Pastoral Constitution On The Church In The Modern:

Gaudium et Spes Austin Flannery, 2014-06-01 The sixteen official documents constitutions decrees and declarations of the Second Vatican Council are now available from Liturgical Press in the most popular and widely used inclusive language edition translated by Irish Dominican Austin Flannery October 21 2008 As the worldwide Church continues to celebrate the fiftieth anniversary of the Council 1962-65 there is a great need in college classrooms and parish faith formation groups as well as for individuals to again have access to these documents in contemporary English As Flannery wrote in his introduction to the 1996 edition The translation of the texts of the Vatican documents in the present volume differs from that in the previous publication in two respects It has been very considerably revised and in places corrected It is also to a very large extent in inclusive language I say to a very large extent because we have used inclusive language in passages about men and women but not however in passages about God except where the use of the masculine pronoun was easily avoidable

The Pastoral Constitution on the Church in the Modern World Bill Huebsch, William Huebsch, 1997 The hope and dream of the creators of these study guides is that all the faithful of the Church lay religious and clergy become familiar with the Vatican II documents and better equipped to pass on the faith That all the faithful become better informed ministers of the Church and help animate the world with the Christian Spirit It is the dream of Pope John XXIII himself May we recognize that in the council's work
