*The Therapeutic Turn* Ole Jacob Madsen, 2014-06-05 In what ways has psychology become more influential in Western society In this book author Ole Jacob Madsen considers the notion of a Therapeutic Turn in Western culture the tendency for psychology to permeate ever new spheres within society The Therapeutic Turn evaluates the increasing prevalence of psychology in several areas of Western society Western consumer culture contemporary Christianity self help sport and politics Madsen proposes that there are problematic aspects to this development which are seldom recognised due to a widely held assumption that the more psychology the better for everyone A recurring concern with psychological solutions is that they often provide individual solutions to structural problems As a result psychologists may be inadvertently increasing the burden on the shoulders of the people they are meant to help and at the same time our capacity to understand individual suffering in the light of major historical and political changes in society is becoming increasingly clouded The Therapeutic Turn presents an accessible and engaging critique of the influence of psychology within Western society It will appeal to a broad audience of students academics and lay readers interested in this aspect of modernity and contemporary society and it will also be of great interest to practitioners and therapists

**PATH TO THE LIGHT OF CONSCIOUSNESS** Pierre Dubuc, 2023-08-16 This book is dedicated to any seeker who desires not only to understand more about the meaning of Life but to integrate it well to make a concrete positive impact in his experience here on Earth as he progresses It is dedicated to those who would like a

tool to propel their own self realization In this book you will find the guiding line of Pierre Dubuc s career the evolution of his approach of spiritual regression over more than forty years You will read how he knew how to bring more and more people throughout his life to walk towards obtaining increased well being in all spheres of human experience by supporting them in sessions allowing them to expand their consciousness for a better understanding of who they are and their relationship with the Source of Life and this through the exercise of their free will You will learn how through these accompaniments for more than four decades he came to receive light guidance and develop the program of the Genesis of our Energy into Matter from our Spirit GEMS which is accessible to everyone wishing to achieve more global self realization for a better life experience This book thus leads to presenting you with a program of twelve sessions very concrete precise effective structured on which you can find more information here [soulregression.com](http://soulregression.com) This book also discusses the interdimensional aspect of the soul Specifically it deals with the reality that some souls have had experiences in higher planes of consciousness before incarnating on Earth At this level the author focuses on the beneficial aspects of reconnecting and reactivating our soul knowledge and experiences in a place of higher consciousness called The Pleiades The program available here allows you if you feel called to move quickly in releasing the energies underlying the experiences that contrast with your well being and what the center of your heart and consciousness really desires to do here in your life on Earth In doing so the program supports reintegrating in all your being and all your dimensions more of your Source energy and being able to benefit from this fact from a more satisfying experience of life The program in spiritual regression presented in this last book that Pierre Dubuc wrote before leaving the body is truly a gift of opening of consciousness      [Our Whole Life Is Our Whole Responsibility](#) Michael G.
