Past Historic Britain And The Great War

David Edgerton

Past Historic Britain And The Great War:

Evidence, History and the Great War Gail Braybon, 2004-12-01 In the English speaking world the Great War maintains a tenacious grip on the public imagination and also continues to draw historians to an event which has been interpreted variously as a symbol of modernity the midwife to the twentieth century and an agent of social change Although much common knowledge about the war and its aftermath has included myth simplification and generalisation this has often been accepted uncritically by popular and academic writers alike While Britain may have suffered a surfeit of war books many telling much the same story there is far less written about the impact of the Great War in other combatant nations Its history was long suppressed in both fascist Italy and the communist Soviet Union only recently have historians of Russia begun to examine a conflict which killed maimed and displaced so many millions Even in France and Germany the experience of 1914 18 has often been overshadowed by the Second World War The war's social history is now ripe for reassessment and revision The essays in this volume incorporate a European perspective engage with the historiography of the war and consider how the primary textual oral and pictorial evidence has been used or abused Subjects include the politics of shellshock the impact of war on women the plight of refugees food distribution in Berlin and portrait photography all of which illuminate key debates in war history

Great Britain's Great War Jeremy Paxman, 2013-10-03 Jeremy Paxman's magnificent history of the First World War tells the entire story of the war in one gripping narrative from the point of view of the British people We may think we know about it but what was life really like for the British people during the First World War The well known images the pointing finger of Lord Kitchener a Tommy buried in the mud of the Western Front the memorial poppies of Remembrance Day all reinforce the idea that it was a pointless waste of life So why did the British fight it so willingly and how did the country endure it for so long Using a wealth of first hand source material Jeremy Paxman brings vividly to life the day to day experience of the British over the entire course of the war from politicians newspapermen campaigners and Generals to Tommies factory workers nurses wives and children It shows how both British life and identity were utterly transformed not always for the worst by the enormous upheaval of the war Rich with personalities surprises and ironies this lively narrative history paints a picture of courage and confusion doubts and dilemmas and is written with Jeremy Paxman's characteristic flair for storytelling wry humour and pithy observation A fine introduction to the part Britain played in the first of the worst two wars in history The writing is lively and the detail often surprising and memorable Guardian He writes so well and sympathetically and chooses his detail so deftly that if there is one new history of the war that you might actually enjoy from the very large centennial selection this is very likely it The Times

A History of the Great War John Buchan, 1923

Bloody Old Britain Kitty Hauser, 2015-06-04 O G S Crawford 1886 1957 thought history held the answers to everything A field archaeologist he later became a photographer flying over the Western Front during the First World War an experience that made him a pioneer of aerial archaeology An impassioned Marxist it seemed to him that 1930s Britain

would soon disappear conquered by history's inevitable march to world socialism and he made a photographic study of everyday things churches and advertising hoardings as future evidence of how unenlightened British society had once been Later there came angry disillusionment and a book too bitter to be published called *Bloody Old Britain* In recounting Crawford's extraordinary story Kitty Hauser uses many of his photographs and penetrates neglected but fascinating aspects of British life and belief that have themselves become history

A History of the Great War: From the beginning of the Dardanelles campaign to the battle of Verdun John Buchan, 1922

The Oxford Handbook of European History, 1914-1945 Nicholas Doumanis, 2016-05-05 The period spanning the two World Wars was unquestionably the most catastrophic in Europe's history Despite such undeniably progressive developments as the radical expansion of women's suffrage and rising health standards the era was dominated by political violence and chronic instability Its symbols were Verdun Guernica and Auschwitz By the end of this dark period tens of millions of Europeans had been killed and more still had been displaced and permanently traumatized If the nineteenth century gave Europeans cause to regard the future with a sense of optimism the early twentieth century had them anticipating the destruction of civilization The fact that so many revolutions regime changes dictatorships mass killings and civil wars took place within such a compressed time frame suggests that Europe experienced a general crisis The Oxford Handbook of European History 1914-1945 reconsiders the most significant features of this calamitous age from a transnational perspective It demonstrates the degree to which national experiences were intertwined with those of other nations and how each crisis was implicated in wider regional continental and global developments Readers will find innovative and stimulating chapters on various political social and economic subjects by some of the leading scholars working on modern European history today

