**Jesus on Stage** Philip Oakeshott, 2019-12-27 Jesus on Stage argues that the Gospel of John is in its present form an ancient historical novel but that the evangelist's first version was his own draft for a Greek play The development of Greek

drama at Athens is briefly described with new suggestions on some details and the continuing influence of the great Greek tragedians in the 1st Century AD is shown Then the internal evidence in the gospel which points to an earlier draft play is marshalled not merely dramatic scenes some of which echo Sophocles but speeches only appropriate to the stage puzzling features which make sense if they were devised with theatrical presentation in mind others which suggest the chorus of a play and a drastic reshaping of the Synoptic storyline to centre the whole work on Jerusalem with a Jesus who resembles the hero of a play All this has later been expanded to form a novel including incidents in the mystery and suspense tradition beloved by ancient novelists But the book is not only for scholars anyone re examining John s gospel from this standpoint will find new depths in the evangelist s seldom historical but deeply spiritual creation     The English Church William Hunt,1899

Baker,2014-05-01 Written by a former Roman Catholic of eighteen years and former candidate for the Roman Catholic priesthood Dr Todd Baker objectively and honestly examines the grandiose claims of the Papacy and the Roman Catholic Church in the critical light of Scripture and the

evidence of history to show where Rome has greatly erred This multi volume work provides a controversial overview on the basic doctrines distinctive of Roman Catholicism so the open Catholic can learn how these beliefs practices and traditions of Rome contradict Scripture and do not have the support of a consistent uniform history from the days of Jesus the apostles and the first three centuries of the early church and on With over 1 billion adherents to the Roman Catholic Church it is incumbent for the Bible believer to know the difference between the real Gospel of Scripture versus the Gospel of Rome and how they are not one and the same Gospel in the end In a day of man pleasing ecumenical compromise with Rome this book is sorely needed to remind the Protestant church that the real differences between Rome and the Bible have not changed since the Reformation and must be reiterated and defended today on the exclusive ground of Scripture alone being the supreme authority in faith and practice for every Christian believer Dr Todd D Baker is president of Brit Hadashah Ministries and Pastor of Shalom Shalom Messianic Congregation in Dallas Texas He holds a Bachelor of Science degree in biblical studies a Master of Theology degree from Dallas Theological Seminary and a Ph D in Philosophy and Apologetics from Trinity Seminary under the auspices of Liverpool University at Liverpool England He is the staff theologian and writer for Zola Levitt Ministries and has appeared on the television program Zola Levitt Presents several times With his extensive experience in Jewish evangelism he conducts Gospel outreaches to Israel three times a year
