

The book cover features a vibrant, stylized illustration. At the top, a green, winged figure flies across a sky with a pink and blue gradient. A large, yellow, arched frame contains the title. To the left, a large, metallic, box-like robot with a cylindrical head and jointed arms stands on a green field. In the center, a bearded man with a bald head, wearing a pink vest and a blue tunic, is shown from the waist up, with his hands clasped in a prayerful or pleading gesture. To the right, a man with a long white beard, wearing a purple hat and a brown tunic, is depicted in a dynamic pose, holding a long, glowing sword aloft. In the background, a city skyline is visible under a bright, diagonal beam of light. The foreground shows a green field with a small figure in a red dress and a large, yellow, circular object. The overall style is whimsical and colorful, typical of children's book illustrations from the mid-20th century.

Puffin Of Twentieth Century Childrens Stories:

The Puffin Book of Twentieth-century Children's Stories Judith Elkin,1991 Seventy three extracts from books published between 1902 and 1989 for children ages eight to fourteen reflect the best writing from England Australia New Zealand and the United States Includes biographical notes on all the authors *The Puffin Book of Twentieth-century Children's Verse* Brian Patten,Michael Foreman,1991 A collection of children s poetry written in the twentieth century **The Women Who Invented Twentieth-Century Children's Literature** Elizabeth West,2022-10-24 Publishing for children between 1930 and 1960 has been denigrated as a relatively fallow period for creativity and quality certainly in comparison with the golden ages of children s literature that preceded and succeeded it This book questions this perception by using archival evidence to argue that the work of what was predominantly a female group of editors illustrators authors and librarians collectively referred to as bookwomen resulted in many titles which are still considered as classics today The bookwomen reframed ideas about how children s publishing should be approached and valued and in doing so laid the foundations for a subsequent generation of children s authors and publishers who were to achieve far greater prominence The key to the success of the bookwomen was their willingness to experiment the strength of their relationships and their comprehensive understanding of the book production process By focusing on a selection of women working across all aspects of the book production process this book demonstrates that both individually and collectively women capitalised on their position as other to the existing male institutions *The Puffin Twentieth-century Collection of Verse* Brian Patten,1999 An illustrated collection of poems by famous children s poets *Children's Literature Collections* Keith O'Sullivan,Pádraic Whyte,2017-05-19 This book provides scholars both national and international with a basis for advanced research in children s literature in collections Examining books for children published across five centuries gathered from the collections in Dublin this unique volume advances causes in collecting librarianship education and children s literature studies more generally It facilitates processes of discovery and recovery that present various pathways for researchers with diverse interests in children s books to engage with collections From book histories through bookselling information on collectors and histories of education to close text analyses it is evident that there are various approaches to researching collections In this volume three dominant approaches emerge history and canonicity author and text ideals and institutions Through its focus on varied materials from fiction to textbooks this volume illuminates how cities can articulate a vision of children s literature through particular collections and institutional practices **Brian Patten** Linda Cookson,1997 This study seeks to explore Brian Patten s position in relation to his fellow Liverpool Poets and to contemporary poetry more widely *Australian National Bibliography* ,1978 **Key Comprehension New Edition Teacher's Handbook 4** Angela Burt,2009 Essential skills practice for better reading and writing **British Working-Class Writing for Children** Haru Takiuchi,2017-08-21 This book explores how working class writers in the 1960s and 1970s significantly reshaped British children s literature through their representations of working

class life and culture Aidan Chambers Alan Garner and Robert Westall were examples of what Richard Hoggart termed scholarship boys working class individuals who were educated out of their class through grammar school education This book highlights the role these writers played in changing the publishing and reviewing practices of the British children s literature industry while offering new readings of their novels featuring scholarship boys As well as drawing on the work of Raymond Williams and Pierre Bourdieu and referring to studies of scholarship boys in the fields of social science and education this book also explores personal interviews and previously unseen archival materials Yielding significant insights on British children s literature of the period this book will be of particular interest to scholars and students in the fields of children s and working class literature and of British popular culture

So Much To Tell Valerie Grove, 2010-05-06

Kaye Webb a journalist with no publishing experience burst into the world of children s books in 1961 and changed the face of children s publishing forever Her child like enthusiasm and shrewd business mind led her to become Puffin s most successful editor and the genius behind the Puffin Club which opened up the exciting world of authors and books to children across Britain But whilst Kaye s professional life had worked out beautifully her private life had been the reverse Kaye had two husbands before her marriage to the artist Ronald Searle and the torment of his sudden and shocking departure never left her Yet to the outside world Kaye Webb remained passionate and unstoppable This is the unknown story of the woman who brought the joy of books to children everywhere whilst battling the emotional pain that plagued her private life
