**Pastoral Care in the Church** C. W. Brister, 1964      **A History of Pastoral Care** G. R. Evans, 2000-05-01 A history of pastoral care is a history of the Christian church in action But if any sense is to be made of the centuries of Christian work and effort not only the practicalities of making the message of the Gospel a reality on earth but also the ideas which have shaped the attempt century by century must be examined This is the history of 2000 years of thought and practice in Christian pastoral ministry Until comparatively late in that story the bulk of the formative thinking took place in the Middle East and in Europe and this forms the background for recent developments in understanding human nature and the ways in which that understanding has influenced our thinking in pastoral care Subjects covered range from the Biblical foundations to the sects and new religious movements from the Fathers the monks the Friars the Templars to the changes at the end of the twentieth century      **The Caring Church** Howard W. The Care Revolution John W. Bosman, 2018-07 There is a missing link in our ministry efforts Somewhere along the line we have erroneously made pastoral care the sole responsibility of the pastor We assumed the clergy are the ones that do ministry while the laity watches ministry being done We need a new paradigm For the most part we provide crisis care instead of pastoral care in our churches The ensued problem is that when the crisis is over so is the care This makes people feel unattached insecure and neglected which often results in them falling through the cracks or slipping through the proverbial back door The Care Revolution provides the answer It presents a proven efficient and workable system that enables believers to care for one another making sure everyone experiences a sense of belonging and acceptance When church members are trained and developed to connect and care for each other it meets a crucial need that is entirely biblical and should be part of the ongoing ministry of every congregation Pastoral Care is a Collaborative Effort The Pastor cannot do it alone Effective pastoral care just happens when pastors and members collaborate in their ministry efforts It is only when a congregation is

cared for and nurtured that it becomes healthy and consequently has the ability to evangelize more effectively A hurting and or dysfunctional church simply cannot do it Evangelism and pastoral care are not contrary to each other the one depends on the other Dr John Bosman has been a pastor for most of his adult life Immediately before entering into his present international ministry he served as the lead pastor of Glad Tidings Church in Lake Charles Louisiana for 15 years Under his leadership the church grew from fewer than five hundred to a thriving congregation that now occupies a 3 000 seat state of the art worship center John has served in both regional and national leadership roles within his denomination He was a member of the Board of Regents of a stateside university as well as a Bible College in Russia He is also the founder of both the JWB Institute for Leadership and Laity Development and Hamilton Christian Academy John and his wife Anne who is also an ordained minister live in Frisco Texas Together they minister nationally and internationally They have three children and five grandsons
