Pater In The 1990s

Jay Losey, William Dean Brewer

Pater In The 1990s:

Pater in the 1990s Laurel Brake, Ian Small, 1991 **The Platonism of Walter Pater** Adam Lee, 2020 As a teacher of Plato in Oxford's Literae Humaniores Walter Pater was informed by philosophy from his earliest essays to his last book *The Platonism of Walter Pater* examines Pater's deep engagement with Platonism throughout his career It overturns his reputation as a superficial aesthete known mainly for his *Conclusion to The Renaissance* to reposition his contribution to literature and the history of ideas In his criticism and fiction including his studies on myth Pater was influenced by several of Plato's dialogues *Phaedrus* *Symposium* *Theaetetus* *Cratylus* and *The Republic* informed his philosophy of beauty history myth knowledge ethics language and style As a philosopher critic and artist Plato embodied what it meant to be an author to Pater who imitated his creative practice from vision to expression For Pater Platonism was also a point of contact with his contemporaries including Matthew Arnold and Oscar Wilde offering a means to take new measure of their literary relationships Using the interdisciplinary critical tools of Pater's own educational milieu which combined literature philosophy and classics *The Platonism of Walter Pater* repositions the importance Pater's contribution to literature and the history of ideas *The Collected Works of Walter Pater, Vol. IX: Correspondence* Walter Pater, 2023 Correspondence is the ninth volume in the ten volume *Collected Works of Walter Pater* This volume presents for the first time all of Pater's known correspondence fully annotated offering a complete overview of Pater's academic professional and personal lives **Walter Pater and Persons** Stephen Cheeke, 2024-07-12 *Walter Pater and Persons* investigates the vital concept of the Person in the work of Walter Pater a major influence on late nineteenth and early twentieth century literature Stephen Cheeke explores the intersections of the person persona and personality in Pater's work re-examines arguments about his famously personal prose style traces Pater's ambivalent fascination with impersonality and asceticism considers the poetics of personification in his writings about Greek myth and religion in the divine logos of early Christianity and in the theory of Platonic Universals and explores his fascination with metempsychosis the many persons through whom the individual soul transmigrates Cheeke also explores the networks in which Pater was interpreted and misinterpreted by different persons and personalities such as Oscar Wilde Arthur Symonds and W B Yeats Their misreadings of Pater and rebellions against his work from Decadent antinomian and mystical perspectives reveal the ways in which Pater's writing had always been in a critical dialogue with its own thinking as well as a prescient one in relation to his reception The philosophical question of what is a person a crucial one for the nineteenth century and with an increasing urgency in our own times is illuminated throughout this work **Walter Pater** Kate Hext, 2016-06-30 *Repositioning Walter Pater at the philosophical nexus of Aestheticism* this study presents the first discussion of how Pater redefines Romantic Individualism through his engagements with modern philosophical discourses and in the context of emerging modernity *Pater in the 1990s* Laurel Brake, 1991 **The 1990s** Richard Alan Schwartz, 2006 *Traces the history of the United States during the 1990s through such primary sources as*

memoirs letters contemporary journalism and official documents

Walter Pater and the Beginnings of English

Studies Charles Martindale, Elizabeth Prettejohn, Lene Østermark-Johansen, 2023-11-09 The first collected study of Pater's significance to criticism revealing his pivotal role in establishing principles of the literary essay Walter Pater's European Imagination Lene Østermark-Johansen, 2022 This is the first monograph that explores the work and legacy of Walter Pater from a European perspective It offers an in depth analysis of Pater's fictional imaginary portraits which trace the development of the European self over an extensive period of some two thousand years Nineteenth Century Prose, 1994

