Pulp Culture Hardboiled Fiction And The Cold War:

Pulp Culture Woody Haut, 2014 Pulp Culture takes the reader on a walk down the Mean Streets of post war America to investigate the classic texts of the American hardboiled crime fiction and the era from which they came With crooks hiding in every doorway and commies lurking under every bed crime fiction its gaudy paperback covers portraying men with guns and women with low necklines was avidly read by a nation adjusting to the Cold War and the Atomic Era Beginning with Dashiell Hammett testifying before Senator Joseph McCarthy Pulp Culture pursues the lives and work of crime writers who approached the genre at street level David Goodis Chester Himes Jim Thompson Dorothy B Hughes Dolores Hitchens Leigh Brackett Raymond Chandler Mickey Spillane Howard Browne William P McGivern Lionel White Ross MacDonald Horace McCoy Charles Willeford and Charles Williams Pulp Culture is essential reading for anyone interested in noir writing films and the post war era *Hollywood's Cold War* Tony Shaw, 2007 Published at a time when American filmmakers are deeply involved in the War on Terror this authoritative and timely book offers the first comprehensive account of Hollywood's

propaganda role during the defining ideological conflict of the 20th century the Cold War **Pulp Virilities and Post-War American Culture** Arthur Redding, 2022-09-10 This book interrogates the repertoire of masculine performance in popular crime fiction and cinema from the 1940s 50s and 60s This critical survey of the back alleys of pulp culture reveals American masculinities to be unsettled contentious crisis ridden racially fraught and sexually anxious Libertarian in their sensibilities self aggrandizing in their sentiments resistant to the lures of upper mobility scornful of white collar and corporate culture the protagonists of these popular and populist works viewed themselves as working class heroes cast adrift Pulp Virilities explores the enduring traditions of hard boiled and noir literature casting a critical eye on its depictions of urban life and representations of gender crime labor and race Demonstrating how anxieties and possibilities of American masculinity are hammered out in works of popular culture Pulp Virilities provides a rich cultural genealogy of contemporary American social life Turncoats, Traitors, and Fellow Travelers Arthur F. Redding, 2008 The Cold War was unique in the way films books television shows colleges and universities and practices of everyday life were enlisted to create American political consensus This coercion fostered a seemingly hegemonic nationally unified perspective devoted to spreading a capitalist socially conservative notion of freedom throughout the world to fight Communism This book traces the historical contours of this manufactured consent by considering the ways in which authors playwrights and directors participated in responded to and resisted the construction of Cold War discourses **Cold War Literature** Andrew Hammond, 2006-11-22 The Cold War was the longest conflict in a century defined by the scale and brutality of its conflicts In the battle between the democratic West and the communist East there was barely a year in which the West was not organising fighting or financing some foreign war It was an engagement that resulted in Korea Guatemala Nicaragua and elsewhere in some twenty million dead This collection of essays analyses the literary response to the coups insurgencies and invasions that took place around the globe and

explores the various thematic and stylistic trends that Cold War hostilities engendered in world writing Drawing together scholars of various cultural backgrounds the volume focuses upon such themes as representation nationalism political resistance globalisation and ideological scepticism Eschewing the typical focus in Cold War scholarship on Western authors and genres there is an emphasis on the literary voices that emerged from what are often considered the peripheral regions of Cold War geo politics Ranging in focus from American postmodernism to Vietnamese poetry from Cuban autobiography to Maoist theatre and from African fiction to Soviet propaganda this book will be of real interest to all those working in twentieth century literary studies cultural studies history and politics

Criminal Femmes Fatales in American Hardboiled Crime Fiction Maysaa Husam Jaber, 2016-02-02 This book fills a gap in both literary and feminist scholarship by offering the first major study of femme fatales in hardboiled crime fiction Maysaa Jaber shows that the criminal literary figures in the genre open up powerful spaces for imagining female agency in direct opposition to the constraining forces of patriarchy and misogyny

