Pat Cleburne, Confederate General Howell Purdue, Elizabeth Purdue, 1977 **Pat Cleburne, Confederate General** Howell Purdue, Elizabeth Purdue, 1973 *Biographical Sketches of Gen. Pat Cleburne and Gen. T. C. Hindman* Charles Edward Nash, 1898 **Pat Cleburne, Confederate General** Howell Purdue, Elizabeth Purdue, 1973 **Invisible Hero** Bruce H. Stewart, 2009 The direction and focus of this book is on the military and political aspects of Cleburne's service while avoiding the social or personal sidelights found in a general biography The book examines the relationships that governed Cleburne's actions particularly those with Braxton Bragg William Hardee and John B Hood Their thoughts as well as the official policies in Richmond were pivotal in his Civil War career Battles and movements are explained in an objective light exposing his triumphs as well as his failures his assets as well as his shortcomings While correspondence from Cleburne's superiors reveals their confidence in his ability the ultimate lack of a well deserved promotion is explored in great depth Accounts and letters from soldiers in the ranks present a picture of the general in the field as seen by his own men The result has been an analysis of a man unappreciated by his own government yet widely regarded as the finest infantry officer in the Western Theatre **A Meteor Shining Brightly** Mauriel Joslyn, 2000 Patrick Cleburne came to America from Ireland as impoverished gentry during the Great Famine period Shaped by the harshness of the British army and his Irish heritage his concept of freedom was more political than inalienable When his adopted country was ripped apart by Civil War Cleburne came from nowhere to gain fame and immortality as the highest ranking Irishman of either army and the most capable division commander of the Confederate Army **Biographical Sketches of Gen. Pat Cleburne and Gen. T. C. Hindman** Charles Edward Nash, 2023-07-18 The story of two Confederate generals Patrick Cleburne and Thomas Hindman who fought in the American Civil War and the impact of their lives and leadership on the Southern cause This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Confederate Generals in the Western Theater: Classic essays on America's Civil War** Lawrence L. Times New Roman div Section1 page Section1 The American Civil War was won and lost on its western battlefields but accounts of triumphant Union generals such as Grant and Sherman leave half of the story untold In the third volume of Confederate Generals in the Western Theater editors Lawrence Hewitt and Arthur Bergeron bring together ten more never before published essays filled with new penetrating insights into the key question of why the Rebel high command in the West could not match the performance of Robert E Lee in the East Showcasing the work of such gifted historians as Wiley Sword Timothy B Smith Rory T Cornish and M Jane Johansson this book is a compelling addition to an ongoing collective portrait of generals who occasionally displayed brilliance but were more often handicapped by both geography and their own shortcomings While the vast varied terrain of the Western Theater slowed communications and troop transfers and led to the creation of too many military departments that hampered cooperation among commands even more damaging were the personal qualities of many of the generals All too frequently incompetence egotism and insubordination were the rule rather than the exception Some of these men were undone by alcoholism and womanizing others by politics and nepotism A few outlived their usefulness others were killed before they could demonstrate their potential Together they destroyed what chance the Confederacy had of winning its independence Whether adding fresh fuel to the debate over the respective roles of Albert Sidney Johnston and P G T Beauregard at Shiloh or bringing to light such lesser known figures as Joseph Finegan and Hiram Bronson Granbury this volume like the ones preceding it is an exemplary contribution to Civil War scholarship Lawrence Lee Hewitt is professor of history emeritus at Southeastern Louisiana University A recipient of SLU s President s Award for Excellence in Research and the Charles L Dufour Award for outstanding achievements in preserving the heritage of the American Civil War he is a former managing editor of North South His publications include Port Hudson Confederate Bastion on the Mississippi The late Arthur W Bergeron Jr was a reference historian with the United States Army Military History Institute and a past president of the Louisiana Historical Association Among his earlier books were Confederate Mobile and A Thrilling Narrative The Memoir of a Southern Unionist

Welsh, 1995 This is a compilation of the medical histories of 425 Confederate generals It does not analyze the effects of an individual s medical problems on a battle or the war but provides information about factors that may have contributed to the wound injury or illness and the outcome

