Mahamudra Dakpo Tashi Namgyal, 2014-04-14. Mahamudra meditation is simultaneously the most profound of meditative disciplines and the most accessible for modern practitioners. Traditionally passed orally from teacher to disciple, mahamudra instructions point the meditator to the innate perfection of every experience. When it first appeared in 1986, *Mahamudra: The Moonlight Quintessence of Mind and Meditation* was the first presentation in English of a major Tibetan Buddhist work on meditation. This classic guide was composed in the sixteenth century by an eminent lama of the Kagyu school and is so comprehensive and practical that it is still widely used today as a manual. Divided into two major sections, it presents first the common approach and then the mahamudra approach to tranquility (shamatha) and insight (vipashyana) meditation.

Wicca for Self-Transformation Marie Bruce, 2023-07-01. Wicca is one of the fastest growing religions in the world, and this beautiful book will introduce readers to this Pagan belief system. There are many different types of witches, but this book will focus on the main branch of the Craft, known as Wicca. It is a magical system that merges together spells, rituals, celebrations, and a reverence for nature. It is a spiritual system of duality, one that worships both a Goddess and a God. It is a form of slow living, wherein the practitioners, known as Wiccans, take the time to honour the turning of the seasons, to celebrate the phases of the moon and the turning of the tides. Wicca as a practice is a welcome relief from the frenetic, technology-driven world in which we live, and a way to connect with our ancestors. Wiccan belief is rooted in nature and has a strong, recognisable morality. This illuminating guide, by a practising Wiccan, will explain how readers can use Wicca to self-transform their lives for the better.