Building the Cold War Annabel Jane Wharton, 2001 In postwar Europe and the Middle East Hilton hotels were quite literally little Americas For American businessmen and tourists a Hilton Hotel with the comfortable familiarity of an English speaking staff a restaurant that served cheeseburgers and milkshakes trans Atlantic telephone lines and most important air conditioned modernity offered a respite from the disturbingly alien For impoverished local populations these same features lent the Hilton a utopian aura The Hilton was a space of luxury and desire a space that realized permanently and prominently the new and powerful presence of the United States Building the Cold War examines the architectural means by which the Hilton was written into the urban topographies of the major cities of Europe and the Middle East as an effective representation of the United States Between 1953 and 1966 Hilton International built sixteen luxury hotels abroad Often the Hilton was the first significant modern structure in the host city as well as its finest hotel The Hiltons introduced a striking visual contrast to the traditional architectural forms of such cities as Istanbul Cairo Athens and Jerusalem where the impact of its new architecture was amplified by the hotel s unprecedented siting and scale Even in cities familiar with the Modern the new Hilton often dominated the urban landscape with its height changing the look of the city The London Hilton on Park Lane for example was the first structure in London that was higher than St Paul s cathedral In his autobiography Conrad N Hilton claimed that these hotels were constructed for profit and for political impact an integral part of my dream was to show the countries most exposed to Communism the other side of the coin the fruits of the free world Exploring everything the carefully drafted contracts for the buildings to the remarkable visual and social impact on their host cities Wharton offers a theoretically sophisticated critique of one of the Cold War s first international businesses and demonstrates that the Hilton s role in the struggle against Communism was as Conrad Hilton declared significant though in ways that he could not have imagined Many of these postwar Hiltons still flourish Those who stay in them will learn a great deal about their experience from this new assessment of hotel space

The American Thriller P. Copley, 2000-11-09 What is the

American thriller Has it developed over time What was it like in the past This is a book about thrillers and gaining knowledge of what American thrillers were like in a specific period the 1970s Analysing seventies texts about crime police detectives corruption paranoia and revenge The American Thriller aims to open debates on genre in the light of audience theory literary history and the place of popular fiction at the moment of its production

Inspecting Jews Laurence Roth, 2004 In this book Laurence Roth argues that the popular genre of Jewish detective stories offers new insights into the construction of ethnic and religious identity Roth frames his study with the concept of kosher hybridity to look at the complex process of mediation between Jewish and American culture in which Jewish writers voice the desire to be both different from and yet the same as other Americans He argues that the detective story located at the intersection of narrative and popular culture in modern America examines the need for order in a disorderly society and thus offers a window into the negotiation of Jewish identity differing from that of literary fiction The writers of these popular cultural texts which are informed by contradiction and which thrive on intended and unintended ironies formulate idioms for American Jewish identities that intentionally and unintentionally create social ethnic and religious syntheses in American Jewish life Roth examines stories about American Jewish detectives including Harry Kemelman's Rabbi Small Faye Kellerman's Peter Decker and Rina Lazarus Stuart Kaminsky's Abe Lieberman and Rochelle Krich's Jessica Drake not only as a genre of literature but also as a reflection of contemporary acculturation in the American Jewish popular arts

Film Noir Andrew Spicer, 2018-10-08 Film Noir is an overview of an often celebrated but also contested body of films It discusses film noir as a cultural phenomenon whose history is more extensive and diverse than American black and white crime thrillers of the forties An extended Background Chapter situates film noir within its cultural context describing its origin in German Expressionism French Poetic Realism and in developments within American genres the gangster crime thriller horror and the Gothic romance and its possible relationship to changes in American society Five chapters are devoted to classic film noir 1940-59 chapters explore its contexts of production and reception its visual style and its narrative patterns and themes chapters on character types and star performances elucidate noir's complex construction of gender with its weak ambivalent males and predatory femmes fatales and also provide a detailed analysis of three noir auteurs Anthony Mann Robert Siodmak and Fritz Lang Three chapters investigate neo noir and British film noir chapters trace the complex evolution of neo noir in American cinema from the modernist critiques of *Night Moves* and *Taxi Driver* to the postmodern hybridity of contemporary noir including *Seven* *Pulp Fiction* and *Memento* the final chapter surveys the development of British film noir a significant and virtually unknown cinema stretching from the thirties to Mike Hodges Croupier Films discussed include both little known examples and seminal works such as *Double Indemnity* *Scarlet Street* *Kiss Me Deadly* and *Touch of Evil* A final section provides a guide to further reading an extensive bibliography and a list of over 500 films referred to in the text Lucidly written *Film Noir* is an accessible informative and stimulating introduction that will have a broad appeal to undergraduates cin astes film teachers and
