Pastoral Care Theology:

A Theology of Pastoral Care Eduard Thurneysen, 2010-07-01 From a thoroughly biblical viewpoint Eduard Thurneysen probes deeply into the nature and practice of pastoral care His rich understanding of men his experience in counseling and his grasp of theological thought infuse his approach with vitality and truth As he considers the basis of pastoral care Thurneysen puts forward the thesis that the purpose of counseling is to communicate the Word of God to individuals Pastoral care is a ministry along with those of sermon and sacrament its aim is to lead the counselee back to sermon and sacrament in the worship of the church Although he does little more than hint at rules and techniques for pastoral care Thurneysen is greatly concerned with its practical aspects It is his belief that the care of souls occurs through conversation confident open minded conversation which is founded on the Word of God informed by prayer and manifested in active listening to and acceptance of the counselee Thurneysen demonstrates the importance of a knowledge of psychology and the principles of psychotherapy Depth psychology and psychotherapy deeply enrich our understanding of human nature and serve to communicate the message of forgiveness all the more powerfully This book provides a critical theological study of the whole field of pastoral care As a work in practical theology it will be stimulating and useful to professors of counseling as well as to students in the field Counselors and pastors will find it helpful because it throws light on the fundamental issues involved in problems which they face in their ministries

The Pastoral Care Case Donald Capps, Gene Fowler, 2010-03-01 The case study method is popular and effective in the pastoral care of individuals This book outlines a method for using the case study approach on a congregational level offering guidelines for analyzing and refining such aspects of ministry as worship preaching and Christian education

Pastoral Care Dr. John Patton, 2010-09-01 The essentials of pastoral care involve the pastor's distinctive task of caring for those who are estranged the lost sheep Taken from the biblical image of the shepherd the pastor by virtue of his or her professional calling cultivates wise judgment in order to hear the hurting and offer guidance reconciliation healing sustaining presence and empowerment to those in need This book will outline the quintessential elements pastors need to wisely minister in today's context by discussing four major kinds of lostness grief illness abuse and family challenges The purpose of the Abingdon Essential Guides is to fulfill the need for brief substantive yet highly accessible introductions to the core disciplines in biblical theological and religious studies Drawing on the best in current scholarship written with the need of students foremost in mind addressed to learners in a number of contexts Essential Guides will be the first choice of those who wish to acquaint themselves or their students with the broad scope of issues perspectives and subject matters within biblical and religious studies

Theological Context for Pastoral Caregiving William M Clements, Howard W Stone, 2013-09-05 In *Theological Context for Pastoral Caregiving* Howard W Stone helps his fellow pastors and worship leaders provide effective and faithful pastoral care and counseling through the study of the correlation between pastoral care and theology You will learn that in order for pastoral care to be effective it must have a

theological base to shape the caregiving experience At the same time theology must be informed by the needs and experiences of the people being served and by the ministry of pastoral care By relating these two issues you gain a unique viewpoint not offered by books with simply a psychological focus The author draws from his day to day clinical practice of pastoral care and counseling to show how pastoral care and theology can be brought together Through Howard Stone's work the reader learns of an overview of pastoral care and counseling today how to provide a pastoral assessment of the persons served the author's theological understanding of the ministry of pastoral care and counseling methods for correlating theology and pastoral care how spiritual direction as a discipline can help pastoral care and counseling ministry regain a solid theological base theological themes that might be more explicitly and intentionally related to pastoral care Theological Context for Pastoral Caregiving provides useful information for parish pastors people in training to be parish pastors and specialists in the field of pastoral care counseling As one of the easiest to read books on this subject it can also be used as a text for graduate level classes in courses such as Theology and Pastoral Care Pastoral Theology and Practical Theology With this book seminary students will finally be able to relate the practical things learned in pastoral counseling classes with what is learned in theology classes

Pastoral Theology Thomas C. Oden, 1983-05-25 This much needed book fully integrates principles of pastoral care leadership and theology to restore to ministers a clearly defined pastoral identity Moving from a critique of inadequate models for ministry from community organizer to T V evangelist Oden develops a more classical model rich in its references to the past and compatible both with Christian faith and theology through the ages and with current needs Reconciling classical tradition with practice Pastoral Theology will be a standard resource and reference in the field Oden distills the best ideas of the two millennia of ecumenical Christian thinking concerning what pastors are and do Pastoral Theology provides the foundational knowledge of the pastoral office requisite to the practice of ministry It will be of interest to persons preparing for ordination in its review of key issues at the same time Pastoral Theology will appeal to all those who have considered entering the ministry those who want to know more about what clergy do and why and those ministers who want to review their ongoing work in the light of a systematic reflection on the pastoral gifts and tasks