The Great War in History Jay Winter, Antoine Prost, 2005-07-21 Since the Armistice a vast literature has been produced on the First World War and its repercussions In this 2005 book two leading historians from the United States and France have produced a fully comparative analysis of the ways in which this history has been written and interpreted The book identifies three generations of historians literary scholars film directors and writers who have commented upon the war Through a thematic structure it assesses not only diplomatic and military studies but also the social and cultural interpretations of the Great War as seen primarily through the eyes of French German and British writers It provides a fascinating case study of the practice of history in the twentieth century and of the enduring importance of the national lens in shaping historical narrative This interesting study will prove invaluable reading to scholars and students in history war studies European history and international relations

A Short History of the Great War A. F. Pollard, 2019-11-21 A F Pollard's *A Short History of the Great War* offers a nuanced and succinct exploration of the profound socio-political transformations brought about by World War I The text employs a clear and accessible narrative style making complex historical events understandable to a broad readership Pollard meticulously examines the war's critical phases the interplay of nationalisms and the ramifications of

technological advancements in warfare thereby situating the conflict within a wider historical and cultural context The book serves both as a foundational overview and as a launching point for deeper reflection on the war s legacy revealing its lasting impact on global dynamics and the interwar period A renowned historian and author A F Pollard s insights in *A Short History of the Great War* stem from his extensive background in modern British history and his scholarly focus on both political and military dimensions of warfare Pollard s writings reflect not only his academic rigor but also his passion for elucidating the complexities of history to educate and engage the public His commitment to accessible historiography reveals his intention to ensure that the lessons of the past resonate with contemporary audiences For those seeking a thoughtful concise examination of one of the most significant events in modern history Pollard s work is indispensable It serves as an excellent introduction for novices while stimulating seasoned historians to reevaluate the established narratives of the Great War

Engaging and informative *A Short History of the Great War* is a must read for anyone interested in understanding the roots and ramifications of this epochal conflict

[Gender and History](#) Susan Kingsley Kent,2011-10-18 What is gender and who has it History theory and gender are inextricably linked but how exactly do they fit together How do historians use theories about gender to write history In this jargon free introduction Susan Kingsley Kent presents a student friendly guide to the origins conceptual framework subjectmatter and methods of gender history Assuming no prior knowledge *Gender and History* Sets out clear definitions of theory history and gender Explains that gender is not solely applicable to women but to men as well Tackles the hotly debated topic of power and gender relations Explores gender history from a variety of angles including anthropology psychology and philosophy Spans a broad chronological period from the times of Aristotle to the present day Includes a helpful glossary that explains key terms and concepts at a glance Lively and approachable this is an essential text for anyone who wishes to learn how to use theories of gender in their historical studies

Pictorial History of the World's Greatest War and New International Atlas of the World ,1919 [Standard Catalog for High School Libraries](#) ,1928 The 1st ed accompanied by a list of Library of Congress card numbers for books except fiction pamphlets etc which are included in the 1st ed and its supplement 1926 29 [The Canadian Historical Review](#) ,1922 [The Shock Of The Old](#) David Edgerton,2011-05-26 It s rare for a book to make you see the world differently but this does exactly that on almost every page Guardian Standard histories of technology give tired accounts of the usual inventions inventors and dates framing technology as the inevitable march of progress They split history into ages electrification motorisation and computerisation and rarely ask whether anyone bothered to use these inventions at the time Shock of the Old is not one of those histories I Letters exist alongside emails and outlasted telegrams we still make physical books and magazines despite the rise of the Internet a belated rise considering that the technologies that made it possible was invented in 1965 and bookshops thrive despite Amazon More horses were used in the Second World War than any other war in history and propeller planes continue to take off from the same runways as jets Shock of the Old forces us to reassess the significance of old inventions such as

