Portrait Of Czarist Russia

Cristina Berna, Eric Thomsen

Portrait Of Czarist Russia:

A Portrait of Tsarist Russia Y. Barchatova, 1989 Photographs depict daily life in pre Revolutionary Russia Imperial Courts of France, England, Russia, Prussia, Sardinia, and Austria ... with Portraits ... Biographical Sketches, and an Introduction by W. C. Bryant. Edited by W. H. Bidwell Walter Hilliard BIDWELL, 1863 *The Cambridge History of Russia: Volume 2, Imperial Russia, 1689-1917* Maureen Perrie, D. C. B. Lieven, Ronald Grigor Suny, 2006-08-17 A definitive new history of Russia from early Rus to the collapse of the Soviet Union **Imperial Russia** J. Paxton, 2000-11-17 Imperial Russia provides an accessible reference tool for students researchers historians and Russian history enthusiasts It covers the period from Ivan IV to the death of Nicholas II There are chronologies for each of the reigns and the handbook covers important political and administrative changes the influence of the West religion serfdom and economic progress Wars and international relations are succinctly explained as is the rise of radicalism and the revolutions of 1905 and 1917 Other sections deal with education the arts law press and censorship It is essential reading for anyone interested in Soviet and East European history **The Portrait** Nikolai Gogol, 2024-05-09 Published in Arabesques this two part novella explores art s moral responsibility through Chartkov a destitute painter who sells his talent for wealth after acquiring a demonic portrait Gogol s Kafkaesque descent into artistic corruption a gifted man reduced to painting fashionable trifles critiques commodification s erosion of integrity The second part often omitted in translations reframes the portrait s origin as a monastic artist s redemption through asceticism juxtaposing two ethical poles While less cohesive than Dostoevsky s *The Idiot* which similarly examines purity corrupted by society Gogol s duality damnation and salvation within the same work reflects his own struggle to reconcile aesthetic and moral imperatives The revised 1842 edition sharpens its existential stakes questioning whether art can transcend humanity s baser instincts The tale anticipates Dostoevsky s later examinations of moral corruption in urban settings while establishing distinctive elements of Petersburg text the city as site of uncanny encounters and moral dissolution Unlike most supernatural tales of its era *The Portrait* locates its horror not in external manifestations but in psychological and spiritual degeneration creating a narrative where artistic talent without moral foundation leads inevitably to corruption Literary scholars have noted how Gogol s treatment of the artist s social responsibility and the moral dimensions of aesthetic choices established conceptual frameworks that would shape subsequent Russian critical discourse around art s purpose particularly evident in the critical writings of Belinsky and later in Tolstoy s *What Is Art* while the work s structural complexity and integration of artistic theory within narrative form influenced modernist approaches to art about art in the early twentieth century *The Portrait* delves into the complex and often perilous relationship between art money and morality through the story of a young impoverished artist named Chartkov living in St Petersburg Stumbling upon a strikingly lifelike portrait of an old man with piercing eyes in an art shop Chartkov is inexplicably drawn to purchase it using his last remaining money The painting soon reveals a magical secret thousands of

