Africa Overland Siân Pritchard-Jones,Bob Gibbons,2014-05-02 The definitive guide for adventurers crossing the continent since its

first edition in 1991 *Ignite: A Decolonial Approach to Higher Education Through Space, Place and Culture* Laura M. Pipe, Jennifer T. Stephens, 2023-05-09 Social justice frameworks and pedagogical practice have become popular concepts within educational settings. However, these approaches stop short of the direct action required for true social change and often overlook the impacts and importance of space, place, and culture in the learning process. Through an exploration of justice-forward approaches that call for a blend of equity and culturally responsive pedagogies with experiential approaches to learning, this edited book will examine the process of unlinking colonizing structures from teaching and learning through honoring the context of space, place, and culture in the learning process. Framed by the Toward a Liberated Learning Spirit TALLS Model for Developing Critical Consciousness, this book will be of interest to students, scholars, and researchers in higher education as well as critical and cultural studies, apart from program administrators and educators. *Ignite: A Decolonial Approach to Higher Education Through Space, Place and Culture* will carry the reader through a learning process beginning with academic detachment and moving through a process of unlearning toward embodied liberation. **Traveler's Tool Kit: Mexico and Central America** Rob Sangster, Tim Leffel, 2008-02-28 *Traveler's Tool Kit: Mexico and Central America* was named Best Guidebook for 2008 by *planeta.com*. Rob Sangster and Tim Leffel are not typical travelers, nor is this a typical travel guide. Instead of rating Mexico's best, read, most expensive hotels, the authors show how to locate comfortable, affordable lodging anywhere in the country. *Traveler's Tool Kit* does the same for everything from dining to entertainment to sightseeing in Mexico, Guatemala, Costa Rica, Belize, Panama, Honduras, Nicaragua, and El Salvador. Individual sections cover it all: drafting itineraries, calculating costs, eco-sensitive travel, unusual tours, managing money, staying healthy, woman alone travel, and much more. Sangster and Leffel show how to connect with a network of travelers who've discovered the most enjoyable things to do and can provide guidance on how much to pay for them. The book also tells how to memorialize the adventure through photography and blogging and even how to earn money from the trip after returning home. Sangster and Leffel are both authoritative and encouraging, drawing on years of experience to help travelers maximize the fun, savings, and security without compromising quality. **State**, 1999 **State Magazine**, 1999
