**Path Through Deep Waters** Betsy Alexander, 1998      A Path through Pain Ed Young, Lisa Young, 2023-11-07 For anyone going through grief loss hurt or trauma *A Path Through Pain* guides readers through their first steps toward healing Ed and Lisa Young pastors of Fellowship Church know the kind of grief that no one should have to suffer the death of a child With deep vulnerability they tell the story of their family's journey through sorrow and anger to hope and healing after the tragic and sudden loss of their daughter Having been through the worst they began to realize how many others were dealing with similar hurt doubts and uncertainties and asking the same questions How can I move through this period in my life Can I restore my trust in God and see His presence in the midst of suffering Is there a purpose to pain even if I can't see it yet In *A Path Through Pain* the Youngs will offer you a language and a voice to speak about your pain and a way to see that you don't walk this path alone They'll walk you through concrete ways that daily acts of faith can restore your hope in the faithfulness and power of Jesus Christ God really does care for us and in the darkest of places his light still shines to show us a way through      *A Door Ajar* Thomas Gardner, 2006-08-17 Thomas Gardner argues in this original study that we are just beginning as a culture to understand the far reaching implications of Emily Dickinson's work Looking at the way quite different writers have enacted and fleshed out crucial aspects of her poetry Gardner gives us a Dickinson for our times Beginning with the work of Lucie Brock Broido Alice Fulton Kathleen Fraser and Robert Hass Gardner moves on to analytical chapters and fully developed conversations with four writers in whose work he finds the fullest extension of Dickinson's legacy The interviews with these four Marilynne Robinson Charles Wright Susan Howe and Jorie Graham provide a particularly intimate look at writers at work In returning to Dickinson's work Gardner observes contemporary writers have powerfully extended what he calls her poetics of broken responsiveness in which an acknowledgment of limits leads paradoxically to a deep engagement with a world beyond our capacity to master or possess In the hands of our most important poets and novelists Dickinson's emptying of the articulate self has become a potent means of addressing some of our culture's fundamental erotic religious philosophical and social questions *A Door Ajar* makes visible the Dickinson that will matter to writers and readers over the next several decades      **Your Path Led through the Sea** E. A. West, 2023-10-13 *Your Path Led through the Sea* chronicles a journey from shallow to deep waters from quiet ponds and trickling streams to roaring rivers thundering falls and storm tossed seas which aim to bring the reader into a deeper spiritual understanding of life's tempests and storms from which flow those rivers of living water deeper intimacy with God Many Scripture references hymns and the insights of noted Christian authors like light dancing on the surface of the deep are scattered throughout these pages If you choose to dive in you will learn how God chooses to still the storm to walk with you over boisterous waves or like Peter draw you up and out of them Even if God's path should lead you through the sea his way through the mighty waters he will part them and you will not have to walk through them alone      The Path to the Throne of God Sarah Elizabeth

Peck,2014 This study of the sanctuary aims to give the reader an overall view of the entire sanctuary including the earthly and the heavenly sanctuaries and reaching its climax in the temple eternal the earthly model as constructed by Moses being a type or illustration of both the others It also aims to make plain that the sanctuary symbolizes not only the redemptive work of Christ but also the Christian experience of each of His followers and of the church as a whole **Shades of Blue** Charles Glogowski,Anne Glogowski,2008-03 Shades of Blue are everywhere in our lives From the open sky to the rolling ocean the different shades amount to unique characteristics and depths of vision New authors Charles and Anne Glogowski invite you to join them as they sail into God s glory seeking Plots of Gold and finding God s hand in their everyday lives Shades of Blue brings the reader from the darkest shades of blue grays of life into the transforming shades of bright blue leading them to the shores of God s glory while threads of gold weave in and out through the hidden mysteries By sharing in the revelations of God to His people through their own personal testimonies Charles and Anne show the truth of God s live in prose and poetry helping readers find their own Shades of Blue in this encouraging inspiring witness of the extraordinary in the ordinary