gold rubles are hidden within its frame presenting Chartkov with a profound dilemma He can either use this newfound wealth to pursue his artistic integrity as advised by his old mentor or succumb to the temptation of easy fame and fortune by painting fashionable portraits for the wealthy elite Tragically Chartkov chooses the latter path establishing a lavish studio and quickly gaining popularity for his superficial and uninspired works leading to a gradual decline in his artistic talent and a growing sense of emptiness Years later encountering a truly masterful and inspiring painting by a contemporary artist Chartkov is struck by the realization of his own artistic degradation and the irreversible loss of his youthful talent Consumed by jealousy and regret he attempts to rekindle his former abilities but finds himself incapable of producing anything of merit In a fit of despair and madness Chartkov turns to destroying genuine works of art driven by a bitter resentment for the talent he squandered The second part of the story reveals the origins of the ominous portrait linking it to a mysterious moneylender with a sinister reputation and a pious artist who lost his own artistic gift after painting it Gogol's *The Portrait* serves as a cautionary tale about the corrupting influence of money on art and the importance of maintaining artistic integrity in a world that often values superficial success over genuine talent The story explores the inner turmoil of an artist who betrays his own ideals for fleeting fame and the devastating consequences of such a choice This modern edition features a contemporary translation from the original Russian manuscript making his surrealist and existential literature accessible to readers and enhanced by an illuminating afterword that focuses on Gogol's relationship with Dostevsky Tolstoy and Turgenev and his influence of Kafka and other surrealist absurdist writers a concise biography including his Ukrainian heritage and a detailed chronology of his life and major works This robust reader's edition introduces readers to the brilliance of Gogol's literature and the context in which he wrote [Longman Companion to Imperial Russia, 1689-1917](#) David Longley, 2014-07-30 This is the first book of its kind to draw together information on the major events in Russian history from 1695 to 1917 covering the eventful period from the accession of Peter the Great to the fall of Nicholas II Not only is a vast amount of material on key events and topics brought together but the book also contains fascinating background material to convey the reality of life in the period **Serfdom, Society, and the Arts in Imperial Russia** Richard Stites, 2008-02-22 Richard Stites explores the dramatic shift in the history of visual and performing arts that took place in the last decades of serfdom in Russia in the 1860s and revisualises the culture of that flamboyant era **Portraits of Pioneers in Developmental Psychology** Wade Pickren, Donald A. Dewsbury, Michael Wertheimer, 2012-05-04 Utilizing an informal sometimes humorous style of writing this book brings to life 16 developmental psychologists who made a significant contribution to their field Written by noted scholars each chapter provides a glimpse into the personal and scholarly lives of these innovative pioneers Some of the chapters are based on the contributor's personal acquaintance with a pioneer allowing for the introduction of previously unavailable information Suggested Readings allow readers to delve deeper into the material and a tabular list of subjects and authors helps instructors supplement their courses in substantive areas of psychology with ease The introductory essay

prepares the reader for a deeper understanding of the contributions of each of the pioneers Mamie Phipps Clark had a profound impact on the education of American children Robert W White pioneered a new approach to the study of persons across the lifespan Lois Barclay Murphy's perspective on the strengths of developing children foreshadowed later developments in positive psychology Florence Goodenough pioneered new testing methods for children John Paul Scott was a pioneer in the field of behavior genetics The book also highlights the many contributions of European pioneers Jean Piaget Charlotte B hler Heinz Werner and Lev Vygotsky Their contributions were carried forward by J McVicker Hunt in the U S and Helena Antipoff in Brazil Arnold Gesell's film studies of children's development remain a landmark accomplishment Lawrence Kohlberg pioneered the study of moral development across the lifespan Roger Barker's studies on aggression and leadership among children eventually led to the development of ecological psychology Eleanor Jackie Gibson was famous for her work on the visual cliff and for her research on perception and development Finally Sidney Bijou had a long career delineating ways to improve the lives of children Pickren's concluding essay draws connections between the pioneers and how they contributed to the advancement of the field Intended as a supplementary text for undergraduate and or graduate courses in the history of psychology and or developmental child or lifespan psychology taught in psychology education and human development this engaging book also appeals to those interested in and or teaching these subject areas Each of the 7 volumes in the Portraits of Pioneers Series contain different profiles bringing more than 140 of psychology's pioneers to life

Royal Portraits in Hollywood Elizabeth A. Ford, Deborah C. Mitchell, 2009-06-26 Few lives provide as much history or drama as those of monarchs Filmmakers from the silent era to onward have displayed a deep fascination with the lives of royalty and with queens in particular Still the question remains what do these films really tell us about the women beneath the crowns Drawing on films from the 1930s to those of today *Royal Portraits in Hollywood: Filming the Lives of Queens* investigates the ways in which these films reproduce history and represent women Though hardly progressive in nature many early films offered an acceptable nonthreatening way to present strong female characters in an economic and social landscape run almost exclusively by men Authors Elizabeth Ford and Deborah Mitchell track the evolution of queens on film noting how depictions of prominent women have changed over the past several decades and calling attention to the ways in which films both reflect and dictate the social norms of their eras By comparing historical records of monarchs such as Queen Christina of Sweden Catherine the Great Cleopatra and Elizabeth I with their onscreen personas and examining the biographical details of the actresses who portrayed these women Ford and Mitchell present a fascinating inquiry into issues of historical accuracy and gender politics in film

