Villeneuve, 2017-08-18 Public Policy and Canadian Nursing Lessons from the Field is the first text to explore the structure governance financing and outcomes of Canadian health systems through a nursing lens Drawing from his years of experience as a nursing leader in Canada Michael J Villeneuve looks to the impending system challenges for which policy interventions by nurses would make a valuable difference to Canadians Intended to bolster the policy leadership competency of nurses this volume is divided into three modules that guide nurses from the basics of Canadian governance to the history and evolution of health care in Canada and the tools and strategies needed to tackle public policy work The author introduces readers to essential topics in health policy including system financing and costs Canadian population health status and performance outcomes Citing examples of nursing action and interventions throughout this groundbreaking text offers practical tools and strategies to support Canadian nurses taking on policy development and highlights the vital role of the nursing profession in health system transformation Reader friendly and highly accessible it features brief profiles of influential public policy leaders in nursing and other disciplines discussion questions appropriate for undergraduate and graduate nursing students and additional policy resources

Agenda-setting Dynamics in Canada Stuart Neil Soroka, 2002 Why do public issues like the environment rise and fall in importance over time To what extent can the trends in salience be explained by real world factors To what degree are they the product of interactions between media content public opinion and policymaking This book surveys the development of eight issues in Canada over a decade AIDS crime the debt deficit the environment inflation national unity taxes and unemployment to explore how the salience of issues changes over time and to examine why these changes are important to our understanding of everyday politics Agenda Setting Dynamics in Canada offers one of the first empirical analyses of the interaction of the media the public and policymakers in Canada and more generally makes an important contribution to the study of political communications and policymaking well beyond the Canadian context

The Canadian Annual Review of Public Affairs, 1923 **Political Culture and Public Policy in Canada and the United States** John

C. Pierce, 2000 This text focuses on the shared Pacific West political arena of Washington State and the province of British Columbia but has many implications for comparison drawn at the national level Using multiple methodologies the book reports the results of investigative differences in the two countries including political cultures and public preferences in three major areas of public policy native claims immigration and forest resource management **Public Policy Digest of the National Planning Association**, 1940 **Public Opinion and International Intervention** Richard Sobel, Peter A. Furia, Bethany Barratt, 2012-05 Rarely has a foreign policy event spawned such interest in international public opinion as has the Iraq War What does this war indicate about the extent to which public opinion influences foreign policy leaders Have leaders decisions about participating in the Iraq Coalition reflected the willingness of their citizens to do so Are leaders of some countries more responsive to public opinion than others The editors address these questions using select case studies that explore the extent to which leaders and people in democracies that are capable of participating in the Iraq War Coalition have willingly done so Each chapter is based on the premise that democracies are most responsive to public opinion and that the wealthiest democracies would be most capable though not necessarily most willing to participate in the Iraq War The editors have assembled contributions that build on the successful model of Richard Sobel's International Public Opinion and the Bosnia Crisis In this Iraq volume leading scholars debate the role of public opinion in particular countries decisions to participate or not in an international conflict making it an essential text for any foreign policy course **Degrees of Democracy** Stuart N. Soroka, Christopher Wlezien, 2010 This book develops and tests a thermostatic model of public opinion and policy and examines both responsiveness and representation across a range of policy domains in the United States the United Kingdom and Canada concluding that representative democratic government functions surprisingly well
