administrative reform and the state *Leadership in the Public Sector* Christine Teelken, Ewan Ferlie, Mike Dent, 2013-05-02

In view of the approaching age of austerity for the public sector leadership is likely to continue to become a key theme. This edited volume brings together a host of material from the public sector to analyze the issue internationally. Teelken, Dent, and Ferlie lead a team of contributors in examining three key aspects of this increasingly important theme: the meaning of public sector leadership and how this changes in different contexts; the implications for leadership style given the growing role of the private sector; the response to the leadership issue from professionals moving into senior management roles. With contributions from respected academics such as Jean-Louis Denis, Mike Reed, and Mirko Nordegraaf, this book will be an invaluable supplementary resource for those undertaking studies across public sector management and administration.
