Pastoral Bereavement Counseling A Structured Program To Help Mourners:

Pastoral Bereavement Counseling Jacob Goldberg,1989-01-01 *The Absence of God* Piet Zuidgeest,2021-10-01 This volume deals with the meaning of the Christian tradition to individuals particularly in a situation of mourning The author formulates the relation of the tradition with the individual as a communicative interpersonal and intrapersonal conception of tradition The meaning of the tradition is described in terms of a hermeneutic narrative interpretation of classical texts A practicum is presented as a form of guidance in mourning The empirical exploration shows that the theme of the absence of God presented in texts of the Psalms has an important meaning These texts give believers in grief the opportunity to cope with their loss Render Unto God James Newton Poling,2012-03-01 What marks principles and values from our study of

Jesus can guide our reflections about the church and its witness in a world of economic injustice What kinds of principles ought to be part of an ecclesiology in a world where family violence is epidemic So asks author James Poling in his exploration of the role of faith and religious practice as a resource for those who are economically vulnerable to domestic violence In this groundbreaking work Poling focuses his research on women and children in working class and poor communities of three cultures analyzing the forces that define and sustain economic vulnerability and detailing how such vulnerability affects the daily lives of people within these communities He looks at how the church can function as a source of healing and empowerment for persons who are trapped by domestic violence and economic vulnerability and develops models for prevention of violence and of practical ministry for pastoral care of the victims and perpetrators **Omega** ,1990
