The Christian Work and the Evangelist, 1905 **Path Beneath the Sea** Devorah Omer, 1969 *Science* John Michels (Journalist), 1926 **Your Path Led through the Sea** E. A. West, 2023-10-13 Your Path Led through the Sea chronicles a journey from shallow to deep waters from quiet ponds and trickling streams to roaring rivers thundering falls and storm tossed seas which aim to bring the reader into a deeper spiritual understanding of life's tempests and storms from which flow those rivers of living water deeper intimacy with God Many Scripture references hymns and the insights of noted Christian authors like light dancing on the surface of the deep are scattered throughout these pages If you choose to dive in you will learn how God chooses to still the storm to walk with you over boisterous waves or like Peter draw you up and out of them Even if God's path should lead you through the sea his way through the mighty waters he will part them and you will not have to walk through them alone **Ariel's Ecology** Monique Allewaert, 2013-06-01 What happens if we abandon the assumption that a person is a discrete world making agent who acts on and creates place This Monique Allewaert contends is precisely what occurred on eighteenth century American plantations where labor practices and ecological particularities threatened the literal and conceptual boundaries that separated persons from the natural world Integrating political philosophy and ecocriticism with literary analysis Ariel's Ecology explores the forms of personhood that developed out of New World plantations from Georgia and Florida through Jamaica to Haiti and extending into colonial metropolises such as Philadelphia Allewaert's examination of the writings of naturalists novelists and poets the oral stories of Africans in the diaspora and Afro American fetish artifacts shows that persons in American plantation spaces were pulled into a web of environmental stresses ranging from humidity to the demand for sugar This in turn gave rise to modes of personhood explicitly attuned to human beings interrelation with nonhuman forces in a process we might call ecological Certainly the possibility that colonial life revokes human agency haunts works from Shakespeare's *Tempest* and Montesquieu's *Spirit of the Laws* to Spivak's theories of subalternity In Allewaert's interpretation the transformation of colonial subjectivity into ecological personhood is not a nightmare it is rather a mode of existence until now only glimmering in Che Guevara's dictum that postcolonial resistance is synonymous with perfect knowledge of the ground **Passport Please** Peter Nielsen, 2007-08 *Passport Please* is the fast moving story of conflict between the rulers of two neighboring countries Earth and the kingdom of heaven The citizens themselves are the prize being fought over **The Love Letter** Fiona Walker, 2012-04-26 Can fate be signed sealed and delivered When Allegra North parted from first love Francis after a decade together she poured all her regret into a letter He didn't reply A year later her job brings her back to the beautiful Devon coast where romance first blossomed and she hopes that they can start a new chapter As summer storms circle the exes juggle rebellious parents vengeful family members and a very reluctant celebrity author who holds the key to everybody's future *The Love Letter* is a wonderfully warm comedy of mistaken identities new loves and old flames **Permanent WTC PATH Terminal**, 2007
