in the island's one habitable building a haunted 135 year old house spackled with lichen and gull guano Two days later she got her first glimpse of the famous terrifying jaws up close and she was instantly hooked her fascination soon yielded to obsession and an invitation to return for a full season But as Casey readied herself for the eight week stint she had no way of preparing for what she would find among the dangerous forgotten islands that have banished every campaign for civilization in the past two hundred years The Devil's Teeth is a vivid dispatch from an otherworldly outpost a story of crossing the boundary between society and an untamed place where humans are neither wanted nor needed **Puffin Cove** Danielle Johnson, 2019-04-11 NOTES **Scotland's North Highlands (Slow Travel)** Emma Gibbs, 2025-02-07 Scotland's North Highlands Slow Travel is the latest title in Bradt's series of distinctive widely acclaimed Slow travel guides to local UK regions Written by a northern Scotland specialist who edits the award winning JRN Travel Magazine this guidebook provides greater detail than any other to the whole of northern Scotland roaming far beyond the increasingly popular 516 mile North Coast 500 NC500 driving route Coupling a wide personal selection of places to explore with focused advice on travel practicalities Scotland's North Highlands Slow Travel encourages visitors to adopt a leisurely approach designed to tease out the region's many special qualities and contribute positively to local communities In the far northern reaches of Scotland Sutherland Caithness and Ross shire are regions that by their very nature demand to be taken slowly Single track roads dominate skirting lochs and winding up and over moorland and mountains carpeted with blanket bog settlements are few and far between and you'll often feel outnumbered by sheep as yet another flock ambles across a road leading to a crumbling castle old fishing port or alluring ancient site But biding your time is no inconvenience here not when every corner reveals a yet more staggering view when remote coastal cliffs throb with the cries of seabirds or when following a sign down a potholed road leads to an empty cove of sand that shimmers pink and blue in the ever changing Highlands light There are no large settlements here the second largest town has barely 1 500 inhabitants so visitors focus very much on the outdoors Getting into wilderness is joyously easy within moments of parking your car or stepping out of your B B you're striding among scenery so enchanting and dramatic it feels like it's been conjured up by someone's imagination Whether you crave clambering over rocks to discover secret beaches watching dolphins leap kayaking to uninhabited islands or trekking to the UK's highest waterfall northern Scotland is the kind of place that gets its teeth into you a place that people return to again and again Just the place indeed for Bradt's Scotland's North Highlands to provide the perfect travelling companion
