**Monster of Monsters: Series Two Mortem's Level 1: #2 Past Hatreds And Lies And Little Morsels** Kristie Lynn Higgins, 2021-07-28 The story of Kein K n continues in the 9th installment of this novella series Enjoy this short story as Kein continues through a difficult situation Kein s heartbreaking and yet joyous journey continues as the results of Basement Level are dished out as cold as they can be Alone she must deal with the repercussions of the Judicium and a past she only wanted to forget No one has won the Mortem and now Kein is one She has no chance of surviving unless she can find some allies in the sadistic game Her journey started in Monster of Monsters 1 Part One Mortem s Opening and moves forward at an unrelenting pace Light and darkness All Kein wanted was to be devoured As an orphan she had been told since joining her school that it was very important that a house or clan devour her so when she met a creature promising to devour her she was confused at first but then she was consoled that someone wanted her A world of monsters and vampires and a world of humans Loneliness can be a very strong emotion but it can also be a very strong motivator so even when a creature of the darkness invited her to come to her innocence heeded the call Kein began an adventure of heartache and joy as she walked the paths of shadow and light She would discover what it was to be devoured as a dangerous game drew her into a deadly realm of wishes revenge hope desire love and terror Past mortem Ben Elton, Ivana Lazić, 2007 The First Casualty Ben Elton, 2012-11-08 A work of formidable imaginative scope Daily Telegraph The first casualty when war comes is truth Flanders June 1917 a British officer and celebrated poet is shot dead He is killed not by German fire but while recuperating from shell shock well behind the lines A young English soldier is arrested and although he protests his innocence charged with his murder Douglas Kingsley is a conscientious objector previously a detective with the London police now imprisoned for his beliefs He is released and sent to France in order to secure a conviction Forced to conduct his investigations amidst the hell of The Third Battle of Ypres Kingsley soon discovers that both the evidence and the witnesses he needs are quite literally disappearing into the mud that surrounds him Ben Elton s tenth novel is a gut wrenching historical drama which explores some fundamental questions What is murder What is justice in the face of unimaginable daily slaughter And where is the honour in saving a man from the gallows if he is only to be returned to die in a suicidal battle Stark Ben Elton, 2008-12-26 Stark is a secret consortium with more money than God and the social conscience of a dog on a croquet lawn What s more it knows the Earth is dying Deep in Western Australia where the Aboriginals used to milk the trees a planet sized plot is taking shape Some green freaks pick up the scent a pommie poseur a brain fried Vietnam vet Aboriginals who have lost their land not much against a conspiracy that controls society But EcoAction isn t in society it just lives in the same place along with the cockroaches If you re facing the richest and most disgusting scheme in history you have to do more than stick up two fingers and say peace *Ben Elton Collection* Ben Elton, 2009-11-01 Gridlock Too many cars and not enough space equals gridlock Gridlock is when a city dies Killed in the name of freedom Killed in the name of oil and steel

Choked on carbon monoxide and strangled with a pair of fluffy dice How did it come to this How did the ultimate freedom machine end up paralysing us all How did we end up driving to our own funeral in somebody else s gravy train Deborah and Geoffrey know but they have transport problems of their own and anyway whoever it was that murdered the city can just as easily murder them Chart Throb Chart Throb The ultimate pop quest Ninety five thousand hopefuls Three judges Just one winner And that s Calvin Simms the genius behind the show Calvin always wins because Calvin writes the rules But this year as he sits smugly in judgement upon the mingers clingers and blingers whom he has pre selected in his carefully scripted search for a star he has no idea that the rules are changing The real is about to be put back into reality television and Calvin and his fellow judges the nation s favourite mum and the other bloke are about to become ex factors themselves Chart Throb One winner A whole bunch of losers Blind Faith Imagine a world where everyone knows everything about everybody Where sharing is valued above all and privacy is considered a dangerous perversion Trafford wouldn t call himself a rebel but he s daring to be different to stand out from the crowd In his own small ways he wants to push against the system But in this world uniformity is everything And even tiny defiances won t go unnoticed Ben Elton s dark savagely comic novel imagines a post apocalyptic society where religious intolerance combines with a sex obsessed utterly egocentric culture In this world nakedness is modesty independent thought subversive and ignorance is wisdom A chilling vision of what s to come Or something rather closer to home

**Gridlock** Ben Elton,2008-12-26 Gridlock is when a city dies Killed in the name of freedom Killed in the name of oil and steel Choked on carbon monoxide and strangled with a pair of fluffy dice How did it come to this How did the ultimate freedom machine end up paralysing us all How did we end up driving to our own funeral in somebody else s gravy train Deborah and Geoffrey know but they have transport problems of their own and anyway whoever it was that murdered the city can just as easily murder them
