A Revolt Against Liberalism A.A.M. van der Linden, 2023-04-12 This is the first study to provide a comprehensive picture of the revolt brought about by American radical historians in the 1960s and 1970s With the turbulent sixties as a backdrop the work of radical luminaries like Eugene Genovese Herbert Gutman Staughton Lynd William Appleman Williams and Howard Zinn is discussed These historians made a significant contribution to present day notions about slavery working class history the New Deal the Cold War and a wealth of other subjects Their main target was American liberalism Radical criticism centered on the liberal concepts of the division of power and of the nature of man The acrimonious debate which ensued tore the historical profession apart Therefore most historians have stressed the disagreements between liberals and radicals Yet in this study it will be argued that in some respects the radicals were part and parcel of mainstream historiography though they presented a radical version of it **Catalog of Copyright Entries.**

Creating Masculinity in Los Angeles's Little Manila Linda España-Maram, 2006-04-25 In this new work Linda España Maram analyzes the politics of popular culture in the lives of Filipino laborers in Los Angeles's Little Manila from the 1920s to the 1940s The Filipinos participation in leisure activities including the thrills of Chinatown's gambling dens boxing matches and the sensual pleasures of dancing with white women in taxi dance halls sent legislators reformers and police forces scurrying to contain public displays of Filipino virility But as España Maram argues Filipino workers by flaunting improper behavior established niches of autonomy where they could defy racist attitudes and shape an immigrant identity based on youth ethnicity and notions of heterosexual masculinity within the confines of a working class España Maram takes this history one step further by examining the relationships among Filipinos and other Angelenos of color including the Chinese Mexican Americans and African Americans Drawing on oral histories and previously untapped archival records España Maram provides an innovative and engaging perspective on Filipino immigrant experiences

Critique for What? Joel Pfister, 2016-01-08 Students want to know What does one do with critique Fortunately some of the most provocative self-critical intellectuals from the postwar period to the postmodern present have wrestled with this Joel Pfister in *Critique for What* crisscrosses the Atlantic to take stock of exciting British and US cultural studies American studies and Left studies that challenge the academic critique for critique's sake and career's sake business and ask Critique for what and for whom Historicizing for what and for whom Politicizing for what and for whom America for what and for whom Here New Left revisionary socialists members of the unpartied Left cultural studies theorists American studies scholars radical historians progressive literary critics and early proponents of transnational analysis interact in what amounts to a lively book-length strategy seminar British political intellectuals including Raymond Williams E P Thompson Stuart Hall and Raphael Samuel and Americans including F O Matthiessen Robert Lynd C Wright Mills and Richard Ohmann reconsider the critical project as social transformation studies activism studies organizing studies Eager to prevent cultural studies from becoming cynicism studies *Critique for What* thinks creatively about the possibilities of using as well as developing critique in our new millennium

Adele Marion Fielde Leonard Warren, 2004-01-14 Adele Marion Fielde born in 1839 was a teacher an evangelist a social activist scientist lexicographer writer and lecturer As an American missionary in China she became a local teacher and evangelist struggling to reconcile her Baptist upbringing with her restless intellect As an energetic social activist she was a major figure in the suffragist movement the abolition of the slave trade and the founding of two hospitals As a scientist she conducted seminal research which is still discussed and studied today This book provides an in-depth

biographical study of the life of this remarkable woman exploring her impact on her contemporary society and her abiding influence on the scientific and academic communities to the present day The author examines the social and religious constraints on Fielde s life and work and discusses her efforts to transcend these through the construction of a personal system of belief which emphasized the importance of helping others He demonstrates how as a woman of immense energy and intellectual ability she was able to influence the scientific and political communities despite their prevailing negative attitude towards women Adele Marion Fielde will be of vital interest to scholars concerned with the study of gender and the history of science

Politics on a Human Scale Jeff Taylor,2013-09-27 Featuring a foreword by Congressman Glen Browder

Politics on a Human Scale examines political decentralization in the United States from the founding of the republic to the present Part of the desirable equilibrium is a sense of proportionality Some sizes some amounts some levels are more appropriate than others Decentralism is the best political tool to ensure equilibrium to promote proportionality and to obtain appropriate scale Power distribution should be as wide as possible Government functions should be as close to the people as practicable In this way individual human beings are not swallowed by a monstrous Leviathan Persons are not at the mercy of an impersonal bureaucracy led by the far away few Decentralism gives us politics on a human scale It gives us more democracy within the framework of a republic The longest chapters in the book deal with crucial turning points in U S history specifically when decentralists lost the upper hand in the two major political parties Decentralism in our nation runs deep both intellectually and historically It also has considerable popular support Yet today it is a virtual political orphan In Washington neither major political party is serious about dispersing power to lower levels of government or to the people themselves Still there are dissident politicians and political movements that remain committed to the decentralist principle Power needs to be held in check partly through decentralization because power holds a great and dangerous attraction for humans Recognition of this human tendency is the first step in guarding against it and getting back on a better path

Where Did the Party Go? Jeff Taylor,2006 Using a twelve point model of Jeffersonian thought Taylor appraises the competing views of two Midwestern liberals William Jennings Bryan and Hubert Humphrey on economic policy foreign relations and political reform to demonstrate how the Democratic party lost its place in Middle America Provided by publisher