Picturing Russia Valerie Ann Kivelson, Joan Neuberger, Associate Professor of History Joan Neuberger, 2008-01-01 What can Russian images and objects a tsar's crown a provincial watercolor album the Soviet Pioneer Palace tell us about the Russian people and their culture This wide ranging book is the first to explore the visual culture of Russia over the entire span of Russian history from ancient Kiev to contemporary post Soviet

society Illustrated with more than one hundred diverse and fascinating images the book examines the ways that Russians have represented themselves visually understood their visual environment and used visual images in social and political contexts Expert contributors discuss images and objects from all over the Russian Soviet empire including consumer goods architectural monuments religious icons portraits news and art photography popular prints films folk art and more Each of the concise and accessible essays in the volume offers a fresh interpretation of Russian cultural history Putting visuality itself in focus as never before *Picturing Russia* adds an entirely new dimension to the study of Russian literature history art and culture The book enriches our understanding of visual documents and shows the variety of ways they serve as far more than mere illustration

Art Periodical Culture in Late Imperial Russia (1898-1917) Hanna Chuchvaha, 2015-10-27 *Art Periodical Culture in Late Imperial Russia 1898 1917* Print Modernism in Transition offers a detailed exploration of the major Modernist art periodicals in late imperial Russia the *World of Art* *Mir Iskusstva* 1899 1904 *The Golden Fleece* *Zolotoe runo* 1906 1909 and *Apollo* *Apollon* 1909 1917 By exploring the role of art reproduction in the nineteenth century and the emergence of these innovative art journals in the turn of the century Hanna Chuchvaha proves that these Modernist periodicals advanced the Russian graphic arts and reinforced the development of reproduction technologies and the art of printing Offering a detailed examination of the inaugural issues which included editorial positions expressed in words and images Hanna Chuchvaha analyses the periodicals ideologies and explores journals as art objects appearing in their unique socio historical context in imperial Russia

Performing Tsarist Russia in New York Natalie K. Zelensky, 2019-04-24 An examination of the popular music culture of the post Bolshevik Russian emigration and the impact made by this group on American culture and politics *Performing Tsarist Russia in New York* begins with a rich account of the musical evenings that took place in the Russian migr enclave of Harlem in the 1920s and weaves through the world of Manhattan s Russian restaurants Tin Pan Alley industry Broadway productions 1939 World s Fair Soviet music distributors postwar Russian parish musical life and Cold War radio programming to close with today s Russian ball scene exploring how the idea of Russia Abroad has taken shape through various spheres of music production in New York over the course of a century Engaging in an analysis of musical styles performance practice sheet music cover art the discourses surrounding this music and the sonic somatic and social realms of dance author Natalie K Zelensky demonstrates the central role played by music in shaping and maintaining the Russian migr diaspora over multiple generations as well as the fundamental paradox underlying this process that music s sustaining power in this case rests on its proclivity to foster collective narratives of an idealized prerevolutionary Russia while often evolving stylistically to remain relevant to its makers listeners and dancers By combining archival research with fieldwork and interviews with Russian migr s of various generations and emigration waves Zelensky presents a close historical and ethnographic examination of music s potential as an aesthetic discursive and social space through which diasporans can engage with an idea of a mythologized homeland and in turn the vital role played by music in the organization

development and reception of Russia Abroad **Imperial Russia's Jewish Question, 1855-1881** John Doyle Klier, 2005-11-17 John Klier examines Russian public opinion on the Jewish Question in the Russian Empire during a period of sweeping social and political reform He studies the manner in which public opinion influenced and was influenced by state policy towards the Jews and traces the roots of modern antisemitism throughout Eastern Europe **Lotus Magazine** , 1919