British Aestheticism and the Urban Working Classes, 1870-1900 D. Maltz, 2005-11-22 This cultural study reveals the interdependence between British Aestheticism and late Victorian social reform movements Following their mentor John Ruskin who believed in art's power to civilize the poor cultural philanthropists promulgated a Religion of Beauty as they advocated practical schemes for tenement reform university settlement education Sunday museum opening and High Anglican revival Although subject to novelist's ambivalent even satirical representations missionary aesthetes nevertheless constituted an influential social network imbuing fin de siècle artistic communities with political purpose and political lobbies with aesthetic sensibility Studies in Walter Pater, 2008 **Beauty and the Beast**, 2020-10-12 1994 marked the centenary of the deaths of Walter Pater Christina Rossetti and Robert Louis Stevenson and *Beauty and the Beast* is largely devoted to an exploration of aspects of their lives and their writings and the role they played in the development of British literature Both individually and as a group these writers offer interesting opportunities to investigate a distinctive ambivalence in the literature of the last three decades of the nineteenth century Thus we may observe how Pater as the founder of Aestheticism in British literature addressed the Victorian dilemma how to live in Marius the Epicurean how Rossetti's poetry expresses both spiritual and erotic tendencies while Stevenson's *The Strange Case of Dr Jekyll and Mr Hyde* is perhaps the epitome of the fin de siècle tension between good and evil beauty and beast Yet the scope of this book also includes an examination of the relationships between these three authors and their contemporaries and of their setting on the British Isles as well as on the Continent Thus George Moore makes his appearance next to Anton Chekhov Arthur Schnitzler Oscar Wilde Alain Fournier and Louis Couperus The various discussions of these French German Russian Italian Irish and Dutch connections in this book reflect the international setting of the European fin de siècle as a background against which the theme of *Beauty and the Beast* is discussed Contributors are Wim Tigges C C Barfoot Jan Marsh Valeria Tinkler Villani Amanda Gilroy Peter van de Kamp Billie Andrew Inman Laurel Brake Peter Costello Ans Kabel Douglas S Mack Tim Youngs Neil Cornwell Sjef Houppermans Jacques B H Alblas John Stokes Susan de Sola Rodstein *The Fin-de-siècle Poem* Joseph Bristow, 2005 Featuring innovative research by emergent and established scholars *The Fin de Siècle Poem* throws new light on the remarkable diversity of poetry produced at the close of the nineteenth century in England Opening with a detailed preface that shows why literary historians have frequently underrated fin de siècle poetry the collection

explains how a strikingly rich body of lyrical and narrative poems anticipated many of the developments traditionally attributed to Modernism Each chapter in turn provides insights into the ways in which late nineteenth century poets represented their experiences of the city their attitudes toward sexuality their responses to empire and their interest in religious belief The eleven essays presented by editor Joseph Bristow pay renewed attention to the achievements of such legendary writers as Oscar Wilde John Davidson Ernest Dowson Lionel Johnson and W B Yeats whose careers have always been associated with the 1890s This book also explores the lesser known but equally significant advances made by notable women poets including Michael Field Amy Levy Charlotte Mew Alice Meynell A Mary F Robinson and Graham R Tomson The Fin de Siecle Poem brings together innovative research on poetry that has been typecast as the attenuated Victorianism that was rejected by Modernism The contributors underscore the remarkable innovations made in English poetry of the 1880s and 1890s and show how woman poets stood shoulder to shoulder with their better known male contemporaries Joseph Bristow is professor of English at the University of California Los Angeles where he edits the journal Nineteenth Century Literature His recent books include The Cambridge Companion to Victorian Poetry Oscar Wilde Contextual Conditions and the variorum edition of Oscar Wilde s The Picture of Dorian Gray *The Reception of Walter Pater in Europe* Stephen Bann,2013-02-14 Just over a century after his death Walter Pater s critical reputation now stands as high as it has ever been In the English speaking world this has involved recovery from the widespread neglect and indifference which attended his work in the first half of the twentieth century In Europe however enthusiastic disciples such as Hugo von Hofmannsthal in the German speaking world and Charles Du Bos in France helped to fuel a growing awareness of his writings as central to the emergence of modernist literature Translations of works like Imaginary Portraits established his distinctive voice as an aesthetic critic and his novel Marius the Epicurean was enthusiastically received in Paris in the 1920s and published in Turin on the eve of the Second World War This collection traces the fortunes of Pater s writings in these three major literatures and their reception in Spain Portugal Poland Hungary and the Czech Republic Mapping Male Sexuality Jay Losey,William Dean Brewer,2000-12 Essays on attitudes to same sex relationships in nineteenth century England The essays examine writers such as Byron George Eliot Wilde Shaw and others MLA International Bibliography of Books and Articles on the Modern Languages and Literatures ,2008 **Before Queer Theory** Dustin Friedman,2019-09-03 A reimagining of how the aesthetic movement of the Victorian era ushered in modern queer theory Late Victorian aesthetes were dedicated to the belief that an artwork s value derived solely from its beauty rather than any moral or utilitarian purpose Works by these queer artists have rarely been taken seriously as contributions to the theories of sexuality or aesthetics But in Before Queer Theory Dustin Friedman argues that aestheticism deploys its art for art s sake rhetoric to establish a nascent sense of sexual identity and community Friedman makes the case for a claim rarely articulated in either Victorian or modern culture that intellectually creatively and ethically being queer can be an advantage not in spite but because of social hostility toward nonnormative

