The Fifteenth-century Inquisitions Post Mortem Michael Hicks, 2012 Essays offering a guide to a vital source for our knowledge of medieval England The Inquisitions Post Mortem IPMs at the National Archives have been described as the single most important source for the study of landed society in later medieval England Inquisitions were local enquiries into the lands held by people of some status in order to discover whatever income and rights were due to the crown on their death and provide details both of the lands themselves and whoever held them This book explores in detail for the first time the potential of IPMs as sources for economic social and political history over the long fifteenth century the period covered by this Companion It looks at how they were made how they were used and their accuracy and develops our understanding of a source that is too often taken for granted it answers questions such as what they sought to do how they were compiled and how reliable they are while also exploring how they can best be used for economic demographic place name estate and other kinds of study Michael Hicks is Professor of Medieval History University of Winchester Contributors Michael Hicks Christine Carpenter Kate Parkin Christopher Dyer Matthew Holford Margaret Yates L R Poos J Oeppen R M Smith Sean Cunningham Claire Noble Matthew Holford Oliver Padel

Paston Letters and Papers of the Fifteenth Century Norman Davis, Richard Beadle, Colin Richmond, 2004 The Paston family papers provide an incomparable picture of life in fifteenth century England and richly illustrate the resources of the language at an important period They have long been consulted by historians and other students of the fifteenth century for their information about social history and politics both within East Anglia and also nationally This authoritative edition by Professor Norman Davis formerly Director of the Early English Text Society was published by the Clarendon Press in 1971 volume I and 1976 volume II but has long been out of print In addition to the letters and papers themselves Volume I contains excellent biographical sketches of the writers a full comparative chronological table and an informative introduction to the separate documents Volume II contains correspondence addressed to the Pastons by others than members of the family This is arranged in chronological order under the names of the recipients and in addition some sixty miscellaneous documents are also included A third volume which Professor Davis was unable to complete before his death is in preparation edited by Dr Richard Beadle and Professor Colin Richmond This will include the remaining text and the indexes and will complete the series

Paston Letters and Papers of the Fifteenth Century Norman Davis, Richard Beadle, Colin Richmond, 2004 The Paston family papers have long been consulted for their information about social history and politics in the fifteenth century both within East Anglia and also nationally Parts I and II of Paston Letters and Papers of the Fifteenth Century edited by Norman Davis were originally published by the Clarendon Press in 1971 and 1976 and were reissued with corrections by EETS in 2004 Part III completes the edition It contains the texts of 120 additional letters and papers many of them relating to Sir John Fastolf and his circle These texts are previously unprinted or printed only in part some only came to light after the publication of Parts I and II The texts have been edited according to

the principles established by Norman Davis and are accompanied by an Introduction and Bibliography as well as a consolidated index to all three parts of the edition a glossary to the entire edition a concordance of the principal editions and original sources and a working chronology of the documents Richard Beadle is Reader in English Literature and Historical Bibliography at the University of Cambridge Colin Richmond is Emeritus Professor of Medieval History at the University of Keele

The Later Medieval Inquisitions Post Mortem Michael Hicks, 2016 Essays exploring the potential of the Inquisitions post mortem to shed important new light on the medieval world

Financing Queenship in Late Fifteenth Century England Michele L. C. Seah, 2025-05-06 Seah's important book richly documents and deftly analyzes the complex household economies of three fifteenth century queens consort of England who lived during a period of political and economic upheaval This book based on impressive meticulous research is more than just a much needed methodological model for studying queenly finances that fills a gap in the historiography of queenship It is a powerful study of the intrinsic worth of a queen Theresa Earenfight Professor Emerita of History Seattle University Late medieval queens required considerable economic and financial resources to enable them to dispense patronage exercise power and influence and establish and maintain political and social networks This book examines the nature and usage of these resources via an in depth study of the reigns of three queens consort from the second half of the fifteenth century in England Margaret of Anjou Elizabeth Woodville and Elizabeth of York considering how the queens were supported in material terms and their impact on the economic landscape of the period It surveys in detail the economic assets available to these queens including dower lands monetary and non monetary grants and queens gold before moving on to a discussion of two major entities households and affinities which they needed to maintain It both sheds light on individual queens and on broader questions of authority and agency in late medieval English queenship

The Wars of the Roses Michael Hicks, 2010-10-26 A new assessment of the battle for the English throne All readers interested in late medieval history will appreciate this Library Journal The Wars of the Roses 1455-85 were a major turning point in English history But the underlying causes for the successive upheavals have been hotly contested by historians ever since In this original and stimulating new synthesis distinguished historian Michael Hicks examines the difficult economic military and financial crises and explains for the first time the real reasons why the conflicts between the House of Lancaster and the House of York began why they kept recurring and why eventually they ceased Alongside fresh assessments of key personalities Hicks sheds new light on the significance of the involvement of the people in politics the intervention of foreign powers in English affairs and a fifteenth century credit crunch Combining a meticulous dissection of competing dynamics with a clear account of the course of events this is a definitive and indispensable history of a compelling complex period