Joaquín Sorolla Portraits 3 Cristina Berna, Eric Thomsen, 2024-08-26 Joaquín Sorolla born in Valencia 1863 died in Cercedilla 1923 is one of the most successful Spanish painters ever He was a genius in capturing the essence of the scene he was painting In Joaquín Sorolla Portraits 3 1911 1920 Sorolla paints still paints many important portraits although in the course of preparing for his grand masterpiece The Vision of Spain which hangs in the Hispanic Society of America he did not have the same amount of time available Sorolla also indulged in painting gardens as relaxation from the gigantic The Vision of Spain project The portraits provide a deep and interesting look into both American and Spanish society in this period In his early years Sorolla often showed social realism in his culmination period showed the increasingly wealthy sitters that came to him and in his final period he is a celebrated portraitist of rich Americans and a cultural and political elite in Spain *Late Imperial Russia, 1890-1917* John F. Hutchinson, 2014-10-14 This new interpretation of the final years of Imperial Russia provides a clear and concise introduction to a critical period in the history of modern Russia Professor Hutchinson outlines the key problems facing the Tsarist regime and the attitudes of its Liberal critics and revolutionary enemies In particular he considers how the monarchy was able to withstand the uprisings of 1904-06 but failed in 1917 This important new study provides an analysis of social as well as political developments and concludes with a brief historiographical essay which draws together alternative interpretations of the final years of the Tsars **Portraits from Memory** Bertrand Russell, 2020-11-29 I have come to think that one of the main causes of trouble in the world is dogmatic and fanatical belief in some doctrine for which there is no adequate evidence Bertrand Russell Portraits from Memory Portraits from Memory is one of Bertrand Russell's most self-reflective and engaging books Whilst not intended as an autobiography it is a vivid recollection of some of his celebrated contemporaries such as George Bernard Shaw Sidney and Beatrice Webb and D H Lawrence Russell provides some arresting and sometimes amusing insights into writers with whom he corresponded He was fascinated by Joseph Conrad with whom he formed a strong emotional bond writing that his Heart of Darkness was not just a story but an expression of Conrad's philosophy of life There are also some typically pithy Russellian observations H G Wells derived his importance from quantity rather than quality whilst after a brief and fraught friendship Russell thought D H Lawrence had no real wish to make the world better but only to indulge in eloquent soliloquy about how bad it was This engaging book also includes some of Russell's customary razor sharp essays on a rich array of subjects from his ardent pacifism liberal politics and morality to the ethics of education the skills of good writing and how he came to philosophy as a young man These include A Plea for Clear Thinking A Philosophy for Our Time and How I Write Portraits from Memory is

Russell at his best and will enthrall those new to Russell as well as those already well acquainted with his work This Routledge Classics edition includes a new foreword by the Russell scholar Nicholas Griffin editor of *The Selected Letters of Bertrand Russell* Virginia Woolf's Portraits of Russian Writers Darya Protopopova, 2019-02-05 Virginia Woolf always stayed ahead of her time Championing gender equality when women could not vote publishing authors from Pakistan France Austria and other parts of the world while nationalism in Britain was on the rise and befriending outcasts and social pariahs As such what could have possibly interested her in the works of nineteenth century Russian writers austere and at times misogynistic thinkers preoccupied with peasants priests and paroxysms of the soul This study explains the chronological and cultural paradox of how classic Russian fiction became crucial to Woolf's vision of British modernism We follow Woolf as she begins to learn Russian invents a character for a story by Dostoevsky ponders over Sophia Tolstoy's suicide note and proclaims Chekhov a truly modern writer The book also examines British modernists' fascination with Russian art looking at parallels between Roger Fry's articles on Russian Post Impressionists and Woolf's essays on Chekhov Dostoevsky Tolstoy and Turgenev *Writing History in Late Imperial Russia* Frances Nethercott, 2019-12-26 It is commonly held that a strict divide between literature and history emerged in the 19th century with the latter evolving into a more serious disciple of rigorous science Yet in turning to works of historical writing during late Imperial Russia Frances Nethercott reveals how this was not so rather she argues fiction lyric poetry and sometimes even the lives of artists consistently and significantly shaped historical enquiry Grounding its analysis in the works of historians Timofei Granovskii Vasilii Klyuchevskii and Ivan Grevs *Writing History in Late Imperial Russia* explores how Russian thinkers being sensitive to the social cultural and psychological resonances of creative writing drew on the literary canon as a valuable resource for understanding the past The result is a novel and nuanced discussion of the influences of literature on the development of Russian historiography which shines new light on late Imperial attitudes to historical investigation and considers the legacy of such historical practice on Russia today

Portraits of Women in International Law Immi Tallgren, 2023-04-15 Current histories seem to suggest that men alone have been capable of the development of ideas analysis and practice of international law until the 1990s Is this the case Or have others been erased from the collective images of this history including the portrait gallery of notables in international law *Portraits of Women in International Law* New Names and Forgotten Faces investigates the slow and late inclusion of women in the spheres of knowledge and power in international law The forty two textual and visual representations by a diverse team of passionate portraitists represent women and gender non conforming people in international law from the fourteenth century onwards around the world individuals and groups who imagined developed or contested international law who earned their living in its institutions or who even indirectly may have changed its course This rich volume calls for a critical identification of the formal and informal institutional practices norms and rituals of white masculinities both in the past and in the research of international law today By abandoning reductive histories their biased frames and tacit

assumptions this work brings previously unseen glimpses of international law and its agents ideas causes behaviour norms and social practices into the spotlight

Portrait Of Czarist Russia Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has been apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**Portrait Of Czarist Russia**," compiled by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
