Hunting Men Dave Smith, 2006-12-01 In *Hunting Men* poet Dave Smith reasserts the validity of poetry in our times With eloquence grace and a searching intelligence Smith illuminates both poems and poets Believing that great poetry cannot be

divorced from an intimate organic link to place he builds a compelling case for the importance of southern poets Like the hunters who taught Smith as a young man patience observation and willingness to rely on his senses he leads readers on an expedition through a specific poetic place with a sure sense of direction and destination Beginning with a discussion of southern poetry that seeks to define the form and its value for a global readership the first of the book's three sections also includes reflections on Edgar Allan Poe John Crowe Ransom Robert Penn Warren and James Dickey In the second part Smith focuses on contemporary poets Richard Hugo Stephen Dunn Stephen Dobyns and Larry Levis among others In the final chapters he examines how he came to be a poet and reflects on the nature and practice of poetry Smith describes himself as a poet born and raised in the South but never entirely comfortable with the neighborhood or many of the public assumptions about southernness By describing why southern poetry is important to him he reveals why poetry matters to all of us as he asserts the moral weight of regional art My success if it occurs will be to send readers to the books of the poets where the world as they knew it waits and is full of the delights of the unglimped and known **Ransom's Bride** Ginger Hanson, 2004

When a cavalry officer returns home at the end of the Civil War and discovers his fiancée is dead he finds comfort and true love in the arms of her loyal sister Original *Passion* Bobbi Smith, 1998-07-01 Against a panorama that sweeps from the pageantry of ancient Britain to the untamed wilds of a primitive Viking kingdom beloved author Bobbi Smith weaves a powerful story of intrigue adventure and glorious love To escape a forced marriage to the brutal Prince Edmund Lady Dynna fled her father's castle only to spy a viking ship with blood red sails landing along the Saxon coast Aboard was Brage the magnificent Norse warrior they called the Black Hawk a man who had come for to battle for booty and for captives Yet on this day Brage would be wounded and betrayed He would fall captive to the hated Saxons and to a passion that enslaved his very soul For there on the misty shore he beheld a woman of unsurpassed loveliness a tender spirited beauty who secretly used her healing arts to save his life Unable to resist the desire that ran like wildfire through their veins Dynna and Brage risked dishonor and even death for a love as dangerous as it was forbidden **Passion Narratives and Gospel Theologies** Frank Matera, 2001-06-28

Although the passion narratives of the synoptic gospels can be read as free standing narrative each one of them is the goal and climax of the Gospel story that precedes it In *Passion Narratives and Gospel Theologies* Frank Matera describes the intimate relationship between the theology of each of the synoptic gospels and its passion narrative Matera's study of the Markan passion narrative in light of the Gospel's theology shows that no one can confess that Jesus is the Son of God until he or she acknowledges Jesus as the crucified Messiah and no one can be Jesus disciple unless he or she accepts the scandal of the cross While the Gospel of Matthew continues to develop the great themes of Mark's gospel Matera argues that its passion narrative manifests a distinctive ecclesiological and ethical outlook in light of its unique gospel theology Finally Matera demonstrates how the Lukan passion narrative by presenting Jesus as a model of innocent suffering also contains a distinctive outlook in light of its gospel theology God's righteous suffer afflictions by trial and persecution