Ambiguous Realities Carole Levin, Jeanie Watson, 1987 Examining specific literary historical and theological texts the essays in *Ambiguous Realities* illuminate a number of important issues about women in the Middle Ages and the Renaissance the changes in attitude toward women the role and status of women

the dichotomy between public and private spheres the prescriptions for women's behavior and the image of the ideal woman and the difference between the perceived and the actual audience of medieval and Renaissance writers Back cover

Southern English Varieties Then and Now Laura Wright, 2018-07-23 Most of the world's Extraterritorial Englishes stem historically from southern English dialects Southern England having been the most densely habited part of the country However the dialects of Southern England remain under studied The papers in this volume consider both diachronic and synchronic aspects of the dialects of Norfolk Suffolk Essex Kent Sussex Dorset Somerset Devon Cornwall Gloucestershire and the Isles of Scilly Revisiting the Medieval North of England Anita Auer, Denis Renevey, Camille Marshall, Tino

Oudesluijs, 2019-02-15 1 Interdisciplinary nature of the volume 2 Reflection of recent work carried on the North of England in various projects 3 Sheds new light on the North of England underexplored thus far and asks new questions sets out new lines of inquiry for future research

English Legal History and its Sources David J. Ibbetson, Neil Jones, Nigel Ramsay, 2019 A Festschrift in honour of Professor Sir John Baker presented by leading scholars on the sources of English legal history

Richard III Michael Hicks, 2019-11-26 The definitive biography and assessment of the wily and formidable prince who unexpectedly became monarch the most infamous king in British history The reign of Richard III the last Yorkist king and the final monarch of the Plantagenet dynasty marked a turning point in British history But despite his lasting legacy Richard only ruled as king for the final two years of his life While much attention has been given to his short reign Michael Hicks explores the whole of Richard's fascinating life and traces the unfolding of his character and career from his early years as the son of a duke to his violent death at the battle of Bosworth Hicks explores how Richard villainized for his imprisonment and probable killing of the princes applied his experience to overcome numerous setbacks and adversaries Richard proves a complex conflicted individual whose Machiavellian tact and strategic foresight won him a kingdom He was a reformer who planned big changes but lost the opportunity to fulfill them and to retain his crown Provided by publisher

Historians on Robin Hood Stephen H. Rigby, 2024-11-19 Offers a comprehensive thematic introduction to a wide range of medieval writings about the outlaw hero from a series of different historical perspectives By the fifteenth century churchmen were complaining that laypeople preferred to hear stories about Robin

Hood rather than to listen to the word of God But what was the attraction of this outlaw for contemporary audiences The essays collected here seek to examine the outlaw s legend in relation to late medieval society politics and piety They set out the different types of evidence which give us access to representations of Robin and his men in the pre Reformation period ask whether stories about the outlaw had any basis in reality and explore the many different purposes for which his legend was adapted The volume is divided into six parts the sources for the medieval legend of Robin Hood and its origins social structure social conflict kingship law and warfare piety and the church and the outlaw s legend in Wales and Scotland Key issues addressed by its essays include the dating of the surviving tales attitudes to social hierarchy representations of gender and masculinity the extent to which the tales drew upon or shaped contemporary attitudes towards law and justice the development of Robin Hood plays and games and whether the legend emerged from or appealed to particular social groups It not only sheds new light on a character who whether real or not is one of the most important and memorable figures in the history of medieval England but also explores the extent to which the outlaw became popular in Scotland and Wales

Power-brokers and the Yorkist State, 1461-1485 Alexander R. Brondarbit,2020 Examination of the role played by key figures around the monarchy in the Wars of the Roses *Writing War in Britain and France, 1370-1854* Stephanie Downes,Andrew Lynch,Katrina O'Loughlin,2018-10-03 *Writing War in Britain and France 1370 1854 A History of Emotions* brings together leading scholars in medieval early modern eighteenth century and Romantic studies The assembled essays trace continuities and changes in the emotional register of war as it has been mediated by the written record over six centuries Through its wide selection of sites of utterance genres of writing and contexts of publication and reception *Writing War in Britain and France 1370 1854* analyses the emotional history of war in relation to both the changing nature of conflicts and the changing creative modes in which they have been arrayed and experienced Each chapter explores how different forms of writing defines war whether as political violence civilian suffering or a theatre of heroism or barbarism giving war shape and meaning often retrospectively The volume is especially interested in how the written production of war as emotional experience occurs within a wider historical range of cultural and social practices *Writing War in Britain and France 1370 1854 A History of Emotions* will be of interest to students of the history of emotions the history of pre modern war and war literature **The Franciscans in the Middle Ages** Michael J. P. Robson,2006 St Francis of Assisi is one of the most admired figures of the Middle Ages and one of the most important in the Christian church modelling his life on the literal observance of the Gospel and recovering an emphasis on the poverty experienced by Jesus Christ From 1217 Francis sent communities of friars throughout Christendom and launched missions to several countries including India and China The movement soon became established in most cities and several large towns and enjoying close relations with the popes its followers were ideal instruments for the propagation of the reforms of the Fourth Lateran Council of 1215 They quickly became part of the landscape of medieval life and made their influence felt throughout society BR This book explores the first

