Public Personnel Management Readings In Contexts And Strategies:

Public Personnel Management Donald E. Klingner, 1981 **Public Personnel Management** Donald E. Klingner, John Nalbandian, 1985 Reflecting contemporary political and managerial realities this book provides a comprehensive exploration of the values conflicts political processes and management techniques which provide the context for personnel administration in the public sector A five part organization covers an introduction to the world of public personnel management planning acquisition development and sanctions For human resources personnel especially managers

Public Personnel Management Jared J. Llorens, Heather Getha-Taylor, 2025-10-20 Now in a thoroughly revised 8th edition *Public Personnel Management Contexts and Strategies* focuses on the critical issues and common processes in the management of public sector personnel Public Personnel Administration and Labor Relations Norma M Riccucci, 2015-03-26 The readings in this volume will enlighten and enliven the contents of any standard public administration text covering human resource management Selected mainly from the pages of *Public Administration Review* and *Review of Public Personnel Administration* these classic articles trace the historical and evolutionary development of the fields of public personnel administration and labor relations from the point at which the first civil service law was passed the Pendleton Act in 1883 through the 21st century The collection covers everything from the seminal concerns of civil service e g keeping spoils out to topics that early reformers would never have envisioned e g affirmative action and drug testing These works continue to inform the theory and practice of public personnel and labor relations To facilitate an instructor's ability to assign readings that illuminate lectures and course material a correlation matrix on the M E Sharpe website shows how this book can be used easily alongside eight leading textbooks Public Personnel Management Donald E. Klingner, 1981

Handbook of Public Administration W. Bartley Hildreth, Gerald J. Miller, Jack Rabin, 2018-01-19 Since the publication of the previous edition the best selling *Handbook of Public Administration* enters its third edition with substantially revised updated and expanded coverage of public administration history theory and practice Edited by preeminent authorities in the field this work is unparalleled in its thorough coverage and comprehensive references This handbook examines the major areas in public administration including public budgeting and financial management human resource management decision making public law and regulation and political economy Providing a strong platform for further research and advancement in the field this book is a necessity for anyone involved in public administration policy and management This edition includes entirely new chapters on information technology and conduct of inquiry In each area of public administration there are two bibliographic treatises written from different perspectives The first examines the developments in the field The second analyzes theories concepts or ideas in the field's literature Handbook of Public Administration, Second Edition W. Bartley Hildreth, Gerald J. Miller, Jack Rabin, 1997-09-19 This bestselling reference examines all major areas in public administration from the enlightening perspectives of history and the five great concepts or theories framing each topic including public

budgeting financial management decision making public law and regulation and political economy The American Reference Books Annual calls this stimulating and thought provoking thorough and inclusive a valuable contribution and Canadian Public Administration said it is impressive an extremely useful reference tool the writing and analysis and the scope of the coverage make the volume a good investment for both government and university libraries Public Personnel Management Norma M. Riccucci, 2015-07-14 Updated in a new 5th edition Public Personnel Management by Norma M Riccucci is a concise and accessible reader containing all original articles addressing the most current issues in public personnel management Written expressly for the text by leading scholars all of the articles are either new to this edition or substantially revised Each article focuses on specific often controversial issues in public personal management such as comparative personnel management pensions sexuality health succession planning unions and the multi generational workforce *The Fundamentals of Public Personnel Management* J. Cheminai, G. Van der Wal, M. S. Bayat, W. Fox, 1998 Government and those executing its policies face the daunting task of delivering essential services to a dispossessed and hugely disadvantaged electorate The authors of The Fundamentals of Public Personnel Management argue that although the state controls a wide range of limited resources only the effective management and judicious administration of its primary asset its personnel will allow it to translate physical financial material and technological resources into synergistic founts of national well being Trained and motivated public employees schooled in the ethics of their profession are essential to transforming inanimate structures and resources into people oriented dispensers of sustainable service delivery
