Immigration Man Michael Carrigan, 2019-05-02 *Immigration Man* By Michael Carrigan Enforcing immigration laws by prohibiting illegal entry into the U S while a dangerous and often thankless job is carried out on a daily basis by our nation's brave Border Patrol agents Chief Pat Brennan as a U S Border Patrol agent was committed to all aspects of his job including halting the flow of illegal immigrants attempting to make their way into the United States from Mexico However it isn't until Chief Brennan rescues Teresa a young pregnant Mexican woman during a nighttime watch that he begins to realize that even the most well

trained and well prepared Border Patrol agents struggle with emotions that may impede their ability to make clear decisions and carry out their job duties As a result of the harrowing rescue operation Chief Brennan finds himself bonding with Teresa and questioning his commitment to the Border Patrol and the lengths he will go to protect her and her unborn child Immigration Man explores the inner turmoil often experienced by our nation s Border Patrol agents and the choice one agent makes when humanity surpasses all The Tragic Days of Billy the Kid Frazier Hunt,2009 Since a July night in 1881 when he was shot down at the age of 21 Billy the Kid has been a victim of the myths that surrounded and captured him This vivid interpretation of the Kid s life and character will come as an exciting revelation to readers who may have been familiar only with the earlier fictionalized versions For here is real moving tragedy painted in broad brush strokes with the vivid hues of the stark American Southwestern landscape Never before has there been brought into true focus the Lincoln County War which broke out in 1878 in the then Territory of New Mexico and which furnished the background and the period for the adventures of this extraordinary boy The literature concerning both the desperate cattle war and the singular young outlaw have necessarily been constructed around a thin framework of fact with its papier mach fa ade of myth and legend So persistent have been these legends that the true character of the Kid seemed almost beyond reach Indeed the Western poet Arthur Chapman once wrote that Billy the Kid must remain wholly the most unaccountable figure in frontier history Frazier Hunt 1885 1968 had the good fortune to have access to a great mass of fresh and unpublished source material which fully documents this thrilling history of the Kid and his times It is a new and rather appealing boy who now comes to light an alert likeable yet tough youngster adored by the native Mexicans no less for his fluency in Spanish than for his kindness and consideration but no wanton killer In place of the former distorted figure of legend a young man of flesh and blood and heart emerges into clear perspective So at last we have the real Billy the Kid authentic true and completely accountable

PILOT HERE OR PILE IT THERE Lt. Col. William E. Hubert, USAF (Ret.), 2006-12-25 Pilot Here or Pile It There is an autobiography relating many of

Bill's experiences during 45 years of a widely diversified career as pilot. It also includes a few unusual events or circumstances that Bill encountered as a direct result of being a pilot. He attained his civilian instructor and instrument ratings in mid 1946 which early on qualified him to engage in almost unlimited piloting endeavors. Considering that his activities as a pilot included a military career, manager of a civilian flight school and charter service, a non-scheduled air freight pilot and Civil Air Patrol pilot, some interesting situations were bound to occur. I neglected to mention he was chief pilot in a failed attempt to start a scheduled air shuttle service. Bill's one ambition that he never achieved was to be in a combat situation. He received his Army Air Corps pilot wings and commission in June 1944 during WWII at the age of nineteen. He had two breaks in military service from which he was recalled in August of 1950 for the Korean conflict and again in 1958 prior to Viet Nam. Bill's three tours of active duty certainly provided ample opportunities for the Air Force to fulfill his one missing challenge. *The Timberman*, 1924 **Max Blaze: Re: Generation** Steven M.

Gondré-Lewis, 2016-12-21 Earth was found uninhabitable and the human race sought a new home among the stars. For 1000 years they traveled across the cosmos and found a planet named Zapheraizia. Adapting to their new planet, humans evolved and in doing so gained incredible superpowers. The Negative Wars had begun almost immediately after they settled. They and others in the universe fought against an unstoppable force led by a man named Xaldoruks. Generations of young heroes known as Sandsharks, operatives of the Universal Protection Agency, fought to bring peace back to the universe. Max, a young pyrokinetic boy, dreamed of nothing more than joining the fight and ending the war. When he finally gets his chance, he discovers he may play a larger role in the universe's battle between light, darkness, and the balance between them.
