

The background image is a landscape photograph. In the foreground, there is a dark, textured surface, possibly a road or a field, with some patches of lighter material. A winding road or path leads from the bottom right towards the horizon. The middle ground is filled with tall, dry grass or reeds. In the background, there are rolling hills or mountains under a sky with soft, golden light from a low sun, creating a warm, hazy atmosphere. A large, dark rectangular box with white text is superimposed over the center of the image.

Past The Age Of Miracles:

Past the Age of Miracles Eleanor Grover,1997-08 **The Age of Miracles** Marianne Williamson,2008-01-01 As seen on OWN s Super Soul Sunday The need for change as we get older an emotional pressure for one phase of our lives to transition into another is a human phenomenon neither male nor female There simply comes a time in our lives not fundamentally different from the way puberty separates childhood from adulthood when it s time for one part of ourselves to die and for something new to be born The purpose of this book by best selling author and lecturer Marianne Williamson is to psychologically and spiritually reframe this transition so that it leads to a wonderful sense of joy and awakening In our ability to rethink our lives lies our greatest power to change them What we have called middle age need not be seen as a turning point toward death It can be viewed as a magical turning point toward life as we ve never known it if we allow ourselves the power of an independent imagination utilizing thought forms that don t simply flow in a perfunctory manner from ancient assumptions handed down to us but rather flower into new archetypal images of a humanity just getting started at 45 or 50 What we ve learned by that time from both our failures as well as our successes tends to have humbled us into purity When we were young we had energy but were clueless about what to do with it Today we have less energy perhaps but we have far more understanding of what each breath of life is for And now at last we have a destiny to fulfill not a destiny of a life that s simply over but rather a destiny of a life that is finally truly lived Midlife is not a crisis it s a time of rebirth It s not a time to accept your death it s a time to accept your life and to finally truly live it as you and you alone know deep in your heart it was meant to be lived **The Age of Miracles (EasyRead Large Bold Edition)** Marianne Williamson,2008 Midlife is not a crisis it s a time of rebirth It s not a time to accept your death it s a time to accept your life and to finally truly live it as you and you alone know deep in your heart it was meant to be lived