The Meaning of Pastoral Care Carroll A. Wise, 1966 The author contends that the focus of pastoral care should be on helping people become themselves what God intended them to become through a deep and personal relationship between pastor and person rather than by doling out theological or ethical formulas for particular problems Pastoral care should denote the relationship of the pastor to his people in all activities not merely in dealing with persons in crises

Pastoral Care and Counseling Helsel, Philip Browning, 2019 Addresses the critique that pastoral care is indistinguishable from secular psychotherapy by placing a person's relationship to God at the center of pastoral care

Spiritual Dimensions of Pastoral Care David Willows, John Swinton, 2000 Written by significant researchers and practitioners within the field this unique collection of key texts introduces the reader to practical theology It critically explores the way in which the spiritual

dimension of pastoral care has entered into constructive dialogue with other disciplines and ways of thinking including psychiatry psychology counselling intercultural studies educational methodology narrative theory and political studies Set within this multidisciplinary context the individual contributions a selection of articles from a leading journal of pastoral theology *Contact The Interdisciplinary Journal of Pastoral Studies* cover a wide range of practical and theological issues that alert the reader to the spiritual dimension of pastoral care such as bereavement sexuality ethics learning disabilities infertility the meaning of pain sickness and suffering and the nature of theology as a practical discipline The book is an invaluable resource for practitioners researchers students and all who have an interest in the ways in which a spiritual dimension can enhance caring practices within a multidisciplinary context

The Professionalization of Pastoral Care T. Dale Johnson, 2020-07-21 When the organization and structure of the church in America was altered in the early 1900s to meet modern demands the role of the pastorate became more specialized to adapt to the burdens of the new efficient structure In 1920 Gaines Dobbins utilized the business efficiency model at Southern Baptist Theological Seminary to formulate a distinct ecclesiology Discontent with traditional methods of instruction in theological education Dobbins sought to implement theories and methodologies from modern educationalists He adopted a psychologized educational methodology and utilized the psychology of religion as an empirical measure of the soul human nature and human behavior Use of the social sciences seemed to grant Dobbins as a practitioner academic respectability within the realm of theological education Both the professionalization that resulted from Dobbins's efficiency standards and a working theory of human nature derived from psychological models were synthesized into a specialized system of pastoral care Dobbins followed the new shape of pastoral theology in America adopting Clinical Pastoral Education CPE as the model for pastoral training As a result CPE became an integral part of the curriculum at Southern Baptist Theological Seminary for over sixty years and spread to influence many other SBC entities

Pastoral Care in Context John Patton, 2005-02-18 An expert in the field of pastoral care John Patton demonstrates that pastoral care is a ministry of the church He focuses on the community of faith as an authorizer and source of care and upon the relationship between the pastor and a caring community Patton identifies and compares three paradigms of pastoral care the classical the clinical pastoral and the communal contextual This third paradigm emphasizes the caring community and the various contexts for care rather than focusing on pastoral care as the work of the ordained pastor

Pastoral Theology and Care Nancy J. Ramsay, 2018-03-19 Leading pastoral theologians explore a wide variety of themes related to pastoral practice *Pastoral Theology and Care Critical Trajectories in Theory and Practice* offers a collection of essays by leading pastoral theologians that represent emerging trajectories in the fields of pastoral theology and care The topics explored include qualitative research and ethnography advances in neuroscience care across pluralities and intersections in religion and spiritualities the influence of neoliberal economics in socio economic vulnerabilities postcolonial theory and its implications the intersections of race and religion in caring for black women and

the usefulness of intersectionality for pastoral practice Each of the essays offers a richly illustrated review of a practice of pastoral care relationally and in the public domain The contributions to this volume engage seven critical directions emerging in the literature of pastoral theology in the United States and internationally among pastoral and practical theologians While coverage of these topics does not exhaust important points of activity in the field it does represent especially promising resources for theory and practice This important work Offers unique coverage of new directions in the field Includes contributions from an exceptional group of experts who are noted leaders in their areas of study Introduces the newest perspectives on pastoral care and offers constructive proposals Filled with case illustrations that make chapters pedagogically useful Pastoral Theology and Care is essential reading for faculty seminarians and students in advanced degree programs and pastors

Preface to Pastoral Theology Seward Hiltner, 1958 *An Introduction to Pastoral Care* Charles V. Gerkin, 1997 With generative wisdom Gerkin moves beyond the predominance of the psychotherapeutic paradigm in pastoral care to a dynamic interactive process which balances faith culture community and individual well being Gerkin s history of pastoral care is skillful His analysis of the current transitions in the field of care will make this book a classic

