christ's Passion became increasingly popular as one of the sacred mysteries beginning in the tenth century, new forces that allowed a more eloquent and humane visualization and description of Christ's anguish first appeared in the eleventh and twelfth centuries. Professor Sticca analyzes the earliest extant Latin Passion play, the twelfth-century Montecassino codex, and compares it with other Latin and vernacular Passion plays. He refutes the traditional view that the *Planctus Mariae* is the germinal point of the Latin Passion play and then offers a new theory of its inception. As a literary form, the Latin Passion play appears to Professor Sticca as a creation of the Montecassino monastic circle, which was inspired by the liturgical services of Good Friday and the Gospel accounts. Particularly influential also were three themes that developed in the eleventh century in liturgy: a concentration on Christocentric piety in art; a more humanistic treatment of Christ; and in literature, a consideration of the scenes of the Passion as dramatic and human episodes. In the course of this investigation, Professor Sticca also reappraises traditional views of the origin of the medieval liturgical drama, indicating that it should not be traced exclusively to the tropes from the schools of St Gall and St Martial of Limoges but rather to a number of sources. **Collective Bargaining in the Anthracite Coal Industry** Edgar Sydenstricker, 1916 **The Darkest Passion** Gena Showalter, 2016-04-11 New York Times bestselling author Gena Showalter returns with another sizzling installment of the *Lords of the Underworld* series as Aeron, keeper of the demon of Wrath, finally meets his match.
