Pastoral Prayer:

Pastoral Prayers to Share, Year B David Sparks, 2011 Just what is pastoral prayer all about When we pray for others and ourselves what are we attempting to do As David Sparks explains as pastoral pray ers we are about bringing ourselves into right relationship with God both as individuals and as a faith community As pastoral pray ers we are about expressing our compassion for suffering humanity and fulfilling God's intention of establishing God's realm on earth Pastoral pray ers are also about being involved in the answers to our prayers. There is no trying to persuade God to do what we ourselves could do with some energy and effort here Sparks writes his prayers to awaken in us an awareness of where to put our energy and use our faith to bring about God's kingdom on earth The paryers cover local and worldwide events individual and congregational concerns They are lectionary based and responsive and can be easily adapted to particular circumstances and used in a variety of settings Pastoral Prayers to Share Year A David Sparks, So what are we about as pastoral pray ers We are about bringing ourselves individually and as a faith community into right relationship with God What about a Revised Common Lectionary based book of pastoral prayers for clergy and lay leaders that provides responsive prayers for each Sunday of the year David gets asked this question often when people recognize him as the author of the three volumes of Prayers to Share So acknowledging that the pastoral prayer is often overlooked and undervalued and that clergy and lay leaders may be hard pressed for time to compose a fresh pastoral prayer each week he has put together a unique and comprehensive collection of prayers that can be adapted to present circumstances and used in a variety of settings The prayers are responsive written for one or two leaders and a congregational response They all allow for the inclusion of local and worldwide current events and individual and congregational concerns David usually uses the weekly Gospel reading as the broad theme for the prayers and divides them into four easily identified sections world suffering church ourselves The how to use section covers preparing to offer pastoral prayer and offers 12 ways to do pastoral prayer such as two leader congregational response using people and objects to dramatize a theme using part of a hymn for a lead or a response using silence for effect Each week offers specific suggestions for two or three prayer formats Other features include Thematic Index Scripture Index Icons in the margin to enable guick identification of prayer sections and alternate suggestions Data CD with text files for Year A included with the print version Pastoral Prayers for All Seasons Rolland R.