Jeanne Stevenson Moessner Columbia Theological Seminary Decatur and the Georgia Association for Pastoral Care Out of the abundance of his many years as a pastoral caregiver and theologian Gerkin introduces readers to the history theory and practice of pastoral care This book represents the best of Protestant liberal pastoral theology and fills a long standing gap The narrative hermeneutical paradigm which Gerkin offers holds and works with many of the complexities of pastoral care in postmodern times

Carrie Doehring School of Theology Boston University Gerkin s Introduction to Pastoral Care breaks new ground for an introductory text in its emphasis on care as the central metaphor of life in the Christian community Thus the scope is much larger than the more usual focus only on individual and family needs He is deeply sensitive to both individual and community dimensions through his quadrilateral nexus of tradition individuals and family community and cultural context

James N Lapsley Princeton Theological Seminary The formula appears simple take the very best of pastoral care theory and research of the past build upon it the best of contemporary literature and practice in the pastoral arts and sciences season it with rich experiences of a pioneer in the pastoral care counseling and education movement and you have a solid bridge to the 21st century Gerkin has proven the formula Gerkin articulates a pastoral care for the 21st century

A History of Pastoral Care G. R. Evans, 2000-05-01

A history of pastoral care is a history of the Christian church in action. But if any sense is to be made of the centuries of Christian work and effort not only the practicalities of making the message of the Gospel a reality on earth but also the ideas which have shaped the attempt century by century must be examined. This is the history of 2000 years of thought and practice in Christian pastoral ministry. Until comparatively late in that story the bulk of the formative thinking took place in the Middle East and in Europe and this forms the background for recent developments in understanding human nature and the ways in which that understanding has influenced our thinking in pastoral care. Subjects covered range from the Biblical foundations to the sects and new religious movements from the Fathers the monks the Friars the Templars to the changes at the end of the twentieth century.

Pastoral Theology in an Intercultural World Emmanuel Y. Lartey, 2013-03-13

In today's world the challenge of care is how to respond to people's emotional as well as their economic circumstances. How can we be respectful of the individual and the community in ways that affirm both? How are we to live respectfully with difference and ambiguity? Where shall we find our models of life and care from the dominant Western or else some kind of global perspective that includes indigenous knowledge? In our theologies do we continue to privilege the study of abstract conceptual theory or do we give place to pragmatic aesthetic and nonverbal forms? In the face of increasing extremism terrorism and violence is it possible to make a sensible choice between radical relativism and absolute essentialism? Are we to be drawn towards the various expressions of religion or to the opportunities and ambiguities of spirituality as it is called upon in many societies today? With the scarce resources available or allocated to health care in many national budgets across the world shall we give greater attention to the eradication of disease through increasingly advanced technologies and therapeutic strategies or to the promotion of health through primary health care and public health education?

Pastoral Theology in an Intercultural World presents practical theological resources for the broad vision, deep passion and thoughtful action needed for pastoral care in the twenty-first century.

A History of Pastoral Care in America E. Brooks Holifield, 2005-11-01

Here for the first time the development of pastoral care as a discipline has been documented. Dr Holifield details the shift in emphasis from saving souls to supporting individuals in self-realization and in the process raises thought-provoking questions about the preoccupation with psychological methodology evident in modern society and clergy. Every pastor wittingly or unwittingly adopts some theory of pastoral counseling whether it be derived from the seventeenth century or from the twentieth, says Dr Holifield. From colonial America's intellectual approach to today's therapeutic self-culture he explores those theories. Theological, social, economic and psychological threads are interwoven with fascinating conversational examples to show how Protestantism helped to form and was influenced by changing social orders. Broad in scope, scholarly in detail yet immensely readable, this is an important book for clinical pastoral educators, students, professionals, everyone interested in church and social history.

A Roman Catholic Theology of Pastoral Care Regis A. Duffy OFM, 2010-05-01

Drawing upon the long history of care in the sacramental mission of the clergy, especially since the reforms of Vatican II, Father Duffy offers a new model

that can stimulate both Catholic and Protestant pastoral care to fresh thinking and imaginative reconstruction The model derives from the catechumenate that lengthy process of study and service which down through the ages has preceded baptism and guided Christian formation Reflecting a judicious use of interdisciplinary insights and praxis theology Father Duffy s vision represents an ecumenical contribution to sharpened focus and strengthened identity for pastoral care and practice

Ritual and Pastoral Care Elaine Ramshaw, 1987-01-01 Ritual can resonate to human need and to this end there is much the ritualist can learn from the psychological insights into human development and personality familiar to those in the field of pastoral care

Pastoral Care Theology: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have captivated audiences this year. Pastoral Care Theology : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Pastoral Care Theology : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Pastoral Care Theology : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