desires Showing how aesthetes among them Walter Pater Oscar Wilde Vernon Lee and Michael Field harnessed the force that Georg Wilhelm Friedrich Hegel called the negative Friedman reveals how becoming self aware of one s sexuality through art can be both liberating and affirming of humanity s capacity for subjective autonomy Challenging one of the central precepts of modern queer theory the notion that the heroic subject of Enlightenment thought is merely an effect of discourse and power Friedman develops a new framework for understanding the relationship between desire and self determination He also articulates an innovative queer notion of subjective autonomy that encourages reflecting critically on one s historical moment and envisioning new modes of seeing thinking and living that expand the boundaries of social and intellectual structures Before Queer Theory is an audacious reimagining that will appeal to scholars with interests in Victorian studies queer theory gender and sexuality studies and art history

Walter Pater and the Language of Sculpture Lene ?termark-Johansen,2017-07-05 Walter Pater and the Language of Sculpture is the first monograph to discuss the Victorian critic Walter Pater s attitude to sculpture It brings together Pater s aesthetic theories with his theories on language and writing to demonstrate how his ideas of the visual and written language are closely interlinked Going beyond Pater s views on sculpture as an art form this study traces the notion of relief rilievo and hybrid form in Pater and his view of the writer as sculptor a carver in language Alongside her treatment of rilievo as a pervasive trope Lene termark Johansen also employs the idea of rivalry paragone more broadly examining Pater s concern with positioning himself as an art critic in the late Victorian art world Situating Pater within centuries of European aesthetic theories as never before done Walter Pater and the Language of Sculpture throws new light on the extraordinary complexity and coherence of Pater s writing The critic is repositioned solidly within Victorian art and literature

Algernon Swinburne and Walter Pater Sarah Glendon Lyons,2017-07-05 How did literary aestheticism emerge in Victorian Britain with its competing models of religious doubt and visions of secularisation For Lyons the aestheticism developed and progressively revised by Algernon Charles Swinburne 1837 1909 and Walter Pater 1839 1894 illuminates the contradictory impulses of modern secularism on the one hand a desire to cast itself as a form of neutrality or disinterestedness on the other a desire to affirm this world as the place of human flourishing or even enchantment The standard narrative of a crisis of faith does not do justice to the fissured uncertain quality of Victorian visions of secularisation Precisely because it had the status of a confusing hypothesis rather than a self evident reality it provoked not only dread and melancholia but also forms of fantasy Within this context Lyons gives a fundamentally new account of the aims and nature of Victorian aestheticism taking as a focus its deceptively simple claim that art is for art s sake first of all

Enjoying the Song of Term: An Emotional Symphony within **Pater In The 1990s**

In a global consumed by screens and the ceaseless chatter of quick interaction, the melodic beauty and psychological symphony developed by the prepared term usually disappear in to the background, eclipsed by the constant noise and disturbances that permeate our lives. But, set within the pages of **Pater In The 1990s** an enchanting literary value filled with natural feelings, lies an immersive symphony waiting to be embraced. Constructed by an elegant composer of language, this interesting masterpiece conducts viewers on a mental journey, skillfully unraveling the hidden melodies and profound affect resonating within each cautiously crafted phrase. Within the depths of this emotional evaluation, we shall explore the book is key harmonies, analyze its enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
