DORIS A. GRABER,1991 Public Sector Communication María José Canel,Vilma Luoma-aho,2018-07-31 A comprehensive guide to future proofing public sector communication and increasing citizen satisfaction How to communicate with the citizens of the future Why does public sector communication often fail Public Sector Communication combines practical examples from around the world with the latest theoretical insights to show how communication can help bridge gaps that exist between public sector organizations and the individual citizens they serve The authors two experts in the field with experience from the public sector explain how public entities be they cities governments foundations agencies authorities municipalities regulators military or government monopolies and state owned businesses can build their intangible assets to future proof themselves in a volatile environment The book examines how the recent digitalization has increased citizen expectations and why one way communication leaves public sector organizations fragile To explain how to make public sector communication antifragile the authors map contributions from a wide variety of fields combined with illustrative examples from around the world The authors propose a research based framework of different intangible assets that can directly improve communication in the public sector This important resource Helps explain the sector specific conditions and why communication is often challenging in the public sector Summarizes all relevant literature on the topic across disciplines and includes the most popular management ideals of the recent decades Explores how public sector organizations can increase citizen satisfaction with effective communication Presents new approaches to both the study and practice of communication in the public sector Provides international examples of successful public sector communication Offers realistic guides to building intangible assets in practice Written for advanced undergraduate and graduate students as well as public managers and leaders Public Sector Communication offers an illustrative research based guide to improving communication and

engaging citizens of today and the future **The Handbook of Public Sector Communication** Vilma Luoma-aho, María José Canel, 2020-02-07 A multidisciplinary collection on global public entity strategic communication Research into public sector communication investigates the interaction between public and governmental entities and citizens within their sphere of influence Today s public sector organizations are operating in environments where people receive their information from multiple sources Although modern research demonstrates the immense impact public entities have on democracy and societal welfare communication in this context is often overlooked Public sector organizations need to develop communicative intelligence in balancing their institutional agendas and aims of public engagement The Handbook of Public Sector Communication is the first comprehensive volume to explore the field This timely innovative volume examines the societal role environment goals practices and development of public sector strategic communication International in scope this handbook describes and analyzes the contexts policies issues and questions that shape public sector communication An interdisciplinary team of leading experts discusses diverse subjects of rising importance to public sector government and political communication Topics include social exchange relationships crisis communication citizen expectations measuring and evaluating media diversity and inclusion and more Providing current research and global perspectives this important resource Addresses the questions public sector communicators face today Summarizes the current state of public sector communication worldwide Clarifies contemporary trends and practices including mediatization citizen engagement and change and expectation management Addresses global challenges and crises such as corruption and bureaucratic roadblocks Provides a framework for measuring communication effectiveness Requiring minimal prior knowledge of the field The Handbook of Public Sector Communication is a valuable tool for academics students and practitioners in areas of public administration public management political communication strategic and organizational communication and related fields such as political science sociology marketing journalism and globalization studies **Marketing Management and Communications in the Public Sector** Martial Pasquier, Jean-Patrick Villeneuve, 2012-03-12 The fields of marketing and communication have become increasingly important for modern public administrations in recent years but the focus on these subjects has been geared mainly towards the generation of outputs leaving somewhat behind the analysis and deeper reflections on the impact they make and their limitations This book provides a thorough overview of the major concepts in marketing and communication which is done by utilizing an exclusive and decisive public sector approach with an unambiguous international outlook The possibilities and limits of the application of marketing and communication from strategic aspects to the more concrete questions of instruments and implementation are discussed and if the realities of the public sector are the key to any understanding of marketing and communication the international scene is the only possible ground to do this in Aided by a multitude of pedagogical features Marketing Management and Communications in the Public Sector is a key read for all students practitioners and scholars working or studying in this field Handbook of Innovations

in Strategic Communication Shannon A. Bowen, Elina Erzikova, 2025-10-07 This unique Handbook demonstrates how strategic communication is undergoing significant changes due to advances in AI It examines the consequences of innovation in society and communication considering the ethical implications of technological developments Shannon A Bowen and Elina Erzikova bring together the world's leading experts on strategic communication to extrapolate, probe and push the boundaries of their research into the future

Social Sector Communication Jaishri Jethwaney, 2024-07-22 Communication advocacy and outreach are germane to the success of any organisation working in the social sector This book provides a robust conceptual framework that is required to understand the demands of the sector and suggests strategies and tools for those engaged in social sector communication This book not only highlights the theoretical underpinnings, practice and skill of social sector communications in India but also provides an understanding of various skills and approaches required in communication including social marketing, media advocacy, social mobilisation, grassroots communication and corporate social responsibility CSR With the aid of case studies it offers suggestions on how to plan campaigns, write a concept note, field report and press release and effectively use social media to achieve developmental programme goals This revised edition discusses the different perspectives of NGOs and programme implementers and helps in understanding the corporate-NGO interface vis-à-vis CSR projects This book will be useful to students of social work, business and management preparing for roles in social enterprises It will also be of use to working professionals in the social sector

The Handbook of Communication Rights, Law, and Ethics Loreto Corredoira, Ignacio Bel Mallen, Rodrigo Cetina Presuel, 2021-05-11 Discover how modern technological realities shape freedoms of expression and opinion with this comprehensive resource The Handbook of Communication Rights, Law and Ethics delivers an extensive review of the challenges facing modern communication rights It offers readers an examination of the interplay between communication law and ethics and the role played by communication professionals in protecting individuals' rights to communication Distinguished authors Loreto Corredoira, Ignacio Bel Mallen and Rodrigo Cetina Presuel walk readers through the fundamental ideas and concepts that represent universal common ground regarding communication rights They compare communication rights theories developed in Europe, the United States, Latin America, Australia and East Asia to describe how communication-related freedoms and rights are formulated and applied around the world Finally, the meaning of the phrases freedom of expression and freedom of the press are examined in the context of national constitutions and international human rights instruments The Handbook of Communication Rights, Law and Ethics provides readers with a diverse global perspective on how communication rights are protected and challenged around the world A universal vision of communication rights that encourages dialogue rather than confrontation A comparison of the American First Amendment of the Constitution with European communication rights theories and other legal traditions around the world An exploration of the frontiers of communication rights concepts, terminology, jurisdiction and territoriality Perfect for professors, graduate students, doctoral

students and postdoctoral researchers studying communication rights and freedom of expression around the world The Handbook of Communication Rights Law and Ethics also belongs on the bookshelves of researchers studying issues surrounding freedom of the press in North America Europe and Latin America