The Top 5 Greatest Confederate Generals Charles River Charles River Editors, 2018-02-23 Includes pictures and maps Includes bibliographies on each general for further reading With the exception of George Washington perhaps the most famous general in American history might be Robert E Lee despite the fact he led the Confederate Army of Northern Virginia against the Union in the Civil War Lee had distinguished himself so well before the Civil War that President Lincoln asked him to command the entire Union Army Lee famously declined serving his home state of Virginia instead after it seceded Lee s most famous subordinate Thomas Jonathan Jackson earned his famous Stonewall moniker at the First Battle of Bull Run when Brigadier General Bee told his brigade to rally behind Jackson

whose men were standing like a stone wall Lee's other most famous subordinate was James Longstreet the man Lee called his old war horse Had Longstreet died on the field in early May 1864 he would almost certainly be considered one of the South's biggest heroes However it was his performance at Gettysburg and arguments with other Southern generals after the Civil War that tarnished his image One of the only bright spots in the West for the Confederacy was Irish immigrant Patrick Cleburne whose successes earned him the nickname Stonewall of the West Where so many Confederates were failing Cleburne's strategic tactics and bold defensive fighting earned him fame and recognition throughout the South even leading Lee to call him a meteor shining from a clouded sky Confederate Lieutenant General Nathan Bedford Forrest is possibly the war's most controversial soldier A self-made man with no formal military training Forrest spent the entire war fighting in the West becoming the only individual in the war to rise from the rank of Private to Lieutenant General Forrest has been credited with having killed 30 Union soldiers in combat and having 29 horses shot out from under him

Courage Under Fire Wiley Sword, 2011-03-29 If it is necessary that I should fall on the battlefield for my courage does not halt or falter Major Sullivan Ballou 1861 prior to the Battle of Bull Run In **Courage Under Fire** award-winning historian Wiley Sword captures the fervor of a nation at war with itself a war that pitted brother against brother Through the immediacy of diaries and letters written not only on the battlefields and in camps but also on the deathbeds of soldiers from both the North and South Sword lays bare the complexities and depth of a soldier's mind in coming to grips with life and death even while his country and often his family is mercilessly ripped apart From wives and mothers to the highest military figures all strived toward often worthy but difficult objectives while seeking to suffer as little as possible Featured in this compelling study of men and women facing the severest stress of their lives are fascinating stories such as that of Union Lieutenant Colonel Frank Curtiss He was ordered to take his regiment the 127th Illinois in a hopeless charge against the enemy's fortified lines at Atlanta Ga on August 3 1864 Aware that many of his men would die needlessly and for minimal tactical gain he refused to obey these orders The moral courage to fight meant also to appropriately assess the risks and weigh the loss in lives of one's soldiers Confederate General John Bell Hood's decision to sacrifice much of his army at Franklin Tennessee on November 30th 1864 ranks as one of the saddest events of the war His aggressive behavior is assessed in terms of both moral and physical courage providing a revealing insight into the character of one of the war's key commanders The prospect of death in battle was a fearsome prospect for Lucy Morse who kept desperate hope her husband William H Morse would survive the fighting She wrote to him I was almost crazy before I heard from you for fear that you had shared the fate of many a brave soldier Her story and that of the fateful events in their lives provides graphic evidence of the fiber of America's soldiers and their worthy families In a revealing portrait of courage and its often bloody consequences Wiley Sword conveys a vivid picture of bravery under extreme stress which is fully appropriate in today's world

Stonewall of the West Craig L. Symonds, 1997 This text offers a critical biography of Patrick Cleburne It explores the sources of Cleburne's commitment to the Southern cause his growth

as a combat leader from Shiloh to Chickamauga and his emergence as one of the Confederacy's most effective field commanders **Irish Americans in the Confederate Army** Sean Michael O'Brien, 2013-01-29 In 1861 Americans flooded to enlist for what all thought would be a short and glorious war Anxious to prove their loyalty to their new homeland thousands of Irish immigrants were among those who hurried to join the fight on both sides While the efforts of the Union's legendary Irish Brigade are well documented little has been said regarding the role Irish American soldiers played for the Confederacy This comprehensive history explores the Irish contribution to the Confederate military effort throughout the four major combat theatres of the Civil War Beginning with an overview of Irish Americans in the South the book looks at the Irish immigrant experience and the character of the typical Irish Confederate soldier detailing the ways in which Irish communities supported the Southern war effort The main focus is the military actions in which Irish American soldiers were present in significant or influential numbers With a combat death rate disproportionate to their numbers the 40 000 Irish who served in the Confederate army played significant roles in the Army of Northern Virginia the Army of Tennessee the hotly disputed coastal areas and the Mississippi and Trans Mississippi campaigns Most major battles of the war are discussed including Manassas Sharpsburg Gettysburg Shiloh Murfreesboro and Appomattox Appendices contain a list of various Irish commands and field commanders in the Confederate Army **Confederate Generals in the Trans-Mississippi, Vol. 2**

Lawrence Lee Hewitt, Arthur W. Bergeron, Thomas E. Schott, 2015-05-29 Generals in the Trans Mississippi have received little attention compared to their eastern counterparts and many remain mere footnotes to Civil War history This welcome volume features cutting edge analyses of eight Southern generals in this most neglected theater Thomas Hindman Theophilus Holmes Edmund Kirby Smith Mosby Monroe Parsons John Marmaduke Thomas James Churchill Thomas Green and Joseph Orville Shelby providing an enlightening new perspective on the Confederate high command From book jacket
