Public Philosophy And Political Science Crisis And Reflection:

Public Philosophy and Political Science E. Robert Statham, 2002-01-01 The crisis of western civilization is a crisis of public philosophy This is the charge of Public Philosophy and Political Science a stunning new collection of essays edited by E Robert Statham Jr Vividly cataloging the decay of the moral and intellectual foundations of civic liberty the book portrays a generation of Americans alienated from institutions built on public philosophy The work exposes the failure of America s political scientists to acknowledge and understand this alarming crisis in the American body politic The distinguished contributors examine the evolution of public philosophy the inextricable relationship between politics and philosophy and the interplay between public philosophy the constitution natural law and government They reveal the dire threat to deliberative democracy and the fundamental order of constitutional society posed by public philosophy s waning power to refine cultivate and civilize The work is an indictment of a society which has discarded a way of life rooted in natural law democracy and the traditions of civility and is a denunciation of an educated elite that has divorced itself from the standards upon which public philosophy rests It is essential reading for philosophers and political and social scientists seeking to resurrect the standards of American public life Leo Strauss and His Legacy John Albert Murley, 2005-01-01 With over 10 000 entries identifying work of hundreds of Strauss s students and their students students this bibliography is the most indeed the only comprehensive guide to published writing in the tradition of Leo Strauss Murley includes Strauss s own complete bibliography and that of one of his most revered students George Anastaplo *The Progressive Revolution in Politics and Political Science* John A. Marini, Ken Masugi, 2005-06-30 The Progressive Revolution in Politics and Political Science explores the scope ambition and effect of the Progressive revolution of a century ago which relegated the theory and practice of the Founders to an antiquated historical phase By contrast our contributors see be **The ^AOxford Handbook of Dewey** Steven Fesmire, 2019-08-19 The Oxford Handbook of Dewey is a comprehensive volume spanning thirty five chapters wherein leading scholars help researchers access particular aspects of Dewey s thought navigate the enormous and rapidly developing literature and participate in current scholarship in light of prospects in key topical areas Beginning with a framing essay calling for a transformation of philosophical research inspired by Dewey contributors interpret appraise and critique Dewey s philosophy *Politics and Progress* Dennis J. Mahoney, 2004-01-01 Mahoney describes the emergence of American political science as a separate academic discipline in the era between the Civil War and the First World War with the pivotal event of the founding of the American Political Science Association in 1903 His book a testament to the integrity of American political science chronicles its intellectual and cultural development Defending the Republic Bruce Frohnen, Kenneth L. Grasso, 2022-10-07 In recent years our constitutional order has increasingly come under attack as irredeemably undemocratic racist and oppressive At the same time it is increasingly obvious that politic practices in the United States have strayed very far from the founders designs and become deeply dysfunctional The time is thus ripe for

renewed reflection about the American political tradition This volume reintroduces readers to the conservative tradition of political and constitutional discourse It brings together prominent political scientists and legal scholars all of whom were deeply influenced by the life and work of the eminent constitutional scholar George W Carey For over 40 years Carey strove mightily to explain the nature and requirements of our political tradition How it fostered meaningful virtuous self government and how our constitutional tradition has been derailed by progressivist ideology He is perhaps best known for his concept of constitutional morality the understanding that our republican constitutional order can be sustained only by a combination of formal mechanisms e g separation of powers and unwritten norms standards of behavior that act to foster deliberation and consensus as well as keep political actors within the boundaries of their constitutional offices Contributors including Francis Canavan Claes G Ryn Paul Edward Gottfried and Peter Augustine Lawler discuss and develop Carey s key insights applying them to issues from the nature of majoritarian government to the purposes of constitutionalism to the decline of virtue that has accompanied the expansion of power among national and international elites Each essay provides penetrating analysis of key aspects of our tradition its inherent purposes growth and subsequent derailment as well as the resources remaining within that tradition for the rebuilding of our constitutional order and a decent common life

Transforming Europe Through Crises Didem Buhari,Christian Kaunert,Seckin Baris Gulmez,2022-11-28 How many Europes is a critical question that led to several attempts to analyse European crises and transformations globally This book builds upon the argument that Europe cannot be reduced to a singular dynamic identity or vision but rather provides a four fold taxonomy Thin Thick Parochial and Global Europe The book contributors aim to respond to the emerging necessity to incorporate both the parochial dynamics unmaking Europe and the globalist dynamics decentering Europe into the analysis of European crises and transformations in diverse sectors ranging from security and foreign policy to the rule of law and democracy Accordingly this book is unpacking Europe in a time of severe crises facing the EU such as Brexit the Syrian refugee crisis Catalan secessionism the rise of far right and terrorism which have accelerated the resurgence of formerly marginalized and repressed dynamics as influential trends in national regional and global politics It reveals an ongoing hegemonic struggle over the representation of Europe among many Europes involving two separate integrationist models of regionalization or Europe making and two distinct dynamics that have sought to fragment and de centre the European Union through nationalism and globalism respectively The chapters in this book were originally published as a special issue of European Politics and Society

Colonial Constitutionalism E. Robert Statham,2002-01-01 This book s focused case studies analyze each of America s quasi colonies revealing how the perpetuation of a this imperialist strategy has rendered the inhabitants second class citizens

Cold Civil War Jim Belcher,2022-03-22 America is experiencing extreme polarization and fragmentation that could split the country in two How can we bring America back together before its too late Laying out a quadrant framework of understanding today s political climate Jim Belcher reveals both why we re divided

and how to move beyond the left right stalemate toward a new vital center **Virtuous Imbalance** Professor Francesca Pasquali, 2012-12-28 Which kind of methodology should political philosophy endorse to jointly meet its theoretical and practical commitments Virtuous Imbalance Political Philosophy between Desirability and Feasibility assesses three paradigmatic cases to explore and explain political philosophy's attempts to answer this important question Rawls's realistic utopianism Machiavelli's realism and Plato's utopianism are examined and explored as Francesca Pasquali presents the proper methodology political philosophy should endorse when attempting to attain equilibrium between the practical and the theoretical These models are investigated with reference to desirability and feasibility the former concerning the adequacy of normative principles the latter the practical possibility of enacting them Both realism and utopianism are shown to perform important and relevant functions with utopianism providing the criteria for judging political practices and realism developing principles for orienting political actors conduct An innovative version of realistic utopianism develops avoiding the shortfalls detected in previous formulations whilst presenting a methodological strategy that enables political philosophy to play a proper public role without dismissing theoretical concerns