Comprehensive in scope and clearly written *Passion Narratives and Gospel Theologies* provides a much needed introduction to the synoptic passion narratives and the theology of each evangelist. It will be welcome by students and pastors. **Passion and Virtue** David Blewett, 2001-01-01 Richardson's novels reveal the conflict of human passion in all its aspects: love, lust, and suffering. This conflict is considered and critically analysed in fourteen essays, all originally published in *Eighteenth Century Fiction*. **St. Matthew Passion** Hans Blumenberg, 2021-11-15 St. Matthew Passion is Hans Blumenberg's sustained and devastating meditation on Jesus's anguished cry on the cross: "My God, my God, why have you forsaken me? Why did this abandonment happen? what does it mean within the logic of the Gospels? how have believers and nonbelievers understood it, and how does it live on in art? With rare philological acuity and vast historical learning, Blumenberg unfolds context upon context in which this cry has reverberated from early Christian apologetics and heretics to twentieth-century literature and philosophy. Blumenberg's guide through this unending story of divine abandonment is Johann Sebastian Bach's monumental *Matthäuspassion*, the parabolic mirror that bundled eighteen hundred years of reflection on the fate of the crucified and the only available medium that allows us, post-Christian listeners, to feel the anguish of those who witnessed the events of the Passion. With interspersed references to writers such as Goethe, Rilke, Kafka, Freud, and Benjamin, Blumenberg gathers evidence to raise the singular question that, in his view, Christian theology has not been able to answer: How can an omnipotent God be so offended by his creatures that he must sacrifice and abandon his own Son? *Pondering the Passion* Philip A. Cunningham, 2004-10-22 This collection is a must reading for anyone seeking a deeper understanding of Christ's Passion. [Passion's Exile](#) Glynnis Campbell, 2012-02-22 Haunted by an unforgivable crime, the once noble swordsman Sir Pierce of Mirkhaugh now wanders Scotland as the sword for hire known as Blade. His latest mission, to unmask two assassins among the pilgrims bound for St. Andrews, goes awry when spirited Rosamund of Averleigh joins the entourage, tempting Blade from his solitude and making him believe in redemption. What he doesn't know is that Rose is fleeing for her life. With an abusive bridegroom tracking her, her only hope is to seek refuge as a nun until she meets Blade, who awakens her passions and destroys her best-laid plans. **The Prince of Darkness** Jeffrey Burton Russell, 2016-03-10 The Devil, Satan, Lucifer, Mephistopheles: throughout history, the Prince of Darkness, the Western world's most powerful symbol of evil, has taken many names and shapes. Jeffrey Burton Russell here chronicles the remarkable story of the Devil from antiquity to the present. While recounting how past generations have personified evil, he deepens our understanding of the ways in which people have dealt with the enduring problem of radical evil. After a compelling essay on the nature of evil, Russell uncovers the origins of the concept of the Devil in various early cultures and then traces its evolution in Western thought from the time of the ancient Hebrews through the first centuries of the Christian era. Next, he turns to the medieval view of the Devil, focusing on images found in folklore, scholastic thought, art, literature, mysticism, and witchcraft. Finally, he follows the Devil into our own era, where he draws on examples from theology, philosophy, art, literature, and popular culture to describe the great changes in

this traditional notion of evil brought about by the intellectual and cultural developments of modern times Is the Devil an outmoded superstition as most educated people today believe Or do the horrors of the twentieth century and the specter of nuclear war make all too clear the continuing need for some vital symbol of radical evil A single volume distillation of Russell's epic tetralogy on the nature and personification of evil from ancient times to the present published by Cornell University Press between 1977 and 1986 The Prince of Darkness invites readers to confront these and other critical questions as they explore the past faces of that figure who has been called the second most famous personage in Christianity The Ruling Passion Henry Van Dyke,1901 *Passion to Dance* James Neufeld,2011-10-23 This is the story of the National Ballet of Canada the people the determination and how at sixty it is still creating new work while still representing the classics *Passion to Dance* is the story of the National Ballet of Canada the people who dreamt the company into existence the determination needed to keep it afloat the bumps on the road to its success and above all its passion for dance as a living evolving art form From catch as catch can beginnings borrowed quarters tiny stages enormous dreams the National Ballet has emerged as one of North America's foremost dance troupes The company at sixty is a company of its time engaged in creating challenging new work yet committed to maintaining the classics of the past favourites like Swan Lake The Nutcracker and The Sleeping Beauty One hundred and fifty photographs from the company's archives illustrate this definitive history filled with eyewitness accounts backstage glimpses and fascinating detail This is a record of one of Canada's boldest cultural experiments a book to enjoy now and keep forever *Passion of Christ, Passion of the World* Leonardo Boff,1993 **The Passion of Christ** James Samuel Stone,1912 A Third For Your Quiet Meditation William Flewelling,2025-01-13 These meditations take a verse from one of the lectionary texts not chosen for preaching for a given service and offer a devotional reflection on the verse often using the context of the entire pericope as prescribed in the Revised Common Lectionary for context as needed I try to make the meditations worth the while of my readers having found a fairly broad readership among the congregations I served through the years This book covers the years 2020 through 2024 Passion and Pretense Susan Gee Heino,2012-03-06 After four disastrous engagements Penelope Rastmoor wants nothing but to travel to Egypt To escape her brother's plan to marry her off she's determined to find herself such an improper fiancée that he would do anything rather than let her wed Enter the notoriously unscrupulous Lord Harris Chesterton
