Firmament12 King Ram, 2019-02-25. This book is named from heavens to earth, written directly from my hands of course in the explanation from the beginning how my life has been unfolded and conducted under the hardness of my creator and the discovery at the end of time that Mother Earth is the producer of all that we can observe and that Celestial King is created under this sanctity and is set to govern all that it creates. In this way, Craon God continues to create and at the same time Mother Earth also produces. This is that we cannot understand the psychology to which we are placed but we must understand that we must kneel down to God and to Mother Earth because even God kneels down himself. Celestially there is this high force that cannot be destroyed but we must obey him as we are taught by our only begotten God and do not doubt that our forces will not decay in silence but in a force that is not invented. I am declaring it today and with the presence of my paintings in this second book called Firmament12. I will explain that everything has been studied by me since the beginning of my life focusing my studies on everything I have been able to observe and posing from time to time to let them know my face. It is something I can leave to be recognized in time and that my presence is legitimate today and that my offspring is also presented in this book.

descendant Maya. Of course this is the race that God has chosen from the beginning. I know you cannot understand but I leave you with this thinking with my stay here on Earth. I am the son of man from the land of the Holy Spirit. Of course humanity does not understand why they say that God acts in a mysterious way. It is clear that Mother Earth is in charge of creating everything that pleases her and she gives them to the only begotten saint to govern it. It is that in this form they homosexuals and lesbians are created under this divine order. For that reason the Holy begotten King has had to provide a perfect plan so that all the creations are modified with a holy and celestial order which is his last covenant and he declares it in Jeremiah 31:33-34. With this perfect plan it is pleasing to our Mother Earth. Note that the heart has no gender.