250 years of the order's history and charts its rapid growth development pastoral ministry educational organisation missionary endeavour internal tensions and divisions Intended for both the general and more specialist reader it offers a complete survey of the Franciscan Order Dr MICHAEL ROBSON is a Fellow and Director of Studies in Theology at St Edmund's College Cambridge *Maintenance in Medieval England* Jonathan Rose, 2017-06-22 This is the first book covering those who abused and misused the legal system in medieval England and the initial attempts of the Anglo American legal system to deal with these forms of legal corruption Maintenance in the sense of intermeddling in another person's litigation was a source of repeated complaint in medieval England This book reveals for the first time what actually transpired in the resultant litigation Extensive study of the primary sources shows that the statutes prohibiting maintenance did not achieve their objectives because legal proceedings were rarely brought against those targeted by the statutes the great and the powerful Illegal maintenance was less extensive than frequently asserted because medieval judges recognized a number of valid justifications for intermeddling in litigation Further the book casts doubt on the effectiveness of the statutory regulation of livery This is a treasure trove for legal historians literature scholars lawyers and academic libraries **The Haskins Society Journal 34** Person William North, Contributor Laura E Wangerin, 2024-10-08 Essays illuminating a wide range of topics from Cistercian preachers and the geography of purgatory to royal and ecclesiastical justice and power This volume continues the Society's commitment to historical and interdisciplinary research from the early and central Middle Ages and demonstrates its belief that the close interrogation of primary documents yields new insights into or important recalibrations of our understanding of the past It begins by surveying the works of the Greek Fathers rendered into Latin in late antiquity exploring their reception and deployment in England before the conquest The twelfth century occupies a central place in this volume Four papers offer close readings or re readings of key authors or sources one reconstructs William of Malmesbury's journeys in the mid 1130s another offers a new reading of two of Aelred of Rievaulx's royal biographies a third considers the influence of Henry of Marcy on Herbert of Clairvaux's *Liber visionum et miraculorum Clarevallensium* and a fourth examines the *Historia Gaufrredi Ducis* and its outsized impact on the history of the ritual of dubbing Two papers address royal and ecclesiastical justice in mid thirteenth century France through meticulous work with archival sources they respectively consider the case of Geoffroy de Milly and limits of sovereign authority and enquetes as a technique of power Further topics include the emerging geography of purgatory in the imagination of the twelfth and thirteenth centuries the different dimensions of medieval institutional culture as seen in the intersection of earthly and angelic power in Angevin England placed in dialogue with American medieval historiography and the evolving historiographical treatment of men of the Church employed as trusted administrators by Italian communes The volume concludes with two essays on significant moments in the history of American medieval studies examinations of the publication history of Evelyn Faye Wilson's *Stella Maris* of John of Garland and of the life scholarship and legacy of Bennett David Hill round out the volume **Soldier, Rebel, Traitor**

Alexander R. Brondarbit, 2022-05-05 John Wenlock first Lord Wenlock was a leading diplomat courtier and soldier during the Wars of the Roses whose remarkable career offers us a fascinating insight into one of the most turbulent periods in English medieval history And yet he has hitherto been overshadowed by his more illustrious contemporaries Alexander Brondarbit's meticulously researched and perceptive biography is overdue It establishes Wenlock as a major figure in his own right and records in vivid detail how this shrewd nobleman found his way through the brutal conflicts of his times Wenlock served in Henry V's military campaigns in France in the 1420s before moving on to a career in the royal households of Henry VI Margaret of Anjou and Edward IV As a diplomat he led multiple embassies to Burgundy and France and in addition to the kings he served he was closely connected with other notable figures of the age such as Richard Neville earl of Warwick But Wenlock's speciality was on the battlefield he took part in many raids skirmishes and sieges and in three major battles including the Battle of Tewkesbury in 1471 where he lost his life Using primary sources as well as contemporary assessments in chronicles and letters Alexander Brondarbit gives a nuanced description of the main episodes in Wenlock's long career and throws new light on the motivation of a man who has been labelled a Prince of Turncoats because of his frequent changes of allegiance

Investigations in Sociohistorical Linguistics Peter Trudgill, 2010-09-02 In the last five hundred years or so the English language has undergone remarkable geographical expansion bringing it into contact with other languages in new locations It also caused different regional dialects of the language to come into contact with each other in colonial situations This book is made up of a number of fascinating tales of historical sociolinguistic detection These are stories of origins of a particular variety of English or linguistic feature which together tell a compelling general story In each case Trudgill presents an intriguing puzzle locates and examines the evidence detects clues that unravel the mystery and finally proposes a solution The solutions are all original often surprising sometimes highly controversial Providing a unique insight into how language contact shapes varieties of English this entertaining yet rigorous account will be welcomed by students and researchers in linguistics sociolinguistics and historical linguistics
