Patches Finds a New Home Edna Miller,1988 Patches a tame tabby cat raises her kittens in the forest until the approach of a hurricane forces her to seek shelter at a roadside house *What Tail?* Roberta R. Barnes,2014-07-17 Misty asked everyone how pine trees could make such yummy smells None of the answers ever made any sense One day she let her nose lead her to the answer in the Annan Woods where she began discovering secrets Ve lives in the Annan Woods He walks and talks like other animals He likes to run through the meadow on sunny mornings like other animals but he is not at all like other animals By accident he wakes up one day with a very big problem The only way he can explain his problem to the wise old Mr Owl who is the wisest of all wise owls is to show the wise old Mr Owl his secret The wise old Mr Owl tells Ve about many things including other animals in the Annan Woods who are different from those in their family but special in their own way As you read you learn why Mother Nature gave striped skunks the terrible smelling oil that they spray Wolvie s plan shows you how being different can be a very good thing You will find yourself shaking your head and clapping as you read about the adventures in the Annan Woods You can think about Ve s tail any way you like and no one can say you are wrong
