The Passion Story: From Visual Representation to Social Drama, *The Passion of Interpretation* W. Dow Edgerton, 1992-01-01 In this book W Dow Edgerton reviews narratives from the Bible the Talmud Greek mythology and modern fiction in order to provide a better understanding of the nature and work of interpretation Disclosed are rich complex and compelling possibilities for imagining the work of interpretation and what it means to do that work in a time when so much is needed and so much is possible The Literary Currents in Biblical Interpretation series explores current trends within the discipline of biblical interpretation by dealing with the literary qualities of the Bible the play of its language the coherence of its final form and the relationships between text and readers Biblical interpreters are being challenged to take responsibility for the theological social and ethical implications of their readings This series encourages original readings that breach the confines of traditional biblical criticism Poor Folk and Other Stories Fyodor Dostoyevsky, 1988-11-24 With their penetrating psychological insight and their emphasis on human dignity respect and forgiveness Dostoyevsky's early short stories contain the seeds of the themes that came to his major novels Poor Folk the author's first great literary triumph is the story of a tragic relationship between an impoverished copy clerk and a young seamstress told through their passionate letters to each other In *The Landlady* Dostoyevsky portrays a dreamer hero who is captivated by a curious couple and becomes their lodger Mr Prokharchin inspired by a true story is a sly comedy centring on an eccentric miser and Polzunkov is a powerful character sketch which in common with the other tales in this volume questions the very nature of existence

The Aspern Papers and Other Stories Henry James, 2009-01-29 An unscrupulous critic determined to get his hands on the private papers of a great poet finds himself duelling with the grim old lady who was once the poet's mistress and muse Aspern's lost world of beauty and romance still seems to hand in the glamorous air of Venice but the price of admission turns out to involve another party the old woman's unmagical niece What exactly is Aspern's admirer prepared to pay In the other stories collected here *The Private Life* *The Middle Years* and *The Death of the Lion* the elusive figure of the writer again arouses passions of pursuit and dispute among rival admirers and patrons James never wrote more pointedly about the pleasures and pains of the writer or more wittily about the public that seeks to profit from him ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more **The Queen of Spades and Other Stories** Alexander Pushkin, 2009-01-29 The Queen of Spades has long been acknowledged as one of the world's greatest short stories In this classic literary representation of gambling Alexander Pushkin explores the nature of obsession Hints of the occult and gothic alternate with scenes of St Petersburg high society in the story of the passionate Hermann's quest to master chance and make his fortune at the card table Underlying

the taut plot is an ironical treatment of the romantic dreamer and social outcast This volume contains three other major works of Pushkin s fiction moving from the witty parodies of sentimentalism and high melodrama in The Tales of Belkin to an early experiment with recreating the past in Peter the Great s Blackamoor It concludes with the novel length masterpiece The Captain s Daughter which combines historical fiction in the manner of Sir Walter Scott with the colour and devices of the Russian fairy tale in a narrative of rebellion and romance These new translations as well as being meticulously faithful to the original do full justice to the elegance and fluency of Pushkin s prose The Introduction provides insightful readings of the stories and places them in their European literary context A chronology of the Pugachov Uprising illuminates the events in The Captain s Daughter ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more **People of Passion** Carl Mays,2003

A Passion for Books D. Salwak,1999-04-23 Leading writers and critics including Margaret Drabble Alan Sillitoe and Ferdinand Mount share their passion for books and the joys of reading in an inspiring collection of essays and writings A Passion for Books is both a celebration of the value and importance of reading and a spirited defence against the many gloomy voices in our so called electronic age who say the book will soon be obsolete This book itself a joy to read is written for anyone who cares at all about the past and future of books and reading The Figure in the Carpet and Other Stories Henry James,2007-12-06 The stories in this collection were written mostly between 1888 and 1897 a time when Henry James s writing was concerned with the art of fiction and the position of the artist in society The motif and title story The Figure in the Carpet is an inspired joke a masterpiece of double entendre that demands the reader s undivided love and attention and continues to baffle its critics Also included are The Author of Beltraffio an absorbing story of family infighting authorship and tragedy and The Private Life a spirited tale that considers the contrast between the artist alone and at work While many of these stories appear to be elaborate Jamesian games all employ irony and humour to allegorize artistic creation *Conan Volume 2: The God in the Bowl and Other Stories* Kurt Busiek,2005-10-04 The critically acclaimed and award winning creative team behind the runaway hit revival are back with a brand new adaptation of one of Conan creator Robert E Howard s best known tales Award winning writer Kurt Busiek and artists Cary Nord and Dave Stewart render the glorious suspense of Howard s beloved The God in the Bowl in all its terrifying detail as well as introducing not only Conan s most famed adversary Thoth amon but a new female foil to Conan s exploits Janissa the Widowmaker bound by a pact to a witch who has

