Past And Present Of The Verbs To Read And To Write Essays On Literacy:

Past and Present of the Verbs to Read and to Write Emilia Ferreiro, 2003 Emilia Ferreiro is one of the great thinkers in the Americas on the issues surrounding literacy Three of her most important lectures are presented in this book Her views have changed the systems of education in her own country Mexico and have had a radical impact on education in Brazil where she is the recipient of the country's highest distinction Her ideas have ideological and political implications for policies regarding publishing including the publishing of textbooks access to books and the development of readers all over the world Although poor countries have not overcome illiteracy rich countries are finding that a basic education does not guarantee fully functional readers While some of us are fluent in the language of hypertext e mail and the virtual pages of non-existent books there are others who have not mastered newspapers or books If democracy is incompatible with an illiterate citizenry full democracy requires an ability to read that goes beyond the deciphering of words This ability is the right of children who will grow up as free citizens in a world where linguistic and cultural diversity are as important as biodiversity **BOOK JACKET**