corrugated iron and sewing machines and rethink the relative importance we place on the invention of something new its application and its widespread adoption It challenges the idea that we live in an era of ever increasing change and interweaving political economic and cultural history teaches us to think critically about technology **Applied History and Contemporary Policymaking** Robert Crowcroft,2022-10-06 Robert Crowcroft has assembled a world class international cast of outstanding scholars and international figures to produce a stimulating collection of essays on applied history and policy making With contributors such as Philip Bobbitt Margaret MacMillan and Jeremy Black this collection of essays addresses some of the most important geopolitical challenges confronting the world today From reconstructing collapsed political regimes to security competition in the China Seas and the evolution of Salafi Jihadi ideology it explores a range of statecraft policy and strategy The essays span a number of policy areas and historical problems tackling important questions about what historians do and should do and considering the nature and limits of historical judgement With some examining how applied history can be used to rethink contemporary challenges others explore how it has been used and abused in the past Making a splash in intellectual debate by making a definitive case for Applied History this book demonstrates that a knowledge of the past and the insight it provides is imperative to effective statecraft The Open Shelf ,1919 The Meaning of Race Kenan Malik,1996-08 This work throws new light on the nature and origins of ideas of racial difference It reconstructs the evolution of the modern discourse of race and investigates its meaning in contemporary society

Afterlives of war Michael Roper,2023-07-05 Afterlives of war documents the lives and historical pursuits of the generations who grew up in Australia Britain and Germany after the First World War Although they were not direct witnesses to the conflict they experienced its effects from their earliest years Based on ninety oral history interviews and observation during the First World War Centenary this pioneering study reveals the contribution of descendants to the contemporary memory of the First World War and the intimate personal legacies of the conflict that animate their history making **The New Larned History for Ready Reference, Reading and Research** Josephus Nelson Larned,1923 **A History of the Modern Middle East** William L. Cleveland,Martin Bunton,2024-07-29 A History of the Modern Middle East examines the profound and often dramatic transformations of the region in the past two centuries from the Ottoman and Egyptian reforms through the challenge of Western imperialism to the impact of US foreign policies Built around a framework of political history while also carefully integrating social cultural and economic developments this expertly crafted account provides readers with the most comprehensive balanced and penetrating analysis of the modern Middle East The seventh edition has been substantially revised to reflect the significance of the 2011 Arab Uprisings as a major turning point in the modern history of the region A new chapter considers how regional powers especially in the Gulf are now asserting themselves more forcefully seeking to push their own interests while Russia and China contest America s position Including an annotated and updated bibliography that offers guidance to readers seeking more in depth information and incorporating an online

companion website featuring quizzes timelines and instructor resources A History of the Modern Middle East remains the quintessential text for courses on Middle Eastern history

Hilaire Belloc - Premium Collection: Historical Works, Writings on Economy, Essays & Fiction Hilaire Belloc, 2023-12-14 Hilaire Belloc Premium Collection offers a comprehensive exploration of the multifaceted genius of Hilaire Belloc featuring a curated selection of his historical writings essays on economy and engaging fiction This volume exemplifies Belloc's distinctive literary style marked by eloquent prose and sharp wit intertwined with his deep Catholic faith and rich historical imagination As a significant figure in early 20th century literature Belloc deftly addresses the socio economic challenges of his era while presenting compelling narratives that reflect his understanding of history's complexities Hilaire Belloc an Anglo French writer and historian possessed a unique background that informed his literary pursuits His upbringing in a politically charged environment and his fervent belief in the social teachings of the Catholic Church shaped his perspectives on economics society and history An avid traveler and a keen observer Belloc's insights into the human condition and socio political structures are infused throughout his works revealing much about the turbulence of his time and his visionary approach to social reform This Premium Collection is highly recommended for readers seeking an in depth understanding of historical narratives through a literary lens Belloc's interdisciplinary approach not only offers a rich historical perspective but also engages with themes of morality and social responsibility making it essential reading for anyone interested in the intersections of literature history and economics

Past Historic Britain And The Great War Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Past Historic Britain And The Great War free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Past Historic Britain And The Great War free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Past Historic Britain And The

Great War free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Past Historic Britain And The Great War. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Past Historic Britain And The Great War any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Past Historic Britain And The Great War Books

1. Where can I buy Past Historic Britain And The Great War books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Past Historic Britain And The Great War book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