sinister plans for Conan Collecting issues 7 9 14 of the Dark Horse series Writer Kurt Busiek treats him with the dignified respect due as one of the towering figures in fantasy literature it feels like historians unearthed a vibrant bloody tapestry These are once again the days of high adventure Entertainment Weekly Conan is an action packed spectacle a barbarian blockbuster with a brain and an epic as intelligent as it is visually stunning Wizard Magazine The Ruling Passion Christopher Lane,1995 In The Ruling Passion Christopher Lane examines the relationship between masculinity homosexual desire and empire in British colonialist and imperialist fictions at the turn of the twentieth century Questioning the popular assumption that Britain's empire functioned with symbolic efficiency on sublimated desire this book presents a counterhistory of the empire's many layers of conflict and ambivalence Through attentive readings of sexual and political allegory in the work of Kipling Forster James Beerbohm Firbank and others and deft use of psychoanalytic theory The Ruling Passion interprets turbulent scenes of masculine identification and pleasure power and mastery intimacy and antagonism By foregrounding the shattering effects of male homosexuality and interracial desire and by insisting on the centrality of unconscious fantasy and the death drive The Ruling Passion examines the startling recurrence of colonial failure in narratives of symbolic doubt and ontological crisis Lane argues compellingly that Britain can progress culturally and politically only when it has relinquished its residual fantasies of global mastery **The Prussian Officer and Other Stories** D. H. Lawrence,1995-06-01 Twelve stories of remarkable power and sensitivity from one of Britain's great modernists His first published collection these twelve stories were written between 1907 and 1914 during a crucial period of development for Lawrence from which he emerged a leading figure of the modernist movement Reaching new levels of feeling and experience these stories range from the tale of a Prussian officer who drives his orderly towards a bloody reckoning to the strangely exotic elements of A Fragment of Stained Glass and the divisions within society and conflicts of the heart that form the central themes of Daughters of a Vicar Interweaving individual lives their happiness failures and defeats with the profound forces of nature Lawrence has created stories of remarkable power and sensitivity This Penguin edition reproduces the newly established Cambridge text which is based on Lawrence's manuscripts typescripts and corrected proofs For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators **The Elegiac Passion** Ruth Rothaus Caston,2012-08-01 The passions were a topic of widespread interest in antiquity as has been shown by the recent interest and research in the emotions in Greek and Roman literature Until now however there has been very little focus on love elegy or its relation to contemporary philosophical positions Yet Roman love elegy depends crucially upon the passions without love anger jealousy pity and fear elegy could not exist at all The Elegiac Passion provides the first

investigation of the ancient representation of jealousy in its Roman context as well as its significance for Roman love elegy itself. The poems of Propertius, Tibullus, and Ovid are built upon the presumed existence of a love triangle involving poet, mistress, and rival; the very structure of elegy thus creates an ideal scenario for the arousal of jealousy. This study begins by examining the differences between the elegiac treatment of love and that of philosophy, whether Stoic or Epicurean. Ruth Caston uses the main chapters to address the depiction of jealousy in the love relationship and explores in detail the role of the senses, the role of readers both those internal and external to the poems, and the use of violence as a response to jealousy. Elegy provides a multi-faceted perspective on jealousy that gives us details and nuances of the experience of jealousy not found elsewhere in ancient literature. She argues that jealousy turns centrally on the question of *fides*. The fear of broken obligations and the consequent lack of trust are relevant not only to the love affair that forms the subject of these poems but to many other relationships represented in elegy as well. Overall, she demonstrates that jealousy is not merely the subject matter of elegy; it creates and structures elegy's various generic features. Jealousy thus provides a much more satisfying explanation for the specific character of Roman elegy than the various theories about its origins that have typically been put forward.

Pauline's Passion and Punishment Louisa Alcott, 2009-02-27 *Pauline's Passion and Punishment* 1862 by Louisa May Alcott is the first of the series of blood and thunder tales published under the pseudonym of A. M. Barnard that shows the darker side of the author. The story is about a scorned and obsessive woman. Critical Passions Jean Franco, 1999 The author, one of the most influential Latin Americanists in the US, has published a number of books but none display the importance of her work in literary criticism, cultural studies, and Marxist and feminist theory as successfully as this collection. *Trinity of Passion* Alan M. Wald, 2011-04-01 The second of three volumes by Alan Wald that track the political and personal lives of several generations of US left-wing writers. *Trinity of Passion* carries forward the chronicle launched in *Exiles from a Future Time*. *The Forging of the Mid-Twentieth Century Literary Left*. In this volume, Wald delves into literary, emotional, and ideological trajectories of radical cultural workers in the era when the International Brigades fought in the Spanish Civil War 1936-39 and the United States battled in World War II 1941-45. Probing in rich and haunting detail the controversial impact of the Popular Front on literary culture, he explores the ethical and aesthetic challenges that pro-Communist writers faced. Wald presents a cross-section of literary talent from the famous to the forgotten, the major to the minor. The writers examined include Len Zinberg, a.k.a. Ed Lacy, John Oliver Killens, Irwin Shaw, Albert Maltz, Ann Petry, Chester Himes, Henry Roth, Lauren Gilfillan, Ruth McKenney, Morris U. Schappes, and Jo Sinclair. He also uncovers dramatic new information about Arthur Miller's complex commitment to the Left, confronting heartfelt questions about Jewish masculinity, racism at the core of liberal democracy, the corrosion of utopian dreams, and the thorny interaction between antifascism and Communism. Wald re-creates the intellectual and cultural landscape of a remarkable era. **A Passion for Books** Harold Rabinowitz, Rob Kaplan, 2007-12-18 A collection of sixty classic and contemporary essays, stories, lists, poems,
